Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations

Daniela Niemeyer

Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations:

The Resilience of Conservative Religion Joseph B. Tamney, 2002-02-11 The recent growth and popularity of conservative churches contradicts the idea that late modern societies have outgrown the need for such relics of the past as traditionalist religions In this book Joseph Tamney offers an explanation for this this apparent incongruity by looking at the case of growing popular conservative Protestant congregations in the United States His findings represent a synthesis of ideas from supporters of secularization theory and from those who stress the competitive market of churches in America as a factor in church growth

Religious Commodifications in Asia Pattana Kitiarsa, 2007-11-09 This book addresses the growing academic concerns of the market religion convergences in Asia Bringing together a group of leading scholars from Asia Europe Australia and North America it discusses multiple issues regarding religious commodifications and their consequences across Asia s diverse religious traditions Covering key issues in the anthropology and sociology of contemporary Asian religion it draws theoretical implications for the study of religions in the light of the shift of religious institutions from traditional religious beliefs to material prosperity The fact that religions compete with each other in a market of faiths is also at the core of the analysis The contributions show how ordinary people and religious institutions in Asia adjusted to and negotiated with the penetrative forces of a global market economy into the region s changing religious cultural landscapes An excellent contribution to the growing demands of ethnographically and theoretically updated interpretations of Asian religions *Religious Commodifications in Asia* will be of interest to scholars of Asian religion and new religious movements

Religious Fundamentalism Peter Herriot, 2008-09-25 How does a religious fundamentalist come to embrace a counter cultural world view Fundamentalism can be analysed from a variety of perspectives It is a type of belief system which enables individuals to make sense of their lives and provides them with an identity It is a social phenomenon in which strictly religious people act according to the norms values and beliefs of the group to which they belong It is a cultural product in the sense that different cultural settings result in different forms of fundamentalism And it is a global phenomenon in the obvious sense that it is to be found everywhere and also because it is both a reaction against and also a part of the globalising modern world *Religious Fundamentalism* deals with all of these four levels of analysis uniquely combining sociological and psychological perspectives and relating them to each other Each chapter is followed by a lengthy case study and these range from a close textual analysis of George W Bush s second inaugural speech through to a treatment of Al Qaida as a global media event This book provides a comprehensive social scientific perspective on a subject of immense contemporary significance and should be of use both to university students and also to students of the contemporary world

Reinventing English Evangelicalism, 1966-2001 Robert E. Warner, 2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the

academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition

Evangelicals and Israel Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

The Pursuit & Acquisition of Health & Wealth Gerard Jacobs, 2012-04-30 The pursuit and acquisition of health and wealth are part of the worldview that drives Singaporean society It encompasses a strong work ethic in the pursuit to modernise and be a key player in the global economy Health and wealth are defined in terms of an individual's well being in the sense of good health and a continued assurance of material provision and security This worldview stems from a syncretism with non-Christian religions that have reconceptualised themselves with the socioeconomic and political goals of Singaporean society Subsequently they continue to be the authentic expression of the noblest longings of people that have become symbiotic with their daily expressions shaping their history and culture The book attempts to show that while Pentecostal and Charismatic Christianity have played a significant role in the growth of contemporary Singaporean churches it has inadvertently presented a gospel that appeals to the deeply embedded dominant religious secular worldview of its society in the context of health and wealth

Beyond Fideism Olli-Pekka Vainio, 2016-04-15 After the postmodern turn every tradition seeks the right to have their own rules of rational discourse The crucial question is are there ways to communicate between the traditions so that the traditions do not need to give up their identities in order to take part in conversation Vainio examines

the basic assumptions behind well known types of Christian theology and seeks ways in which they might interact with one other and with other non Christian traditions without capitulation of their identities Vainio claims that there are religious identities that can be negotiated and communicated and that there are ecclesiastical doctrines which can be meaningfully discussed among churches This book explores three key areas analysis of the uses of fideism within classical Christian theology clarification of different types of theological method that seek to express the task of theology in contemporary setting an explanation of the contours of religious identity and rationality which takes seriously both classical Christian identity and pluralistic contexts where most of the Christian communities dwell nowadays The proposal for negotiability of Christian identity draws together ideas from among others virtue epistemology reformed epistemology communitarianism and feminist sensibilities

