Resolving Church Conflicts Douglass Lewis, 1981 Ritual Practices in Congregational Identity Formation Timothy D. Son, 2014-05-08 *Ritual Practices in Congregational Identity Formation* investigates the educational roles of ritual practices in the process of congregational identity formation Son identifies and analyzes various kinds of Christian rituals with respect to how rituals influence the formational processes of a congregation's identity Based on Victor Turner's ritual theory this book also investigates the pedagogical and transformative efficacies of ritual practices within the dynamics of congregational education *Military Chaplains' Review*, 1983 Interpersonal Reconciliation between Christians in a Shame-Oriented Culture Mano Emmanuel, 2020-11-30 Interpersonal conflict is one of the greatest threats to the health and growth of the church worldwide Yet despite their best intentions Christian leaders often discover that the cause of recurring conflict remains unclear and prescribed techniques for conflict resolution are ineffective in their communities In this Sri Lankan case study Dr Mano Emmanuel examines the specifics of interpersonal conflict within a shame oriented culture Taking an interdisciplinary approach she incorporates cultural anthropology missiology and communication studies into her analysis identifying seven aspects of culture that must be addressed if reconciliation is to be fully experienced in the Sri Lankan church Highlighting the parallels between contemporary honor shame cultures and the honor shame context of the New Testament the author provides specific suggestions for experiencing biblical reconciliation while maintaining cultural sensitivity and protecting the honor of those involved Congregation James F. Hopewell, In a unique full scale study of congregational life Hopewell shows that it is narrative the oral tradition that knits a congregation together

Communication in the Church Thomas G. Kirkpatrick, 2016-09-29 Communication is integral to the mission of the church but it can go awry in myriad ways both obvious and subtle Communication in the Church helps congregations create healthier ways for their members to relate to one another for greater personal and congregational success The book offers practical guidelines to help readers become more effective in how they build relationships lead meetings experience trust practice forgiveness use power and bridge cultures Communication in the Church distills the latest social science research for readers including clergy lay leaders continuing education planners students scholars and others Each chapter includes real life scenarios sensible guidelines practical applications and suggestions for further learning This book aims to help readers communicate more effectively from leading more engaging and productive meetings to preventing or addressing communication breakdowns **Transforming Pastoral Leadership** Quentin P. Kinnison, 2016-05-20 For many

congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views the pastor as responsible for maintaining the status quo Transforming Pastoral Leadership responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes

steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ's preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations Transforming Pastoral Leadership suggests two processes that might help congregations discern God's missional promptings as they move forward into God's future and experience conflict as opportunities for transformation *Biblical Foundations for Small Group Ministry* Gareth Weldon Icenogle,1994-03-01 Drawing on biblical teaching and the ministry of the early church Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small group ministry program **Building Biblical Values** Harold J. Thome, Penny Thome, Westing and Thome provide a variety of group activities written to help readers become intentional about their spiritual values Improving Your Multiple Staff Ministry Anne Marie Nuechterlein,2000-07-13 This book offers an exploration as to why church ministry staffs succeed or fail With an emphasis in using faith in Christ as the foundation for analysis the author draws from research and experience to reveal how a knowledge of interpersonal dynamics and individual differences can aid in finding ways to more effectively work together Resolving Conflict with Justice and Peace Charles R. McCollough,1991 A practical how to book that addresses the resolution of spiritual and personal conflicts within the church and among the individuals who serve it Helps the reader make the difficult transition from intellectual theory to actual resolution of conflict **Leadership Beef Jerky** Dr. Gregory W. Bourgond,2018-05-24 Leadership competencies may be the tools of leadership but biblically informed character is the power of leadership The exercise of leadership involves character competence and congruence Who you are as a leader your character and how your wiring plays a role in your practice of leadership your congruence will determine the effectiveness of your leadership practices The competencies you leverage will produce exponential results In Leadership Beef Jerky author Dr Gregory W Bourgond presents principles and practices that help organize how you think about leadership and what will and should inform your understanding and practice He introduces you to a calibration of the soul guarding your heart because it will bring forth good or bad what is stored within Based on his personal experiences Bourgond offers processes procedures methodologies tactics and strategies to help you become a more effective leader regardless of the number of people you lead He demonstrates when the head and the heart align the beingness of your leadership then the hand produces God honoring results Leadership Beef Jerky discusses the idea that effective godly leadership is developed during a lifetime is exercised through your God given passion and giftedness finds its source and authority in God is built on biblical principles and values and is practiced in culturally sensitive ways The principles and practices described in this guide help you become a leader after God's heart **The Little Church that Could** Steven E. Burt, Hazel Ann Roper,2001 Filled with case studies and practical helps this guide addresses everything from congregational life cycles to size related dynamics Theology of Reconciliation in the Context of Church Relations Rula Khoury Mansour,2020-01-31 Christians are called to be peacemakers in a world rife with conflict but how should

Christians respond when the source of strife is not outside the church but within it Built on an in depth analysis of three Palestinian church splits this text examines the cultural and theological implications of intra church conflict in Arab evangelical communities in Israel Translating Miroslav Volf s formative theology of reconciliation into her contemporary Palestinian context Dr Rula Khoury Mansour provides a critical evaluation of both Volf s theory and Palestinian peacemaking models Through her research and analysis Dr Mansour develops a Middle Eastern theology of reconciliation and encourages congregations around the world to develop greater cultural and theological awareness in their quest to experience lasting peace within their churches and wider communities **Ministries** ,1980 *Church Conflict* Norma Cook
