Youth and the Cuban Revolution Anne Luke, 2018-10-15 Youth and the Cuban Revolution Youth Culture and Politics in 1960s Cuba is a new history of the first decade of the Cuban Revolution exploring how youth came to play such an important role in the 1960s on this Caribbean island Certainly youth culture and politics worldwide were in the ascendant in that decade but in this pioneering and thought provoking work Anne Luke explains how the unique circumstances of the newly developing socialist revolution in Cuba created an ethos of youth which becomes one of the factors that explains how and why the Cuban Revolution survives to this day By examining how youth was constructed and constituted within revolutionary discourse policy and the lived experience of young Cubans in the 1960s Luke examines the conflicted but ultimately successful development of a revolutionary youth culture She explores the fault lines along which the notion of youth was created between the internal and the external between discourse and the everyday between politics and culture Luke looks at how in the first decade of the Cuban Revolution a young leadership Fidel Ra l and Che were complemented by a group of new protagonists from Cuba s young generation These could be literacy teachers party members militia members teachers singers poets all aiming to define and shape the Cuban Revolution Together young Cubans took part in defining what it meant to be young socialist and Cuban in this effervescent decade The picture that emerges is one in which neither youth politics nor youth culture can alone help to explain the first decade of the Revolution rather through the sometimes conflicted intersection of both there emerged a generation constantly to be renewed a youth in Revolution

Maritime Governance and Policy-Making Michael Roe, 2012-07-20 A close analysis of the framework of existing governance and the existing jurisdictional arrangements for shipping and ports reveals that while policy making is characterized by national considerations through flags institutional representation at all jurisdictions and the inviolability of the state the commercial financial legal and operational environment of the sector is almost wholly global This governance mismatch means that in practice the maritime industry can avoid policies which it dislikes by trading nations off against one another while enjoying the freedoms and benefits of a globalized economy A Post modern interpretation of this globalized society prompts suggestions for change in maritime policy making so that the governance of the sector better matches more closely the environment in which shipping and ports operate Maritime Governance and Policy Making is a controversial commentary on the record of policy making in the maritime sector and assesses whether the reason for continued policy failure rests with the inadequate governance of the sector Maritime Governance and Policy Making addresses fundamental questions of governance jurisdiction and policy and applies them to the maritime sector This makes it of much more interest to a much wider audience including students researchers government officials and those with industrial and commercial interests in the shipping and ports areas and also of more value as it places the specific maritime issues into their wider context Maritime Governance and Policy Making addresses fundamental questions of governance jurisdiction and policy and applies them to the maritime sector This makes it of much more interest to a much wider audience including students researchers government officials and those with industrial and commercial interests in the shipping and ports areas and also of more value as it places the specific maritime issues into their wider context Researching Young People's Lives Sue Heath, Rachel Brooks, Elizabeth Cleaver, Eleanor Ireland, 2009-03-19 Researching young people's lives will be useful to both the novice researcher and anyone interested in learning about new methods of practice Youth Studies Australia Researching Young People's Lives provides an overview of some of the key methodological challenges facing youth researchers and an introduction to the broad repertoire of methods used in youth orientated research The book is split into two sections In the

first half of the book the authors consider the broad methodological and contextual concerns of relevance to the design and conduct of youth research including ethical issues the importance of context and the rise of participatory approaches to youth research The second part of the book focuses on the use of specific research methods in the conduct of youth research ranging from surveys and secondary analysis through to interviewing ethnography visual methods and the use of the internet in youth research Throughout the book the emphasis is on research in practice and examples are drawn from recent youth research projects from a wide range of disciplines and substantive areas and from a range of both UK and non UK contexts This is an ideal introduction to the field for novice researchers in particular students studying and researching in the broad area of youth studies It should also appeal to practitioners engaged in evaluation of service provision to young people and to established youth researchers who might wish to explore the potential of using a different set of methods to those with which they are already familiar Taking Form, Making Worlds Lucy Bell, Alex Ungprateeb Flynn, Patrick O'Hare, 2022-06-07 2023

