Todd Davis,2024-08-01 In an age when many find themselves disconnected from the natural world celebrated poet Todd Davis offers the possibilities of reconnection of listening to the earth s labored breathing to the thoughts of other than human animals and the languages trees speak In thirty new poems and with ample selections from his previous seven books Davis s roots run deep in Rust Belt Appalachia attending to the harmed but healing landscape the people whose lives are too often neglected and the looming threat of climate collapse and extinction Orion Magazine likens Davis s work to Wendell Berry and Mary Oliver as he continues to demonstrate what one reviewer describes as his knowledge of Latin names common names habitats and habits steeped in the exactness of the earth and the science that unfolds in wildness Known for both narrative and lyrical impulses Davis asks readers to acknowledge their kinship with all living beings which demands some grieving for past sins but also suggests a way toward restoration With a Foreword by David James Duncan **Record of the Year** ,1876

The Book Buyer ,1900 A review and record of current literature Assembly ,1984 **Coat Thief** Jeffrey

Davis,2016-05-20 Praise for Coat Thief Like walking meditations the poetic feet of Jeffrey Davis s Coat Thief invoke mindfulness through grounded regular movement Profoundly attuned to the beauty of daily existence these poems upend and expand conventional perceptions of magnitude as they give prominence to sneaker prints earthworms egg cartons and other often unnoticed objects These are poems filled with wonder poems that demonstrate over and over that we need not rely on esoteric experience for transcendence because it is we learn from Coat Thief the ordinary that is most extraordinary Yes It is possible for poetic feet to connect our soles and souls more intimately to the earth and with Davis the closer we are to the earth the closer we are to the divine Melissa Studdard I Ate the Cosmos for Breakfast The quiet moments of a life can be the most revealing and yet the ones we pay attention to least Jeffrey Davis slows down the mind camera in Coat Thief to linger in those moments with a focus always rich with compassion empathy and physical touch I love his intention I love his sound Kazim Ali Sky Ward We are accustomed to poems that seek political change by deploying fierce urgency and by speeding up time to get us moving toward progress But if the poems in Jeffrey Davis s Coat Thief are good evidence then the most effective and affective poems of change may be those poems that slow time down and bless us with moments in which we are

able to perceive emotional complexes in instants of time moments that leave us stupendously awake in the dark an
earthworm churning through the detritus of civilizations wasting your morning speaking to a blue stone that is just beginning
to hear you a mother and the child kicking inside her with a god s foot Brian Clements author of Disappointed Psalms and A
Book of Common Rituals **Presidential Sheet Music** Danny O. Crew,2001-01-01 Political historians have traditionally
interpreted the people and events of each presidential era by studying books periodicals letters diaries and speeches One
source of printed material that has not received much scholarly attention is published music much of which has been all but
lost in the archives of libraries and museums These two volumes of Presidential Sheet Music present an exhaustive listing of
presidential related music in all printed forms with information on each piece **Americana Booksellers' Catalogues**
