**Andrew Levine**

## **Rethinking Liberal Equality From A Utopian Point Of View:**

**Rethinking Liberal Equality** Andrew Levine, 2019-04-15 For more than a quarter century academic political philosophy has been dominated by strains of liberal theory shaped decisively by John Rawls's seminal investigations of distributive justice and political legitimacy. By intervening sympathetically but critically into several ongoing debates initiated by Rawls's work, Andrew Levine suggests the possibility of a supra-liberal egalitarian political philosophy that incorporates the insights of recent developments in liberal theory while reinvigorating the political vision of the historical Left. Taking current discussions about justice, equality, and political neutrality as his points of departure, Levine suggests the need to rethink mainstream liberal understandings of equality and related notions. The rethinking he proposes lends support ultimately for a vision of ideal social and political arrangements of a kind intimated though only barely sketched in the work of Rousseau and Marx, a vision that not long ago was widely endorsed but that nowadays is almost everywhere regarded as hopelessly utopian. In marked opposition to the reigning consensus view, Levine argues that after compelling liberal concerns are taken into consideration, the vision of ideal social and political arrangements which motivated generations of progressive thinkers and political actors is anything but utopian and remains as timely today as it ever was. This vision, Levine insists, is indispensable for curing contemporary liberalism of its tendency to acquiesce in a status quo that is ultimately at odds with democratic egalitarian and even liberal values.

**Rethinking equality** Chris Armstrong, 2013-07-19 Although formally equal relations between citizens are actually characterised by many and varied forms of inequality, do contemporary theories of equality provide an adequate response to the inequalities that afflict contemporary societies? And what is the connection between theories of equality and the contemporary politics of citizenship? Accessible and comprehensive, *Rethinking equality* provides a clear, critical, and very up-to-date account of the most important contemporary egalitarian theories. Unusually, it also relates these theories to contemporary political practice, assessing them in relation to the impact of neoliberalism on contemporary welfare states and the shift from social to active forms of citizenship. As well as representing a significant intervention within academic debates on equality and citizenship, this book represents essential reading for students of contemporary political theory.

**Pragmatist Egalitarianism** David Rondel, 2018 *Pragmatist Egalitarianism* argues that a deep impasse plagues philosophical egalitarianism. It sets forth a conception of equality rooted in American pragmatist thought, specifically William James, John Dewey, and Richard Rorty, that successfully mediates that impasse.

**Contemporary Political Philosophy** Will Kymlicka, 2002 This new edition of Will Kymlicka's best-selling critical introduction to contemporary political theory has been fully revised to include many of the most significant developments in Anglo-American political philosophy in the last 11 years, particularly the new debates over issues of democratic citizenship and cultural pluralism. The book now includes two new chapters on citizenship theory and multiculturalism, in addition to updated chapters on utilitarianism, liberal egalitarianism, libertarianism, socialism, communitarianism, and feminism. The many thinkers discussed include G. A. Cohen, Ronald Dworkin,

William Galdston Carol Gilligan R M Hare Chandran Kukathas Catherine Mackinnon David Miller Philippe Van Parijs Susan Okin Robert Nozick John Rawls John Roemer Michael Sandel Charles Taylor Michael Walzer and Iris Young Extended guides to further reading have been added at the end of each chapter listing the most important books and articles on each school of thought as well as relevant journals and websites Covering some of the most advanced contemporary thinking Will Kymlicka writes in an engaging accessible and non technical way to ensure the book is suitable for students approaching these difficult concepts for the first time This second edition promises to build on the original edition s success as a key text in the teaching of modern political theory

*What Government Can Do* Benjamin I. Page, James R. Simmons, 2002-04-15 At the same time Page and Simmons show how even more could be and should be accomplished

BOOK JACKET

*A Future For Marxism?* Andrew Levine, 2003-01-20 Not long ago Marxist philosophy flourished Yet in recent years theorists have turned away from Marxism This book looks towards a revival in Marxist theory and shows how it offers a rich foundation for radical socialist thinking in the foreseeable future Andrew Levine examines two recent departures in Marxist thought Althusserian and analytical Marxism He assesses the shortcomings of each while emphasising their considerable merits The discussion is framed against an analysis of socialism s place in the political life of the past two centuries Levine assesses the apparent historical defeat of the Left generally since the consolidation of the Reagan Thatcher era and speculates on current signs of renewal He argues that both Althusserian and analytical Marxism represent important philosophical departures within the Marxist tradition as they force a rethinking of Marxism s scientific and political project For all their differences in style and substance these strains of Marxist thought share important thematic and sociological features and Levine concludes that both traditions provide a legacy upon which a revived Left can build

