**Resurrection** Steve Alten, 2007-04-01 Once again in this follow up to *Domain* Steve Alten has ingeniously woven the mysteries of the past into a gripping and unforgettable vision of the future Mayan legend tells of the Hero Twins destined to confront the Lords of the Underworld and rescue their long lost father from the realm of darkness Merely a two thousand year old myth or a prophecy of an apocalyptic battle for the soul of mankind On December 21 2012 a date long foretold by the Mayan calendar Michael Gabriel disappeared from the face of the Earth after saving the entire planet from thermonuclear destruction Less than a year later his bereaved wife gave birth to twin sons both possessed of extraordinary mental and physical gifts Are these at last the Hero Twins And yet as crucial as the twins are they are not unique A third child was born on the same fateful day blessed or cursed with the same superhuman talent and potential Exposed to the uglier side of existence Lilith will travel down a darker path that leads to eon distant Xibalba the Mayan version of hell An epic battle of good versus evil will begin and the final fate of the human race will be revealed At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

*Spenser's Ruins and the Art of Recollection* Rebeca Helfer, 2006-01-01 Beginning with the origins of mnemonic strategies in epic tales Helfer examines how the art of memory speaks to debates about poetry and its place in culture from Plato to Spenser's present day

**Italy and the Classical Tradition** Bloomsbury Publishing, 2013-10-16 Italy's original fascination with its cultural origins in Greece and Rome first created what is now known as the Classical tradition the pervasive influence of ancient art and thought on later times In response to a growing interest in Classical reception this volume provides a timely reappraisal of the Greek and Roman legacies in Italian literary history There are fresh insights on the early study of Greek and Latin texts in post classical Italy and reassessments of the significance attached to ancient authors and ideas in the Renaissance as well as some innovative interpretations of canonical Italian authors including Dante Petrarch and Alberti in the light of their ancient influences and models The wide range of essays in this volume all by leading specialists should appeal to anyone with an interest in Italian literature or the Classical tradition Italy's early fascination with its Hellenic and Roman origins created what is now called the classical tradition This book focuses on the role of the Greek and Latin languages and texts in Italian humanist thought and Renaissance poetry how ancient languages were mastered and used and how ancient texts were acquired and appropriated Fresh perspectives on the influences of Aristotle Plutarch and Virgil accompany innovative interpretations of canonical Italian authors including Dante Petrarch and Alberti in the light of their classical models Treatments of more specialized forms of writing such as the cento and commentary and some opening chapters on linguistic history also prompt reassessment of Renaissance perceptions of both Greece and Rome in relation to early modern Latin and

vernacular culture The collection as a whole highlights the importance of Italy's unique legacy of antiquity for the history of ideas and philology as well as for literary history The essays in this volume all by leading specialists are supplemented by a detailed introduction and a subject bibliography

**The Resurrection of the Messiah** Christopher Bryan, 2011-04-05 In *The Resurrection of the Messiah* Christopher Bryan combines literary historical and theological approaches in a study of the doctrine of the Resurrection The book is divided into three parts The first section provides a careful and sympathetic description of first century Jewish and pagan opinions and beliefs about death and what might follow This is followed by a presentation of a general account of early Christian claims about the death and resurrection of Jesus of Nazareth The second part of the book offers a detailed full length commentary on and exegesis of the main New Testament texts that speak of Jesus death and resurrection 1 Corinthians 15 and the narratives in the four canonical gospels As a framework for this commentary Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists namely the formula Christ died Christ was buried Christ has been raised Christ appeared The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional Christian explanation Bryan also considers various theological and ethical implications of accepting the claim Jesus Christ has been raised from the dead Throughout his study Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace

**Death, Resurrection, and Human Destiny** David Marshall, Lucinda Mosher, 2014-04-29 *Death Resurrection and Human Destiny Christian and Muslim Perspectives* is a record of the 2012 Building Bridges seminar for leading Christian and Muslim scholars convened by Rowan Williams then Archbishop of Canterbury The essays in this volume explore what the Bible and Qur'an and the Christian and Islamic theological traditions have to say about death resurrection and human destiny Special attention is given to the writings of al Ghazali and Dante Other essays explore the notion of the good death Funeral practices of each tradition are explained Relevant texts are included with commentary as are personal reflections on death by several of the seminar participants An account of the informal conversations at the seminar conveys a vivid sense of the lively penetrating but respectful dialogue which took place Three short pieces by Rowan Williams provide his opening comments at the seminar and his reflections on its proceedings The volume also contains an analysis of the Building Bridges Seminar after a decade of his leadership

**From Here to Eternity: Reflections on Death, Immortality, and the Resurrection of the Body** Randall B. Smith, 2023-01-27 Throughout history and across cultures people have shared the hope and the belief that somehow something about the human person survives death Indeed it seems that without a notion of life after death this life would seem meaningless If in the end everything we have strived for and all our love comes to naught and is simply swallowed up by nothingness then what was the point of it all In *From Here to Eternity* Randall Smith shows how the Christian doctrines regarding the

resurrection of the body and the communion of saints provide an understanding of life after death as a meaningful fulfillment of this life not a negation of it      **Risen Indeed? Resurrection and Doubt in the Gospel of Mark** Austin