American Band Kristen Laine,2007-08-02 In the spirit of Friday Night Lights comes the stirring story of a marching band from small town middle America Every fall marching bands take to the field in a uniquely American ritual For millions of kids band is a rite of passage a first foray into leadership and adult responsibility and a chance to learn what it means to be a part of a community Nowhere is band more serious than at Concord High School in Elkhart Indiana where the entire town is involved with the success of its defending state champion band the Marching Minutemen In the place where this tradition may have originated in the city that became the band instrument capital of the world band is a religion But it s not the only religion as legendary director Max Jones discovers when conflicting notions of faith and purpose collide during his final year as director In this intimate chronicle the band marches through a season that starts in hope and promise progresses through uncertainty and disappointment and ends ultimately in redemption *The Devil's Music* Randall J. Stephens,2018-03-19 Randall Stephens traces rock s inspiration to the Pentecostal churches where Elvis Little Richard and others worshipped Faith which served as a vehicle for whites fears led them to condemn the godless music of blacks and hippies But in a reversal of strategy evangelicals later embraced Christian rock as a way to project Jesus s message

The Psychology of Religion, Fourth Edition Ralph W. Hood, Jr.,Peter C. Hill,Bernard Spilka,2009-07-15 Scholarly and comprehensive yet accessible this state of the science work is widely regarded as the definitive graduate level psychology of religion text The authors synthesize classic and contemporary empirical research on numerous different religious groups Coverage includes religious thought belief and behavior across the lifespan links between religion and biology the forms and meaning of religious experience the social psychology of religious organizations and connections to morality coping mental health and psychopathology Every chapter features thought provoking quotations and examples that bring key concepts to life New to This Edition Revised and updated with the latest theories methods and empirical findings Many new research examples Restructured with fewer chapters for better fit with a typical semester More attention to the differences between religion and spirituality Covers emerging topics genetics and neurobiology positive psychology atheism and more

Populism, Fundamentalism, and Identity Peter Herriot,2020-04-08 What can populism and fundamentalism

possibly have in common Peter Herriot argues that contrary to their apparent differences these human phenomena are similar in two basic respects First they are both reactions against the complexities of the modern world in general and its current crisis in particular They propose instead a return to a mythical golden age supposedly marked by purity and simplicity Second they both work in the same way psychologically Using social identity theory Herriot shows how both populism and fundamentalism create constant conflict by contrasting a virtuous Us with a stereotypically evil Them Contemporary case studies illustrate this process at work and Herriot raises various issues as a basis for discussion and concludes with hope

Understanding Religious Fundamentalists Peter Herriot,2024-04-01 This book introduces the prominent role that fundamentalists play in religious cultural and political arenas It begins by investigating religious fundamentalist groups and their psychological motivations for this counter cultural adherence Their extremely varied actions argues the author are based on two fundamental beliefs that God speaks to them personally through his Word and that they are involved in a cosmic war between God and Satan Subsequent chapters explore how fundamentalisms meet universal psychological needs for meaning identity agency and self esteem Moving from individual psychology to social context the latter half of the book explores how fundamentalist movements derive and exercise their authority and how leaders may strategise to appeal to external societies The closing chapters seek to place the growth of fundamentalisms and their continued popularity in the social context of modernity and populism With engaging discussion questions and suggestions for further reading this book is ideal for students of social science and religion as well as readers interested in the psychological roots of fundamentalism

American Grace Robert D. Putnam,David E. Campbell,2012-02-21 Based on two new studies American Grace examines the impact of religion on American life and explores how that impact has changed in the last half century

Identity and Belonging Kate Huppatz,Amie Matthews,Mary Hawkins,2019-02-05 Identity and Belonging examines the interplay between self and society and in doing so explores the complex nature of who we are and how we come to be as individuals and as members of various social groups Investigating issues of identity and belonging as they emerge in contemporary social life and under conditions of globalisation the book focuses on continuity and change in the formation of identities and communities Through a variety of examples and case studies the chapters discuss how elements such as ethnicity class gender and sexuality intersect and are experienced both locally and transnationally As a modern guide to some classic themes and key thinkers in the discipline of sociology this accessible text can be used to introduce core topics of identity social divisions and globalisation as well as to investigate in detail more specific themes and issues such as migration consumption and digital media It is a useful and comprehensive resource for both undergraduate and postgraduate students of sociology and related disciplines

