Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

Beecham,2022-08-01 Identity theft is said to be the number one crime in the world so we do everything we can to protect our identity from theft To lose our identity to a thief is a devastating thought The first act of identity theft occurred in the Garden of Eden This incident affected every human ever born Losing our identity not knowing who we really are is like spending our lives groping in the dark searching for a light to help us discover ourselves Everyone has been exposed to some set of rules to live by with the promise of self discovery People spend their entire lives in the endless pursuit of who am I really why am I here and what is the purpose of life Then when we encounter a difficulty we ask ourselves was that God the devil or me Always trying to earn or qualify ourselves as good enough for God we re never really sure if it worked but we sure are working ourselves to death trying There cannot be true peace or rest in living this way Our identity crisis affects our passions or what we do in our lives our businesses and our occupations There is a discovery of the truth that will absolutely transform your life It will open your eyes inspire your God given talent and ignite

your passion When my eyes were opened to this truth in 2008 I experienced joy and genuine peace like I never really knew existed except maybe in a dream This truth so radically changed the way I thought which only the unconditional love and great grace of God can do This book is dedicated to those who have struggled with life because of identity theft If we don't know who we really are then we won't know just how priceless accepted and loved we really are I have written this book with great excitement to share this life we all have been looking for and just how fulfilling our businesses and occupations can be fulfill your passions a gift from God your redemption is complete in Christ Jesus Let the journey to freedom begin today

Purge with Passion Jodie Watson, 2013-07-23 God cares about your clutter We're beginning to understand that we should be organized but we don't hear as much on why we should be organized Why should it matter if our lives are disorganized Purge with Passion Organizing Principles from a Christian Perspective focuses on that question This isn't your average organizing book If you see organization as a step to a happier and more productive life then you're partly right But what if there's more Our resources and possessions are meant to be used for God but too often they distract us from God Jodie Watson helps you free yourself from the clutter with practical and actionable advice But she also explains that what truly matters is the heart behind your organization Identify the ways the disorganization in your life can hinder you from pursuing God's will Take a deeper look at the things that God has entrusted to you Adopt a biblical approach to ordering your life for God's glory Go beyond the surface and discover what's at the very heart of your disorganization God has a specific purpose for you and the world in which you live Get ready to step out of the mess and step into God's amazing plan for order
