# Rethinking Nuclear Strategy

**Philip Bobbitt**

## **Rethinking Nuclear Strategy:**

**Rethinking Nuclear Strategy** Stephen J Cimbala, 1988-03 *Rethinking Nuclear Strategy* Pennie, Ken, University of Manitoba. Centre for Defence and Security Studies, 1994 [The Logic of American Nuclear Strategy](#) Matthew Kroenig, 2018-01-25 For decades the reigning scholarly wisdom about nuclear weapons policy has been that the United States only needs the ability to absorb an enemy nuclear attack and still be able to respond with a devastating counterattack. So long as the US or any other nation retains such an assured retaliation capability no sane leader would intentionally launch a nuclear attack against it and nuclear deterrence will hold. According to this theory possessing more weapons than necessary for a second strike capability is illogical. This argument is reasonable but when compared to the empirical record it raises an important puzzle. Empirically we see that the United States has always maintained a nuclear posture that is much more robust than a mere second strike capability. In *The Logic of American Nuclear Strategy* Matthew Kroenig challenges the conventional wisdom and explains why a robust nuclear posture above and beyond a mere second strike capability contributes to a state's national security goals. In fact when a state has a robust nuclear weapons force such a capability reduces its expected costs in a war, provides it with bargaining leverage and ultimately enhances nuclear deterrence. This book provides a novel theoretical explanation for why military nuclear advantages translate into geopolitical advantages. In so doing it helps resolve one of the most intractable puzzles in international security studies. Buoyed by an innovative thesis and a vast array of historical and quantitative evidence *The Logic of American Nuclear Strategy* will force scholars to reconsider their basic assumptions about the logic of nuclear deterrence. *Rethinking National Security* Frances Scott, 1990

**Secretary's secondstage review : rethinking the Department of Homeland Security's organization and policy direction. Pt. I and II : hearing , US Nuclear Strategy** Philip Bobbitt, 1989-03-01 Setting the terms for an effective public debate on nuclear issues this provides essays and excerpts from longer works that have charted the development of American nuclear strategy. Each section ends with questions for study and analysis with suggested further reading.

**Nuclear Weapons and American Grand Strategy** Francis J. Gavin, 2020-01-21 Exploring what we know and don't know about how nuclear weapons shape American grand strategy and international relations. A 2020 CHOICE Outstanding Academic Title. The world first confronted the power of nuclear weapons when the United States dropped atomic bombs on Hiroshima and Nagasaki in August 1945. The global threat of these weapons deepened in the following decades as more advanced weapons, aggressive strategies and new nuclear powers emerged. Ever since countless books, reports and articles and even a new field of academic inquiry called security studies have tried to explain the so-called nuclear revolution. Francis J. Gavin argues that scholarly and popular understanding of many key issues about nuclear weapons is incomplete at best and wrong at worst. Among these important misunderstood issues are how nuclear deterrence works, whether nuclear coercion is effective, how and why the United States chose its nuclear strategies, why countries develop their own nuclear weapons or

choose not to do so and most fundamentally whether nuclear weapons make the world safer or more dangerous These and similar questions still matter because nuclear danger is returning as a genuine threat Emerging technologies and shifting great power rivalries seem to herald a new type of cold war just three decades after the end of the U S Soviet conflict that was characterized by periodic prospects of global Armageddon Nuclear Weapons and American Grand Strategy helps policymakers wrestle with the latest challenges Written in a clear accessible and jargon free manner the book also offers insights for students scholars and others interested in both the history and future of nuclear danger

**Rethinking the Role of Nuclear Weapons** David C. Gompert, 1998 In the new era the United States need not rely on nuclear weapons to prevent a global challenger from upsetting the status quo to compensate for weakness in conventional defense or to impress others with its power Although the threat of nuclear response to conventional attack is no longer crucial to U S strategy rogue states might adopt this tactic to deter U S power projection However the United States needs nuclear weapons to deter nuclear and biological attack which could be just as deadly and might not be deterred by threat of U S conventional retaliation The United States could reduce the importance and attractiveness of nuclear weapons delegitimize their use in response to conventional threats sharpen nuclear deterrence against biological weapons by stating nuclear weapons would be used only in retaliation for attacks with weapons of mass destruction WMD in essence a no first use of WMD policy

