Portrait In A Dusty Frame:

Portrait in a Dusty Frame Mark Hebden, 1969 Portraits of Resistance Jennifer Van Horn, 2022-01-01 A highly original history of American portraiture that places the experiences of enslaved people at its center This timely and eloquent book tells a new history of American art how enslaved people mobilized portraiture for acts of defiance Revisiting the origins of portrait painting in the United States Jennifer Van Horn reveals how mythologies of whiteness and of nation building erased the aesthetic production of enslaved Americans of African descent and obscured the portrait's importance as a site of resistance Moving from the wharves of colonial Rhode Island to antebellum Louisiana plantations to South Carolina townhouses during the Civil War the book illuminates how enslaved people's relationships with portraits also shaped the trajectory of African American art post emancipation Van Horn asserts that Black creativity subjecthood viewership and iconoclasm constituted instances of everyday rebellion against systemic oppression *Portraits of Resistance* is not only a significant intervention in the fields of American art and history but also an important contribution to the reexamination of racial constructs on which American culture was built

Pel And The Picture Of Innocence Mark Hebden, 2010-11-07 An extravagant big time gangland criminal is ambushed and assassinated the only witness a ten year old boy Chief Inspector Pel is called in to investigate the killing which spirals into an international investigation when a respected spinster is bludgeoned to death and some curious links begin to clink into place

Portraits without Frames Lev Ozerov, 2018-12-04 Isaac Babel Dmitry Shostakovich and Anna Akhmatova star in this series of portraits of some of the greatest writers artists and composers of the twentieth century We stopped and Shklovsky told me quietly but clearly Remember we are on our way out On our way out And I recalled the wall of books all written by a man who lived in times that were hard to bear Lev Ozerov's *Portraits Without Frames* offers fifty shrewd and moving glimpses into the lives of Soviet writers composers and artists caught between the demands of art and politics Some of the subjects like Anna Akhmatova Isaac Babel Andrey Platonov and Dmitry Shostakovich are well known others less so All are evoked with great subtlety and vividness as is the fraught and dangerous time in which they lived Composed in free verse of deceptively artless simplicity Ozerov's portraits are like nothing else in Russian poetry
