Residential Care Guidance And Regulations Children Act 1989:

The Children Act Great Britain. Dept. of Health,1991 This volume the fourth in a series of five intended to give an understanding of the principles of the Children Act 1989 examines the many aspects of residential care for children and the way in which they will be affected by the introduction of the Act

Residential and Boarding Education and Care for Young People Ewan W. Anderson,2005 Based on the latest research and reflecting the national drive towards evidence based standards this book offers a model which can be readily applied to training assessment of standards inspections and research and development

Making Sense of the Children Act 1989 Nick Allen,2005-09-01 The Children Act is a major piece of legislation that affects all professionals working with children Since the third edition of this book was published in 1996 there have been some important developments This Fourth Edition takes these developments into consideration Topics discussed include case law in the superior courts the establishment of CAFCASS and the Fostering Services Regulations of 2002 and much more

The Children Act 1989 ,1991 *Disabled Children and the Law* Janet Read,Luke Clements,David Ruebain,2006-02-20 Now in its completely updated second edition this accessible guide provides essential information about how the law can be used to promote good practice and policy development for disabled children and young people The authors take an anti discriminatory and inclusive approach that involves parents and children in decision making and advocacy

The Children Act 1989 Great Britain. Department of Health,1992 *Children and Residential Care in Europe* Nicola Madge,1994-05-01 What lessons can be learned from the different ways in which residential care is organised throughout Europe Which countries services meet children s needs most effectively Originally published in 1994 this ebook looks broadly at children and child care services especially residential child care in 13 European Union countries to give an overview of national similarities and differences and identify key areas of change development and concern The European Children s Centre survey on which this report was based was commissioned by The Warner Inquiry into the selection development and management of staff in children s homes Established in the United Kingdom in response to a number of widely publicised scandals in residential care the Inquiry recognised the value of looking to other European countries in order to learn from their successes and failures

Young People and the Care Experience Julie Shaw,Nick Frost,2013-04-12 The care system looks after the most vulnerable young people in society those who are for a variety of reasons unable to live with their parents *Young People and the Care Experience* examines what can be done to support young people to remain at home and if this is not possible how they can be supported whilst in care and on leaving care The book explores the range of options foster care children s homes and adoption and how these options interact Using the latest research and framing the issues through both psycho social and legal perspectives the book provides an in depth analysis of young people s experience of the care system and how it can be improved Examining the challenges faced by children on their journey from initially entering care to living independently after care the book places these issues in a global context Specifically it discusses how

to support children and young people at home an analysis of the history and demographics of children placed in care the challenges faced by children living in foster care the challenges faced by children living in a children's home the challenges faced by children being adopted leaving care The book will be of interest to all those working with children in care or those who have experience of the care system as a professional carer or young person It will also be of interest to researchers and students of developmental and social psychology social work and also to policy makers

Enhancing the Well-being of Children and Families Through Effective Interventions Colette McAuley, Peter J. Pecora, Wendy Rose, 2006 This reader compares up to date policy and research evidence from the UK and USA on the effectiveness of core child welfare interventions The text shows how knowledge of effective interventions can be used to improve assessment of needs and planning and reviewing services to children and their families

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose, Professor Colette McAuley, Peter Pecora, 2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions

Practical Social Work Law Siobhan E. Laird, 2014-05-01 Practical Social Work Law analysing court cases and inquiries presents legal issues associated with social work in an accessible format It approaches the law in a way that is less daunting and more engaging by examining actual court cases and public inquiries and explores the stories of real people and the legal and ethical dilemmas practitioners will face The text adopts a problem centred approach to learning by introducing the reader to key aspects of the law through a series of real life situations it addresses basic principles regarding the operation of the law and explores the lessons for good practice Each chapter addresses a specific area of social work law including family breakdown safeguarding children youth justice adults with disabilities mental health and mental capacity Landmark cases cases drawn from the lower courts tribunals and ombudsmans decisions are included throughout presenting an accessible account of the application of the law Practical Social Work Law is an essential text for undergraduate postgraduate and recently qualified social workers who are wrestling with the complexity of the law and the professional dilemmas it poses for their practice This book is unusual for a law book in that it is not only a reference book but also a very readable volume It is set out clearly and provides a sound basis for student social workers new to the law and a refresher for qualified practitioners Catherine Poulter RSW Integrated Community Services Carmarthenshire County Council