NATO's Expansion After the Cold War Jan Eichler, 2021-01-30 This book analyses the expansion of The North Atlantic Treaty Organization NATO into the post Soviet space after the end of the Cold War Based on an extensive analysis of the literature and government documents including doctrines statements and speeches by the most influential decision makers and other actors it sheds new light on the geopolitical and geostrategic context of the expansion of the military alliance and assesses its impact on international security relations in Europe The first chapter introduces readers to the neo realist approach and develops the methodological basis of the book The following chapters provide a historical overview of the causes and consequences of two waves of eastward NATO enlargement Special attention is paid to the annexation of the Crimea and to Russian hybrid asymmetric warfare Finally thirty years after the end of the Cold War the book notes a disturbing return to militarization in international security relations To counter this process the author calls for a reduction of current international tensions and a new policy of détente

**The Centaur's Dilemma** James E. Baker, 2020-12-01

Assessing the legal and practical questions posed by the use of artificial intelligence in national security matters The increasing use of artificial intelligence poses challenges and opportunities for nearly all aspects of society including the military and other elements of the national security establishment This book addresses how national security law can and should be applied to artificial intelligence which enables a wide range of decisions and actions not contemplated by current law James Baker an expert in national security law and process adopts a realistic approach in assessing how the law even when not directly addressing artificial intelligence can be used or even misused to regulate this new technology His new

book covers among other topics national security process constitutional law the law of armed conflict arms control and academic and corporate ethics With his own background as a judge he examines potential points of contention and litigation in an area where the law is still evolving and might not yet provide clear and certain answers The Centaur's Dilemma also analyzes potential risks associated with the use of artificial intelligence in the realm of national security including the challenges of machine human interface operating or not operating the national security decision making process at machine speed and the perils of a technology arms race Written in plain English The Centaur's Dilemma will help guide policymakers lawyers and technology experts as they deal with the many legal questions that will arise when using artificial intelligence to plan and carry out the actions required for the nation's defense

Stalking the Antichrists (1965-2012) Volume 2 George E. Lowe, 2013-12-16 Volume 1 of Stalking the Antichrists and Their False Nuclear Prophets Nuclear Gladiators and Spirit Warriors 1940-1965 is essentially an enhanced memoir It is based for the most part on my personal observations and knowledge and specialized information from my academic studies of history political science and literature at Grove City College and the University of Chicago as well as my professional insights into the heart of the U S Navy 1953-1957 1960-1961 OP 09D as an Air Intelligence Officer in Hawaii and Japan and the Pentagon political military counsellor assignments in the State Department as a Foreign Service Officer FSO 6 at the American embassy in Paris 1962-64 and a speechwriter in the Navy Department 1965 In volume 2 the textual narrative begins with the end of my specific actions activities in the Navy and Foreign Service in July 1965 which I have called How I Lived in History 1950-1965 In retrospect my entire Navy career from my commissioning as Ensign USNR 1355 AIO in early September 1953 at Naval Station Newport Rhode Island to my first honorable discharge at Treasure Island on August 27 1957 was in preparation to an understanding of World War II and the Cold War

**India's Evolving Deterrent Force Posturing in South Asia** Zulfar Khan, Zafar Khan, 2020-12-16 The book discusses India's evolving deterrent force posturing in South Asia under the conceptual essentials of nuclear revolution when it comes to various combinations of conventional and nuclear forces development and the strategic implications it intentionally or unintentionally poses for the South Asian region The book talks about how the contemporary restructuring of India's deterrent force posture affects India's nuclear strategy in general and how this in turn could affect the policies of its adversaries China and Pakistan in particular Authors discuss the motivations of such posturing that broadly covers India's restructuring of its Nuclear Draft Doctrine DND the ballistic missile development program including that of its Ballistic Missile Defence BMD system and the possibility of conflicts between China India and India Pakistan given their transforming strategic force postures and their recurring adversarial behavior against each other in the Southern Asian region