*Liberalism Versus Conservatism* François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

*School Choice and Social Justice* Harry Brighouse, 2003 School choice the leading educational reform proposal in the English speaking world today evokes extreme responses its defenders present it as the saviour its opponents as the death knell of a fair educational system Disagreement and vagueness about what constitutes social justice in education muddies the debate The author provides a new theory of justice for education arguing that justice requires that all children have a real opportunity to become autonomous persons and that the state use a criterion of educational equality for deploying educational resources

Through systematic presentation of empirical evidence the author argues that existing schemes do not fare well against the criterion of social justice yet this need not impugn school choice Brighouse offers a school choice proposal that could implement social justice and explains why other essential educational reforms can be compatible with choice Handbook of Political Theory Gerald F Gaus, Chandran Kukathas, 2004-07-15 This volume combines remarkable coverage and distinguished contributors The inclusion of thematic conceptual and historical chapters will make it a valuable resource for scholars as well as students Professor George Klosko Department of Politics University of Virginia This major new Handbook provides a definitive state of the art review to political theory past and present It offers a complete guide to all the main areas and fields of political and philosophical inquiry today by the world's leading theorists The Handbook is divided into five parts which together serve to illustrate the diversity of political theorizing the substantive theories that provide an overarching analysis of the nature or justification of the state and political life the political theories that have been either formulated or resurgent in recent years the current state of the central debates within contemporary political theory the history of western political thought and its interpretations traditions in political thought outside a western perspective The Handbook of Political Theory marks a benchmark publication at the cutting edge of its field It is essential reading for all students and academics of political theory and political philosophy around the world *John Kenneth Galbraith* Conrad Waligorski, 2006-06-08 This work examines the economist John Kenneth Galbraith through the unique lens of political theory Waligorski illustrates the continuing link between politics and economics in American political discourse by locating Galbraith in a framework of liberal and conservative theory **Exceptional State** Ashley Dawson, Malini Johar Schueller, 2007-06-29 Explores the role culture plays in legitimating unsettling and contesting America's aggressively interventionist foreign policy since 9 11 **The Book Review Digest**, 2005 *The Journal of Philosophy*, 1999 **Equality** John Baker, K. Lynch, Sara Cantillon, Judy Walsh, 2016-05-23 How can egalitarian ideals be put into action This ground breaking book sets out a new interdisciplinary model for equality studies Integrating normative questions about the ideal of equality with empirical issues about the nature of inequality it applies a new framework to a wide range of contemporary inequalities Proposing far reaching changes in the economy politics law education and research practices it sets out innovative political strategies for achieving those aims It is an invaluable resource for both academics and activists *Encyclopedia of Government and Politics* M. E. Hawkesworth, Maurice Kogan, 2004 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the

political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers     **American Book Publishing Record** ,2003     *Encyclopedia of Government and Politics* Mary Hawkesworth,Maurice Kogan,2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers     **Proceedings and Addresses of the American Philosophical Association** American Philosophical Association,1998 List of members in v 1     Public Affairs Quarterly ,1998 Philosophical studies of public policy issues     *ICSSR Journal of Abstracts and Reviews* Indian Council of Social Science Research,2000

### **Rethinking Liberal Equality From A Utopian Point Of View Introduction**

In today's digital age, the availability of Rethinking Liberal Equality From A Utopian Point Of View books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rethinking Liberal Equality From A Utopian Point Of View books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rethinking Liberal Equality From A Utopian Point Of View books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rethinking Liberal Equality From A Utopian Point Of View versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rethinking Liberal Equality From A Utopian Point Of View books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rethinking Liberal Equality From A Utopian Point Of View books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rethinking Liberal Equality From A Utopian Point Of View books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rethinking Liberal Equality From A Utopian Point Of View books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rethinking Liberal Equality From A Utopian Point Of View books and manuals for download and embark on your journey of knowledge?

### FAQs About Rethinking Liberal Equality From A Utopian Point Of View Books

1. Where can I buy Rethinking Liberal Equality From A Utopian Point Of View books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