LASA Visual Culture Studies Section Book Prize Latin American Studies Association LASA The first comprehensive study of cartonera a vibrant publishing phenomenon born in Latin America A publishing phenomenon and artistic project cartonera was born in the wake of Argentina's 2001 economic crisis Infused with a rebellious spirit it has exploded in popularity with hundreds of publishers across Latin America and Europe making colorful low cost books out of cardboard salvaged from the street Taking Form Making Worlds is the first comprehensive study of cartonera Drawing on interdisciplinary research conducted across Mexico Brazil and Argentina the authors show how this hands on practice has fostered a politically engaged network of writers artists and readers More than a social movement cartonera uses texts workshops encounters and exhibitions to foster community and engagement through open ended forms that are at once artistic and social For various groups including waste pickers Indigenous communities rural children and imprisoned women cartonera provides a platform for unique stories and sparks collaborations that bring the walls of the lettered city tumbling down In contexts of stigma and exclusion cartonera collectives give form to a decolonial aesthetics of resistance making possible a space of creative experimentation through which plural worlds can be brought to life Reframing Irish Youth in the Sixties Carole Holohan, 2018-03-28 Reframing Irish Youth in the Sixties focuses on the position of youth in the Republic of Ireland at a time when the meaning of youth was changing internationally It argues that the reformulation of youth as a social category was a key element of social change While emigration was the key youth issue of the 1950s in this period young people became a pivotal point around which a new national project of economic growth hinged Transnational ideas and international models increasingly framed Irish attitudes to young people's education welfare and employment At the same time Irish youths were participants in a transnational youth culture that appeared to challenge the status quo This book examines the attitudes of those in government the media in civil society organisations and religious bodies to youth and young people addressing new manifestations of youth culture and new developments in youth welfare work In using youth as a lens this book takes an

innovative approach that enables a multi faceted examination of the sixties providing fresh perspectives on key social changes and cultural continuities **East Main Street** Shilpa Dave,LeiLani Nishime,Tasha Oren,2005-05 From henna tattoo kits available at your local mall to ofaux Asiano fashions housewares and fusion cuisine from the new visibility of Asian film music video games and anime to the current popularity of martial arts motifs in hip hop Asian influences have thoroughly saturated the U S cultural landscape and have now become an integral part of the vernacular of popular culture **Blacks and Britannity** Danièle Joly,2020-09-29 This title was first published in 2001 Featuring original research concerning young African Caribbeans in Birmingham this book addresses complex issues of urban violence and insecurity racism and discrimination alienation resistance and social networks Employing the methodology of sociological intervention developed by Alain Touraine the book explores the experiences of a group of young people who are simultaneously presumed to be victims and perpetrators of violence It examines their relationship to this violence its meanings for and effects upon them how they constitute themselves as social actors and subjects and their capacity for action The book also addresses the fact that ethnic monitoring and multicultural policies place the question of ethnicity on the British social and political agenda alongside issues of racism and discrimination Exploring both the perceived and personally experienced position of young people within this context it sheds important new light upon processes of group identification and action The Life Course Stephen J. Hunt,2017-09-16 Dramatic social transformation in Western society over recent decades has had a profound impact on the way the life course is studied While people continue to experience the implications of class gender ethnicity and of course age they are more than ever able to take personal control of their own lives The Life Course considers how in a diverse and uncertain world the previously predictable stages of life are no longer fixed but increasingly open to change Focusing on continuities and change this book looks not only at the different phases of life but also at the transformation of a number of closely related social institutions such as the family education and the workplace Recognising that the established cradle to grave view is now outdated the trajectory from infancy and youth to later and end of life is followed not as a stable object of study but as a starting point for critical analysis This second edition offers an essential overview of the sociology of the life course incorporating both contemporary and conventional perspectives It calls upon current theorising around the life course as well as on up to date empirical research data This thought provoking text is relevant to researchers and students of life course studies and sociology as well as to those in nursing social work and related caring professions
