Rethinking Strategic Management Ways To Improve Competitive Performance:

Rethinking Strategic Management David Hussey,1996-09-27 Internationally renowned authorities bring you up to date on current thinking about strategic management with emphasis on competitive performance A thought provoking view of the future of strategic management followed by a selection of writing on the theme of improving competitive performance is described in the early chapters This text will encourage all managers to think about the value and place of strategy in management This book assembles some of the finest thinkers in the world today it is a thought provoking and inspiring approach and will appeal to managers who can see beyond the confines of their own offices

Economic Foundations of Strategic Management Mehmet Barca,2017-10-24 This book explores the extent to which economic theory is able to provide the theoretical foundations of strategic management To this end it draws on the philosophy of science microeconomic theory and different approaches to strategic management The work shows that many of the propositions of strategic management are deducible from the economic theories considered It argues that these propositions should be made open to empirical testing and that a unified theory of strategic management should be developed Thus the book addresses a current major concern of theorists that strategy remains atheoretical and that this reduces the predictive power of the subject and hampers further theory development The essential contribution made is that economic theory should be systematically explored in order to establish the foundations of business strategy

Work and Employment in a Globalized Era Yaw A. Debrah,Ian G. Smith,2014-03-18 Looking at the change in work brought about by globalization this text examines how global competitive pressures in Asia are transforming workplace relations and impacting on strategies of managers as well as the responses and behaviours of trade unions and employees The volume brings together research from Australia and New Zealand as well as from China Japan Malaysia and Singapore to illuminate our understanding of what is actually happening to organizations workforces employee groupings and individual employees as a result of globalization and the intensification of global competition in Pacific Asia

Rethinking Strategic Management Thomas Wunder,2019-09-06 This book offers innovative ideas and frameworks for sustainable strategizing to advance business by scaling up its positive impact which is so urgently needed at this time in the 21st century It shows practitioners how to effectively deal with socio ecological systems disruptions to their operating environments and play an active role in transforming markets toward a sustainable future In short the book demonstrates how to make business sense of sustainability highlighting new approaches and examples that translate sustainability into strategy and action The ultimate goal is to provide a path toward a thriving future for both business and society This book was written for strategy practitioners and decision makers who want to understand why sustainable strategizing is important in today s business world and are seeking actionable business knowledge they can apply in their companies It was also written for students of management and can be used as a supplemental text to support traditional graduate and undergraduate management courses