Effective Schooling for Pupils with Emotional and Behavioural Difficulties John Visser, 2013-10-23 First Published in 1998 Increasing pressure and new demands on LEAs schools and their staff have led to an overall reduction in the number of special schools for children with EBD and a questioning of their place within the range of provision for these pupils Recent attention has also been drawn by HMCI to the number of these schools which have failed to pass the OFSTED inspection process This book is based on a national examination of special schools providing for pupils

with EBD The authors identify factors associated with good practice and offer advice on how schools can become more effective in providing for the country's most troubled and challenging pupils They also highlight aspects of successful provision which can be applied in mainstream schools and pupil referral units Children with Mental Disorder and the Law

Anthony Harbour,2008-05-15 This book provides a guide to the law relating to mental health care for children and young people and discusses important issues in clinical and social care practice such as parental responsibility Gillick competency and capacity emergency intervention and detention assessment of mental illness and confidentiality in practice *Managing Residential Childcare*

R. Whipp,I. Kirkpatrick,M. Kitchener,2004-11-12 This book explores the management of children's services in local authorities across England and Wales It examines residential childcare from a management and organizational perspective for the first time The volume evaluates how social services manage residential units and offers alternative solutions The book will interest academics practitioners and policy makers who work in the public sector as well as their counterparts from outside who are concerned with the issues of control implementation professionals and markets

Law for Social Workers Helen Carr,David Goosey,2017 Law for Social Workers has been supporting social work students and professionals for over 25 years Written by an expert lecturer team with practical experience this book provides the perfect combination of legal explanation and practical insight and is the ideal text to see students through their course and career This edition continues to provide an accurate jargon free account of the law social workers need to know with helpful diagrams and case studies included throughout to explain areas of difficulty and ensure understanding for students and professionals at all levels The 14th edition includes an expanded Social Worker's Toolkit offering practical advice on topics such as going to court preparing evidence and writing reports providing the ideal support while on placement or in the workplace The book is accompanied by a fully interactive Online Resource Centre with a wealth of resources for both students and lecturers **Area Child Protection Committees**

Robert Sanders,Nigel Thomas,2018-10-26 First published in 1997 Area Child Protection Committees are at the heart of interagency child protection services in Britain Drawing on original research this book provides the first detailed analysis of ACPs and how they operate The authors examine the policy role of the committees the processes of representation and the effectiveness of the committees work both in directing practice and in responding to change They also report on research into how ACPCs deal with cases that go wrong The book considers the impact both of agency reorganisation and of changes in child care policy on the work of the committees and includes an account of the development of children's service plans If child protection policy is to change its direction then ACPCs will have to change too This book aims to contribute to an understanding of how that can happen **State Child**

Care Carol Hayden,1999 This text assesses the current state of provision for looked after children in both the residential and foster care sectors It addresses a number of specific issues including admission and placement into care and education of looked after children Institutional Abuse Jill Manthorpe,Bridget Penhale,Nicky Stanley,2002-09-11 Nothing available that

directly competes The extent of institutional abuse tends to be played down it is still something of a taboo subject Material on abuse of adults in mental health settings has been a relatively neglected field *Looked After Children* Caroline Ball,2014-05-08 How do you apply the principles structures and processes of the law to everyday practice Drawing on a wealth of contemporary case examples this handy pocket book demystifies the complex legislation on Looked After Children and demonstrates the practical duties and responsibilities of professionals working with this group **Child Care Protection Law and Practice** Barbara Mitchels,Helen James,2001 Child care and protection law constantly changes and develops This book provides a practical guide to the Children Act 1989 its subordinate legislation case law and social work practice including equal opportunities The European Convention on Human Rights and the UN Convention on the Rights of the Child are discussed and this third edition has been fully updated to cover the consequences of the Human Rights Act 1998 on child law in the UK The Law Society's new Children Panel will cover representation of children adults and local authorities and has extended the qualifying course to include a wider range of relevant sociological psychological and practice issues This book is written with the Children Panel provisions in mind and will prove useful as a basic reference for new applicants and members
