

A stylized, high-contrast illustration in a woodcut or linocut style. The upper right portion features a close-up of a man's face, likely Jesus, with a halo, rendered in warm tones of yellow, orange, and brown. The lower left portion shows a large, white flower with dark outlines, possibly a lily, set against a blue and white background. The overall composition is dynamic and religious in theme.

OXFORD

The RESURRECTION
of GOD INCARNATE

RICHARD SWINBURNE

Resurrection Of God Incarnate

Paul D. Molnar

Resurrection Of God Incarnate:

The Resurrection of God Incarnate Richard Swinburne, 2003-01-09 Whether or not Jesus rose bodily from the dead remains perhaps the most critical and contentious issue in Christianity Until now argument has centred upon the veracity of explicit New Testament accounts of the events following Jesus's crucifixion often ending in deadlock In Richard Swinburne's new approach though ascertaining the probable truth of the Resurrection requires a much broader approach to the nature of God and to the life and teaching of Jesus The Resurrection can only have occurred if God intervened in history to raise to life a man dead for thirty six hours It is therefore crucial not only to weigh the evidence of natural theology for the existence of a God who has some reason so to intervene but also to discover whether the life and teaching of Jesus show him to be uniquely the kind of person whom God would have raised Swinburne argues that God has reason to interfere in history by becoming incarnate and that it is highly improbable that we would find the evidence we do for the life and teaching of Jesus as well as the evidence from witnesses to his empty tomb and later appearances if Jesus was not God incarnate and did not rise from the dead The Resurrection of God Incarnate offers a clear and penetrating new perspective on Christianity's central mystery It will be of great interest to philosophers theologians and all those trying to discover the truth about the Christian religion

The Resurrection of God Incarnate Richard Swinburne, 2003 Whether or not Jesus rose bodily from the dead is perhaps the most critical and contentious issue in the study of Christianity Rather than depend on statements in the New Testament Swinburne argues for a wider approach *A Rational Faith* Joshua Sijuwade, 2025-03-27 A comprehensive analysis of Richard Swinburne's intellectual journey and philosophical work *A Rational Faith* explores the legacy of one of the most influential and rigorous philosophical defenders of theism Across Swinburne's written career he has displayed a deep commitment to demonstrating the intellectual credibility of the Christian faith facing modern scientific and philosophical challenges and the materialistic worldview of modern intellectualism Analysing his life and work through in depth accessible explanations of key issues and their context Joshua Sijuwade brings together collected criticism of Swinburne's work and explores possible counter arguments alongside a foreword by Richard Swinburne himself Suitable for any reader interested in Swinburne's philosophy first approach or those intrigued by a philosophical defence of the Christian faith *A Rational Faith* reveals Swinburne's life and work as a witness to his belief that belief in the central tenets of the Christian faith is rational

Son of God by Divine Hereditary Methodology George Natar, 2022-10-01 This book proposes a methodology for the conception of Jesus by a human mother and a divine father The method makes use of scientific genetic processes which operate in the conception of any human being but with a divine contribution Various currently held theories of methods by which Jesus appeared on earth are shown to lack evidence Arising from this method Jesus sonship from God is proposed to have been literal and not metaphorical as is suggested by current theology Therefore Jesus is presented in this writing as the literal son of God being both human and divine As such he was the unique and suitable offering to God to make atonement

