of the deputy keeper of the public records Public record office,1862 Tracing Your Family History with the Whole Family
Robin . McConnell,2022-04-06 This book is innovative A plethora of genealogy books primarily assume that family history
research is by adults for adults marking family history as an adults only sphere of life This book establishes a new dimension
in family history research It is written in the belief that engaging in family history is a venture for all of the present day
family regardless of age and sometimes because of age To assist those of all ages who venture into this wider domain of
family history the book is laden with practical examples The author has an outstanding educational background with marked
national success at all levels from sole teacher of a rural school to professorship achievements At each level he has been
noted nationally His qualifications reflect this lasting commitment to education with imagination and an abiding belief in the
potential of families and their children He is an acknowledged international expert in teams and team leadership The subject
of his Doctor of Philosophy thesis was in this field and his Master of Philosophy thesis The Singing Word was an experiential
development of children s creative writing He is a lifelong genealogist This book assuredly has new material for families
educators and children It leads from their research of the family s yesterdays to depictions of the family s contemporary
setting It then leads children and adults into factual and creative portrayals of their present lives which will be handed on to
future generations as informative elements of past and present family history Annual Report of the Deputy Keeper of the