**Professional Journal of the United States Army**, 1989 **Energy Abstracts for Policy Analysis**, 1987

Revisiting Deterrence in an Era of Strategic Competition Ashley Townshend, David Santoro, Brendan Thomas-Noone, 2019-02-08 Deterring the use of armed force and other forms of coercion is central to the maintenance of

order in the Indo Pacific Yet from the Taiwan Strait and the South China Sea to space cyberspace and the rules based order itself deterrence is becoming increasingly difficult to sustain in the face of major power competition new grey zone challenges emerging military technologies and a rapidly shifting regional balance of power The United States and Australia are determined to offset these trends by pursuing more integrated strategies for the Indo Pacific In recent months the Trump administration has emphasised long term strategic competition with China placing renewed focus on technological dominance geoeconomic statecraft nuclear modernisation and military readiness In Australia concerns over Chinese strategic policy foreign interference and the durability of American power and leadership have sharpened the focus on collective security and whole of government approaches to regional strategy To advance a robust bilateral policy debate about the key role of deterrence in Indo Pacific strategy the United States Studies Centre and Pacific Forum hosted a Track 1 5 US Australia Indo Pacific Deterrence Dialogue in Canberra in December 2018 Both institutions thank the Australian Department of Defence and the Carnegie Corporation of New York for their generous support of this initiative The following summary reflects the authors accounts of the dialogue proceedings and does not necessarily reflect their personal views Nothing in the following pages represents the opinion of the Australian Department of Defence or any other officials or institutions that took part in the dialogue

*Review of Current Military Literature* ,1989 *START and the Future of Deterrence* Michael J. Mazarr,1990-06-18 Examining the future of nuclear deterrence in the 1990s and beyond this book outlines aspects of the evolving strategic environment It also projects the likely future of deterrence strategies and strategic force postures Other topics such as the Soviet nuclear doctrine are also covered

**Soviet Imperatives for the 1990's** United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs,1986

**Contemporary Security and Strategy** Craig Snyder,Craig A. Snyder,1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company

**Air University Library Index to Military Periodicals** ,1990

## Whispering the Secrets of Language: An Emotional Quest through **Rethinking Nuclear Strategy**

In a digitally-driven earth wherever screens reign supreme and quick communication drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within words usually go unheard. Yet, located within the pages of **Rethinking Nuclear Strategy** a fascinating literary treasure blinking with fresh feelings, lies an exceptional journey waiting to be undertaken. Published by a talented wordsmith, this wonderful opus encourages visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very cloth of every word. Within the mental depths with this emotional review, we can embark upon a genuine exploration of the book's core styles, dissect their fascinating publishing design, and succumb to the effective resonance it evokes serious within the recesses of readers' hearts.

### **Rethinking Nuclear Strategy Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rethinking Nuclear Strategy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rethinking Nuclear Strategy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Rethinking Nuclear Strategy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rethinking Nuclear Strategy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rethinking Nuclear Strategy any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Rethinking Nuclear Strategy Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking Nuclear Strategy is one of the best book in our library for free trial. We provide copy of Rethinking Nuclear Strategy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking Nuclear Strategy. Where to download Rethinking Nuclear Strategy online for free? Are you looking for Rethinking Nuclear Strategy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rethinking Nuclear Strategy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rethinking Nuclear Strategy are for sale to free while some are payable. If you arent sure if the books you

would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rethinking Nuclear Strategy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rethinking Nuclear Strategy To get started finding Rethinking Nuclear Strategy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rethinking Nuclear Strategy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Rethinking Nuclear Strategy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rethinking Nuclear Strategy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rethinking Nuclear Strategy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rethinking Nuclear Strategy is universally compatible with any devices to read.