for the obvious wrong doing of human beings If this methodology is correct the way a trinity of divine persons may be perceived is suggested *Revelation* Richard Swinburne,2007-07-26 The great religions often claim that their books or creeds contain truths revealed by God How could we know that they do In the second edition of *Revelation* renowned philosopher of religion Richard Swinburne addresses this central question But since the books of great religions often contain much poetry and parable Swinburne begins by investigating how eternal truth can be conveyed in unfamiliar genres by analogy and metaphor within false presuppositions about science and history In the final part of the book Swinburne then applies the results of Parts I and II to assessing the evidence that the teaching of the Christian Church constitutes a revelation from God In the course of his philosophical exploration Swinburne considers how the church which Jesus founded is to be identified today and presents a sustained discussion of which passages in the Bible should be understood literally and which should be understood metaphorically This is a fuller and entirely rewritten second edition of *Revelation* the most notable new feature of which is a long chapter examining whether traditional Christian claims about personal morality divorce homosexuality abortion etc can be regarded as revealed truths A formal appendix shows how the structure of evidence supporting the Christian revelation can be articulated in terms of the probability calculus and shows that Plantinga's well known argument from dwindling probabilities against probabilistic arguments of this kind is not cogent *Rational Faith* Stephen T Davis,2017-02-17 For keen minds looking for a philosophical look at whether faith in God is a practical way to find meaning in life Idea for proving meat to debates of belief *Rational Faith* gives you a chance to take an honest and serious look at what modern and classical thought have to say about what faith is and mean and whether it's truly possible If God exists why doesn't he eliminate suffering and evil Does evolution disprove Christianity Can religion be explained by cognitive science People have grappled for ages with these kinds of questions And many in today's academic world find Christian belief untenable But renowned philosopher Stephen Davis argues that belief in God is indeed a rational and intellectually sound endeavour Drawing on a lifetime of rigorous reflection and critical thinking he explores perennial and contemporary challenges to Christian faith Davis appraises objections fairly and openly offering thoughtful approaches to common intellectual problems Real questions warrant reasonable responses Examine for yourself the rationality of the Christian faith **Did Jesus Rise from the Dead?** Matthew Levering,2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do

this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

The Cambridge Companion to Christian Philosophical Theology Charles Taliaferro, Chad Meister, 2010 This Companion offers an up to date overview of the beliefs doctrines and practices of the key philosophical concepts at the heart of Christian theology The sixteen chapters commissioned specially for this volume are written by an internationally recognized team of scholars and examine topics such as the Trinity God s necessary existence simplicity omnipotence omniscience omnipresence goodness eternity and providence the incarnation resurrection atonement sin and salvation the problem of evil church rites revelation and miracles prayer and the afterlife Written in non technical accessible language they not only offer a synthesis of scholarship on these topics but also suggest questions and topics for further investigation

The God Enquiry Brendan McCarthy, 2014-02-28 For as long as Brendan McCarthy can remember he has been intrigued by the question of God s existence He has discovered that he is not alone in this fascination This book has been born out of numerous conversations with honest enquirers fearful doubters ardent believers and convinced atheists More than that it has been born out of a desire to conduct a personal open and honest enquiry into the possible existence and nature of God This is not a work of Christian apologetics there is no attempt to convince anyone of anything Rather it is an invitation to look over the author s shoulder as he thinks his way through what he considers to be the most important issues with regard to belief in God This book takes an informed personal look at the question of God s existence and nature but unlike most books of its kind it does not seek to prove a point or to argue its readers into either belief or non belief Respecting the integrity of everyone involved in this debate it maps a clear and accessible path through the maze of science philosophy and theology enabling the reader to come to his or her own conclusions As I wrote and rewrote this book I made every effort to identify prior convictions and prejudices and then to set them to one side What emerged was for me a fascinating process that led me down new roads and I believe into green if somewhat uncomfortable pastures The end result is a book that is honest and engaging without being partisan I hope that it encourages others to make a similar journey

Behold the Man Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a

foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies

Life-Study of Exodus Witness Lee,1998-09 *The Love of Wisdom* Steven B. Cowan,James Spiegel,2009-04-01 This Christian based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts **Incarnation and Resurrection** Paul D. Molnar,2007-06-15 For too long contemporary theology has downplayed the importance of holding together the incarnation and the resurrection when thinking theologically Paul Molnar here surveys the place of these key doctrines in the thought of several influential theologians Karl Barth Karl Rahner Thomas F Torrance John Macquarrie Gordon Kaufman Sallie McFague Roger Haight John Hick and Wolfhart Pannenberg Molnar demonstrates that whenever the starting point for interpreting the resurrection is not Jesus himself the incarnate Son of the Father then Christology and Soteriology are undermined because they are not properly rooted in a plausible doctrine of the Trinity Fair comprehensive and balanced Molnar s analysis following Torrance and Barth highlights the details of contemporary theology of the resurrection linked to the incarnation and maintains the necessity of the incarnation in its intrinsic unity with the resurrection as the beginning rather than the end of Christology *The History of Apologetics* Zondervan,2020-06-16 ECPA Christian Book Award 2021 Finalist Biography Memoir Explore Apologetics through the Lives of History s Great Apologists The History of Apologetics follows the great apologists in the history of the church to understand how they approached the task of apologetics in their own cultural and theological context Each chapter looks at the life of a well known apologist from history unpacks their methodology and details how they approached the task of defending the faith By better understanding how apologetics has been done readers will be better able to grasp the contextualized nature of apologetics and apply those insights to today s context The History of Apologetics covers forty four apologists including Part One Patristic Apologists Part Two Medieval Apologists Part Three Early Modern Apologists Part Four 19th C Apologists Part Five 20th C American Apologists Part Six 20th C European Apologists Part Seven Contemporary Apologists *Christian Apologetics and Philosophy* Paul Herrick,2024-10-01 A highly readable introduction to Christian apologetics that joins contemporary analytic philosophy with modern biblical scholarship In this book Paul Herrick presents the basics of classical Christian apologetics in the form of an inference to the best explanation argument that builds from the book s first chapter to its last Drawing on contemporary philosophy logic and biblical scholarship Herrick incorporates thoughts from Socrates Plato Thomas Aquinas and C S Lewis as well as scholars such as William Lane Craig J P Moreland Richard Swinburne and Craig Blomberg to present a multifaceted argument for the Christian faith With sections on the Socratic method the Christian examination of conscience the Big Bang miracles the historical reliability of the New Testament the resurrection of Christ and more this book promises to be useful intellectually and spiritually for seekers doubters and those already in the faith **I Am Sophia** J. F. Alexander,2021-03-18 When a mysterious and charismatic