Busch,2022-08-05 *Risen Indeed* Resurrection and Doubt in the Gospel of Mark traces the literary dynamics and explores the theological dimensions of the Gospel of Mark's thematization of skepticism regarding resurrection In every place where it seems to depict resurrection Jesus's and others Mark evades the issue of whether resurrection actually occurs Austin Busch argues that despite Mark's abbreviated and ambiguous conclusion this gospel does not downplay resurrection but rather foregrounds it imagining Jesus's death and restoration to life as a divine plot to overcome Satan through cunning deception *Risen Indeed* constitutes a careful literary reading of Mark's Gospel as well as an assessment of Mark's impact on the traditions of Christian literature and theology that emerged in its wake      *Marx's Resurrection of Aristotle* Norman

Levine,2021-01-24 This book seeks to show how Karl Marx's vision of communism was a continuation of Aristotle's classical humanist philosophy Challenging the Engelsian distortion of Marx it presents a negation of previous interpretations of Marx which present him in materialist terms Engels proposed a picture of the highest stage of communist society as an economic egalitarianism a vision which became an axiom of Leninist Stalinist Soviet Communism By contrast here it is shown that Marx embraced the Aristotelian concept of distributive justice of proportionate equality Spanning the works of Marx from his university education and doctoral dissertation on the differences between the Democritean and Epicurean philosophy of the atom to the study of his *Rheinische Zeitung* period and the persistence of classical humanism in Marx's defense of the freedom of the press Levine skillfully reveals the gravitational pull between Marx and Aristotle Showing how classical humanism is the dominant ethos in the communism of Marx the book includes chapters on Hegel as a transition point between Aristotle and Marx The links between Marx's theory of labor and Aristotle's idea of the constitutive subject located in *The Politics* How the local methodologies of Aristotle and Hegel provided Marx with the social methodologies by which to interpret the functioning of capitalism Marx's *Resurrection of Aristotle* is the culmination of Norman Levine's life long work to establish the correct placement of Marx and Marx's communism within the classical humanist tradition      **The Gospel of**

**God** David R. Wallace,2008-09-01 When Paul pens his letter to the Roman believers he writes as a missionary to strengthen a church at the center of imperial power choosing language that is familiar to his recipients Paul responds not only to the influence of Judaism but also to the wider culture by contrasting prominent Roman values David Wallace argues that Paul's gospel in Romans rejects and countervails the significant themes of Virgil's *Aeneid* the most well known prophetic source that both proclaimed Roman ideology and assured Roman salvation After demonstrating that a close but nonauthoritarian relationship existed between Augustus and Virgil Wallace examines relevant literary aspects symbolism and key imagery of Virgil's epic A discussion of Paul's contraliterary approach follows drawing out possible parallels and echoes in Romans against the universal message of the *Aeneid*      *Resurrection and Reception in Early Christianity* Richard C.

Miller,2014-12-17 This book offers an original interpretation of the origin and early reception of the most fundamental claim of Christianity Jesus resurrection Richard Miller contends that the earliest Christians would not have considered the New Testament accounts of Jesus resurrection to be literal or historical but instead would have recognized this narrative as an instance of the trope of divine translation common within the Hellenistic and Roman mythic traditions Given this framework Miller argues early Christians would have understood the resurrection story as fictitious rather than historical in nature By drawing connections between the Gospels and ancient Greek and Roman literature Miller makes the case that the narratives of the resurrection and ascension of Christ applied extensive and unmistakable structural and symbolic language common to Mediterranean translation fables stock story patterns derived particularly from the archetypal myths of Heracles and Romulus In the course of his argument the author applies a critical lens to the referential and mimetic nature of the Gospel stories and suggests that adapting the translation fable trope to accounts of Jesus resurrection functioned to exalt him to the level of the heroes demigods and emperors of the Hellenistic and Roman world Miller s contentions have significant implications for New Testament scholarship and will provoke discussion among scholars of early Christianity and Classical studies

**Art** Enrico De Pascale,2009 This book will examine the iconography of death as well as that of its symbolic opposite resurrection and rebirth Introduction **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for

specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

*Death, Resurrection, and Transporter Beams* Silas N. Langley, 2014-08-22 What has Star Trek to do with eternal life It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die In this book Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death Each of us lives with some personal answer to the universal question of what comes after death Even among Christians views differ as to what exactly happens when we die Meanwhile the modern secular world increasingly challenges the possibility of life after death How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies This book shows how each of these views responds to these challenges *Death Resurrection and Transporter Beams* sorts out these disagreements and their biblical grounding These differences matter since they bear on who we are and how we are to live our lives Readers will come away with a clearer understanding of their own beliefs on this topic and with tools to enter into dialogue with people whose beliefs differ
