Allender, 2000-09-26 Don t Waste Your Pain None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we ve been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn t have to mangle our hearts and rob us of joy It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives If you re ready to shape a future characterized by love service and joy now is the time to step out onto The Healing Path When Dolls are Broken Angela Bufford Taye, 2014-02 There are two things that I m absolutely certain of God loves us and He is faithful The events in this life don t always reflect God's great love and faithfulness nor do the emotions we can develop in response to the pain and disappointments of this life This book contains life stories that are surrounded by encouragement hope and declaration of God's unfailing love When Dolls are Broken will assist you in seeing that God has a good and perfect will for you in the midst of and in spite of heartache disappointment abuse dysfunction and depression Regardless of your past or present state this book will inspire you to move closer to the person God created you to be A Walk Into Grace Jane Cummins, 2013-11 Grace Such an amazing word Amazing Grace how sweet the sound that saved a wretch like me The impact of those words never really touched my heart until about five years ago when I gave my life to Christ and I realized the amazing meaning behind the word GRACE You see I grew up as a statistic just like a lot of poor teenage girls did and still do Until five years ago at the age of 39 when God got a hold of my life I had lived a life of constant failure I couldn t escape my past It wouldn t go away no matter how hard I tried to ignore it or get away from it I kept reliving the same mistakes and failures over and over again That was the problem in all actuality Until I was ready to stand up and face my past and work through the pain I lived through I would continue to live in a cycle of failure I grew up on welfare and lived across the tracks for most of my teenage years My parents divorced and my father walked away That wasn t such a bad thing though because he was never really a

dad to us even when he was actually in the home It was freeing for me when he left I went wild and started my teenage life of rebellion I had my first son at the age of 16 Four years later I was pregnant with twins and lost them both at different stages of my pregnancy I was promiscuous with sex throughout my life due to my father struggling with sexual sins and introducing them to me I have been married and divorced multiple times I was diagnosed stage III cervical cancer at the age of 22 Due to all the emotional pain I held inside throughout my life I eventually started using drugs to find happiness Surprised aren t you I became a hopeless drug addict who was just trying to kill the pain I was living with inside of me from years of stuffed hurt I was just looking for an unconditional love to fill my heart Then one day I had a life changing encounter with God I had an experience so powerful that my life has been forever changed He is continually changing me and growing up in Him Until that day when I met Christ I was just a girl who had traveled down many destructive roads due to my rebellion anger and obsessive need to feel loved and accepted Believing that I would never be able to be loved I felt I would always be doomed to live a life of misery and hopelessness However I am no longer that girl and I am no longer ashamed of where I ve been I have finally come to know and accept God's wonderful grace compassion mercy and forgiveness in my life He has shown me how he has protected me and saved me numerous times even in the midst of all my rebellion I m hoping God's story of my life will touch your heart and reveal to you that there is NO sin that he cannot forgive NO emotional wound that he cannot heal NO life he cannot redeem for his good if you just seek him Will you ask him to help you and allow him to work in your life God pursues you He loves you God has a purpose for your life God also has a purpose for my life I just didn t know it yet

Wounded Hearts Made Whole Shari Scott,2021-03-03 A courageous journey of forgiveness healing and restoration Too many people see themselves in terms of their past mistakes their failed marriages their lost jobs their lack of money etc They don't see themselves in terms of their potential in Christ The life experience you are about to read is an inspirational self help book for anyone who has been broken by life and people they trusted It is intended to help open your heart to receive the healing that God has for you in places where you have been hurt As you begin to relate to the writer's story you will receive a message of hope and love
