Assessment 2 Instructions: Community Resources

Research a selected local, national, or global nonprofit organization or government agency to determine how it contributes to public health and safety improvements, promotes equal opportunity, and improves the quality of life within the community. Submit your findings in a 3-5 page report.

As you begin to prepare this assessment, it would be an excellent choice to complete the Nonprofit Organizations and Community Health activity. Complete this activity to gain insight into promoting equal opportunity and improving the quality of life in a community. The information gained from completing this activity will help you succeed with the assessment.

Professional Context

Many organizations work to better local and global communities' quality of life and promote health and safety in times of crisis. As public health and safety advocates, nurses must be cognizant of how such organizations help certain populations. As change agents, nurses must be aware of factors that impact the organization and the services that it offers. Familiarity with these organizations enables the nurse to offer assistance as a volunteer and source of referral.

This assessment provides an opportunity for you gain insight into the mission, vision, and operations of a community services organization.

Demonstration of Proficiency

By successfully completing this assessment, you will demonstrate your proficiency in the following course competencies and assessment criteria:

- Competency 1: Analyze health risks and health care needs among distinct populations.
 - Explain how an organization's work impacts the health and/or safety needs of a local community.
- Competency 2: Propose health promotion strategies to improve the health of populations.
 - Explain how an organization's mission and vision enable it to contribute to public health and safety improvements.
- Competency 3: Evaluate health policies, based on their ability to achieve desired outcomes.
 - Assess the impact of funding sources, policy, and legislation on an organization's provision of services.
- Competency 4: Integrate principles of social justice in community health interventions.
 - Evaluate an organization's ability to promote equal opportunity and improve the quality of life within a community.
- Competency 5: Apply professional, scholarly communication strategies to lead health promotion and improve population health.
 - Organize content so ideas flow logically with smooth transitions; contains few errors in grammar/punctuation, word choice, and spelling.
 - Apply APA formatting to in-text citations and references exhibiting nearly flawless adherence to APA format.