woman insinuates herself into a fringe religious group its dozen members wonder whether she is a lunatic a con artist or a messiah Sophia quickly upends the routines and expectations of the group the last Christians in the inhabited solar system while Peter their struggling leader becomes increasingly obsessed with her Before long Peter finds himself following Sophia on a perilous interplanetary adventure which may cost both of them their lives *Ramified Natural Theology in Science and Religion* Rodney Holder,2020-10-15 This book offers a rationale for a new ramified natural theology that is in dialogue with both science and historical critical study of the Bible Traditionally knowledge of God has been seen to come from two sources nature and revelation However a rigid separation between these sources cannot be maintained since what purports to be revelation cannot be accepted without qualification rational argument is needed to infer both the existence of God from nature and the particular truth claims of the Christian faith from the Bible Hence the distinction between bare natural theology and ramified natural theology The book begins with bare natural theology as background to its main focus on ramified natural theology Bayesian confirmation theory is utilised to evaluate competing hypotheses in both cases in a similar manner to that by which competing hypotheses in science can be evaluated on the basis of empirical data In this way a case is built up for the rationality of a Christian theist worldview Addressing issues of science theology and revelation in a new framework this book will be of keen interest to scholars working in Religion and Science Natural Theology Philosophy of Religion Biblical Studies Systematic Theology and Science and Culture **Atonement** Thomas F. Torrance,2025-09-30 This companion volume to T F Torrance s *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New college Edinburgh from 1952 1978 Like the first volume the original lecture material has been expertly edited by Robert Walker complete with cross reference to Torrance s other works Readers will find this the most readable work of Torrance and together with *Incarnation* the closest to a systematic theology we have from this eminent theologian **Father, Son and Spirit** Andreas J. Köstenberger,Scott R. Swain,2016-02-10 In this *New Studies in Biblical Theology* volume Andreas J Köstenberger and Scott R Swain provide a thorough biblical survey and theological treatment of the three persons of the Godhead in John s Gospel *The Blackwell Companion to Jesus* Delbert Burkett,2013-11-11 *The Blackwell Companion to Jesus* features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day Considers portrayals of Jesus in the New Testament and beyond Jesus in non Christian religions philosophical and historic perspectives modern manifestations and representations in Christian art novels and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non Christian perspectives on Jesus including those from ethnic and sexual groups as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy

Resurrection Of God Incarnate Introduction

In today's digital age, the availability of Resurrection Of God Incarnate books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Resurrection Of God Incarnate books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Resurrection Of God Incarnate books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Resurrection Of God Incarnate versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Resurrection Of God Incarnate books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Resurrection Of God Incarnate books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Resurrection Of God Incarnate books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Resurrection Of God Incarnate books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Resurrection Of God Incarnate books and manuals for download and embark on your journey of knowledge?

FAQs About Resurrection Of God Incarnate Books

1. Where can I buy Resurrection Of God Incarnate books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Resurrection Of God Incarnate book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Resurrection Of God Incarnate books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Resurrection Of God Incarnate audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Resurrection Of God Incarnate books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