The American Family David Peterson del Mar,2011-11-07 Traces the movement from mutualism to individualism in the context of American family life Families survived or even flourished during colonization Revolution slavery immigration and economic upheaval In the past century prosperity created a culture devoted

to pleasure and individual fulfilment **The Marriage-Go-Round** Andrew J. Cherlin, 2010-12-08 In a landmark book that is intriguing and provocative and presents an original thesis to explain this peculiar paradox we idealize marriage and yet we rely so badly on it The New York Times Andrew J. Cherlin's three decades of study have shown him that marriage in America is a social and political battlefield in a way that it isn't in other developed countries Americans marry and divorce more often and have more live-in partners than Europeans and gay Americans have more interest in legalizing same-sex marriage The difference comes from Americans' embrace of two contradictory cultural ideals marriage a formal commitment to share one's life with another and individualism which emphasizes personal choice and self-development Religion and law in America reinforce both of these behavioral poles fueling turmoil in our family life and heated debate in our public life Cherlin's incisive diagnosis is an important contribution to the debate and points the way to slowing down the partnership merry-go-round The Hidden Lives of Congregations Israel Galindo, 2004-11-30

Faced with crisis, lack of direction or just plain stuckness many congregations and their leaders are content to deal only with surface issues and symptoms only to discover that the same problems keep recurring often in different and more serious ways In The Hidden Lives of Congregations Christian educator and consultant Israel Galindo takes leaders below the surface of congregational life to provide a comprehensive holistic look at the corporate nature of church relationships and the invisible dynamics at play Informed by family systems theory and grounded in a wide-ranging ecclesiological understanding Galindo unpacks clearly the factors of congregational lifespan size spirituality and identity and shows how these work together to form the congregation's hidden life He provides useful tools for diagnosing and understanding how one's congregation fits into the various categories he names and suggests what leadership skills are necessary to get beyond the impasse of surface issues and help the congregation achieve its mission The Hidden Lives of Congregations provides one of the most far-reaching looks into the invisible nature of faith communities written in recent years For seminaries and divinity schools it provides a standard text for getting a solid start in congregational practices for experienced pastors it provides support for renewing ministry for lay leaders and committees it offers insight to deepening mutual ministry Israel Galindo has written an indispensable manual that leaders will return to repeatedly for new wisdom and guidance **The Subversive Evangelical** Peter J.

Schuurman, 2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Wal-marts In The Subversive Evangelical Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right-wing evangelicalism Entering the Meeting House an Ontario-based Anabaptist megachurch as a participant-observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti-religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a

dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith [Uniting America](#) Norton Garfinkle, Daniel Yankelovich, 2008-10-01 In [Uniting America](#) some of the country's most prominent social thinkers among them Francis Fukuyama Daniel Yankelovich Amitai Etzioni Alan Wolfe Uwe Reinhardt and Thomas E Mann reject the myth of polarization On topics ranging from the war on terrorism health care economic policy and Social Security to religion diversity and immigration the authors argue that there are sensible centrist solutions that are more in keeping with prevailing public sentiment and that would better serve the national interest On issue after issue the authors show how the conventional framing of the debate in Washington has misled Americans creating a series of false dilemmas and forcing choices between two extremes at the expense of more balanced and pragmatic policy solutions based on enduring American values [Uniting America](#) provides a blueprint for a fresh approach to American politics grounded in moderation pragmatism and the shared values that unite Americans [The SAGE Handbook of Sociology](#) Craig Calhoun, Chris Rojek, Bryan S Turner, 2005-06-18 Sociology has evolved greatly since its inception as an academic discipline It has diverged into numerous strands often flowing in disparate directions so much so that today the notion of canonical sociology has become widely disputed The field of sociology at present approximates to one of multi-paradigmatic complexity in which many approaches to theory must be distinguished and situated In addition the discipline has had to confront new challenges from globalization the shift of interest from production to consumption the rise of new social movements the challenge of bio engineering the collapse of a presently existing socialist alternative and much else besides The new [SAGE Handbook of Sociology](#) aims to address these new developments while at the same time providing an authoritative guide to theory and method the key sub-disciplines and the primary debates of today To undertake this ambitious project three leading figures in the field of sociology were selected as editors to bring together the foremost exponents of the different strands that contribute towards the make up modern sociology Drawn from both sides of the Atlantic the contributors have been commissioned to utilise the most up to date research available to provide a critical international analysis of their area of expertise The result is this essential resource collection that not just reflects upon the condition of sociology today but also looks to future developments in the discipline The Handbook is invaluable not just all sociologists but to a wide variety of students and researchers across the social sciences Click on [Sample Chapters](#) [Resources](#) to download the introduction

Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Resilience Of Conservative Religion The Case Of Popular

Conservative Protestant Congregations free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Resilience Of Conservative Religion The Case Of Popular Conservative Protestant Congregations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
