soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord

*Inspirational Explosion from Deep Within* Leroy Hubbert, 2014-07-22 A question was asked in my dream sometime in January 2014 but blessings of his word that I might share it came in the morning hours that led up to making new changes once again Amen As one hand reaches out to close the doors of inequity and despair the other hand right hand of fellowship is extended to grasp a sincere understanding of joy knowing the desires of your dreams are at hand As I looked at life and sat in counsel breathing new levels of hope and deliverance I found joy in the works that were allotted in this gift of writing My hopes and dreams is that this book would reach out to touch the lives of many with the understanding that if you give up on your dreams restoration is not an option leading to a more profitable journey I have lived every aspect of the words that I write whether it was on a personal level or vicariously through the struggle of others This is meant to bring hope to a wide audience and not just focus on one group My message is one that is simple but of epic proportions when I speak love and encouragement First learn to love yourself before you can share that love with others Never settle in contentment when there are other aspirations to bring joy understanding you are not in this struggle alone 1136 Decisive Affirmations to save Your Self-esteem and Restore Trust Nicholas Mag, The Miracle In this book Nicholas presents you a practical unique subliminal very simple detailed method of how to save Your Self esteem and Restore Trust You will feel the effects immediately and the results will appear very quickly So it was in my case You will not achieve fulfillment and happiness until YOU become the architect of your own reality Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through this unique subliminal method combined with positive affirmations The order of words is extremely important for every book written by Nicholas These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being blockages that are bringing disease or failure on various plans You don t need a big chunk of your time or expensive programs Everything is extremely simple Health money prosperity abundance safety stability sociability charisma sexual vitality erotic attraction will optimism perseverance self confidence tenacity courage love loving relationships self control self esteem enthusiasm refinement intuition detachment intelligence mental calm power of concentration exceptional memory aspiration transcendence wisdom compassion You have the ability to unlock your full inner potential and achieve your ultimate goals This is the age old secret of the financial elite world class scholars and Olympic champions For example when you watch the Olympics you ll find one

Gates-Mahmoud,2024-11-08 Receiving a death notice is a surreal experience and I ve had that bitter taste twice in my life Never did I fathom that I d be walking through the valley of the shadow of death once more After all I d endured since birth I believed I d already carried my fair share of suffering So when the doctor delivered the shattering news of a life threatening cancerous tumor it rattled me to the core in a way I never thought I would encounter What I have come to understand more so now than ever before is that prayer has always found a way to bring my troubled spirit a form of peace that I can t understand and a sense of calm and resolution even now as Jews of Israel and Muslims of Palestine continue to fight for what they believe in the Holy Land of Jerusalem Prayer is human communication with the sacred God gods the transcendent realm or supernatural powers But to label prayer solely as a form of communication is akin to describing a grand symphony as mere notes on a page Prayer is a tapestry woven with threads of human history spirituality and the very essence of our existence In reality prayer is a mosaic of multidimensional practices as old as humanity God Forgive me Cleanse me Make me whole again Amen      *HE MUST INCREASE; I MUST DECREASE A Journey To Restoration, Identity And Purpose* Jeff Cropper,2022-08-10 Upon calling His twelve disciples Jesus declared just two words to each Follow me He gave no explanation as to where or for what reason Simply an invitation to go by faith on a journey with Him An adventure that would change them forever One that would restore relationship with their Father establish true identity in Him and reveal His purpose for their lives Our Lord continues to extend that same offer to each and every one of those that have been given to Him by His Father The words on these pages share such a journey and its life altering revelations and impact Come along and witness what Jesus has for each of us who will accept His invite and follow Him Eleven of the twelve disciples did exactly that and they were transformed into powerful ambassadors for and servants of the kingdom of God We can be as well
