Martin V. Clarke

Rethinking Wesley's Theology For Contemporary Methodism:

Rethinking Wesley's Theology for Contemporary Methodism Randy L. Maddox, 1998 One of the most surprising developments in contemporary Methodist theology is the degree to which leading Methodist and Wesleyan systematic theologians are reengaging John Wesley finding his works instructive provocative and stimulating for their own theological reflection Such a broad and purposeful dialogue with Wesley by theologians of the Wesleyan heritage is unprecedented in this century and much rarer in the previous century than is popularly believed This volume presents a set of original essays that represent and embody this new engagement allowing the reader to see how several prominent theologians are self consciously reexamining and reappropriating their theological tradition *The Future of John Wesley's Theology* Tex Sample, 2012-02-21 This book approaches the future of John Wesley's theology in terms of a preferred future by looking back to the Apostle Paul In a comparison of Wesley's theology with the writings of St Paul Tex Sample maintains that Wesleyans tend to read Paul through Wesley but that in the future we need to read Wesley through Paul Key issues between Wesley and Paul are considered in this book justification by faith sanctification the faith in of Christ the powers the individual social concept in Wesley that is absent in Paul and finally the issue of a justice of the common good The conclusion develops the implications of this study for the future of the church and its witness **The Cambridge Companion to John Wesley** Randy L. Maddox, Jason E. Vickers, 2010 This is a general comprehensive introduction to John Wesley's life and work and to his theological and ecclesiastical legacy Written from various disciplinary perspectives this volume will be an invaluable aid to scholars and students including those encountering the work and thought of Wesley for the first time **Decolonizing Wesleyan Theology** Filipe Maia, 2024-02-15 What can movements for decolonization teach Wesleyan theology This book faces this question to show that decolonial voices are reshaping the contours of Methodist and Wesleyan traditions Contributors to this volume include theologians pastors and leaders in the Global South who are leading the people called Methodists to encounter the tradition anew in the radical spirit of decolonization **The Poor and the People Called Methodists** Richard P. Heitzenrater, 2002 Details the progression of Methodist's views toward poverty stricken individuals between 1729 and 1999 **Salvaging Wesley's Agenda** Kevin Twain Lowery, 2008-03-15 Kevin Twain Lowery believes that two of John Wesley's most distinctive doctrines his doctrines of assurance and Christian perfection have not been sufficiently developed Rather these doctrines have either been distorted or neglected Lowery suggests that since Wesleyan ethics is centered on these two doctrines they need to be recast in a schema that emphasizes the cognitive aspects of religious knowledge and moral development Salvaging Wesley's Agenda constructs such a new framework in three stages First Lowery explores Wesley's reliance upon Lockean empiricism He contends that Wesleyan epistemology should remain more closely tied to empirical knowledge and should distance itself from mystical and intuitionist models like Wesley's own spiritual sense analogy Second examining the way that Wesley appropriates Jonathan Edwards's view of the religious

affections Lowery shows that Wesleyan ethics should not regard emotions as something to be passively experienced Rather emotions have cognitive content that allows them to be shaped Third Lowery completes the new framework by suggesting ways to revise and expand Wesley s own conceptual scheme These suggestions allow more of Wesley s concerns to be incorporated into the new schema without sacrificing his core commitments The final chapter sketches the doctrines of assurance and perfection in the new framework Assurance is based on religious faith and on self knowledge both empirical and psychological and perfection is understood in a more teleological context The result is a version of Wesleyan ethics more faithful to Wesley s own thought and able to withstand the scrutiny of higher intellectual standards Leaning Both Ways at Once Jeffrey A. Conklin-Miller,2020-08-26 How should the Methodist tradition continue to embody its evangelistic mission Some believe effective evangelism requires ecclesial adaptation seeking relevance to attract outsiders But does this strategy result in the church s embrace of consumer market practices pandering to a world of church shoppers Others suggest the most evangelistic thing the church can do is to be the church displaying to the world the attractive beauty of a holy community But could this ironically distance the church from its context and neglect the many ways the church is called to engage the world The Wesleys formed a people called Methodist embodying an evangelistic mission combining commitments to disciplined spiritual life and vital social engagement In this book Conklin Miller suggests faithful United Methodist evangelism requires living in the tension between the church and the world leaning both ways at once emphasizing the holiness of the church as a particular people but at the same time being a people sent to intercede in the world as servants advocates and witnesses This understanding constitutes not only a broader reframing of evangelistic mission but also a vision for the identity and agency of the church in the Wesleyan tradition a Methodist missional ecclesiology **Consuming Mission** Robert Ellis Haynes,2018-11-09 Short term mission trips are commonplace in American church life Yet their growth and practice have largely been divorced from theological education seminary training and mission studies Consuming Mission takes important steps in offering a theological assessment of the practice of STM and tools for subsequent mission training Using relevant academic studies and original focus group interviews Haynes offers important insights into this ubiquitous practice While carefully examining the biblical and historical foundations for mission Consuming Mission engages more contemporary movements like the Missio Dei Fresh Expressions the Emergent Church and Third Wave Mission movements that have helped shape mission The unique role of United Methodist mission is illustrated through its historical roots and contemporary expression in the ubiquitous STM movement in the United States Haynes uses original field research data to gather the implicit and explicit theologies of lay and clergy participants Cultural influences are significantly influencing STM participants as they use their time money sacrifice and service applied in the name of mission to purchase a personal growth experience commonly sought by pilgrims The resulting tensions from mixing mission pilgrimage and tourism creates are explored Haynes offers important steps to move the practice away from using mission for personal edification

John Wesley in America Geordan Hammond, 2014-05-23 Why did John Wesley leave the halls of academia at Oxford to become a Church of England missionary in the newly established colony of Georgia Was his ministry in America a success or failure These questions which have engaged numerous biographers of Wesley have often been approached from the vantage point of later developments in Methodism Geordan Hammond presents the first book length study of Wesley s experience in America providing an innovative contribution to debates about the significance of a formative period of Wesley s life John Wesley in America addresses Wesley s Georgia mission in fresh perspective by interpreting it in its immediate context In order to re evaluate this period of Wesley s life Hammond carefully considers Wesley s writings and those of his contemporaries The Georgia mission for Wesley was a laboratory for implementing his views of primitive Christianity The ideal of restoring the doctrine discipline and practice of the early church in the pristine Georgia wilderness was the prime motivating factor in Wesley s decision to embark for Georgia and in his clerical practice in the colony Understanding the centrality of primitive Christianity to Wesley s thinking and pastoral methods is essential to comprehending his experience in America Wesley s conception of primitive Christianity was rooted in his embrace of patristic scholarship at Oxford The most direct influence however was the High Church ecclesiology of the Usager Nonjurors who inspired him with their commitment to the restoration of the primitive church British Methodist Revivalism and the Eclipse of Ecclesiology James E.

Pedlar, 2023-12-01 Revivalism was one of the main causes of division in nineteenth century British Methodism but the role of revivalist theology in these splits has received scant scholarly attention In this book James E Pedlar demonstrates how the revivalist variant of Methodist spirituality and theology empowered its adherents and helped foster new movements even as it undermined the Spirit s work through the structures of the church Beginning with an examination of unresolved issues in John Wesley s ecclesiology Pedlar identifies a trend of increasing marginalisation of the church among revivalists via an examination of three key figures Hugh Bourne 1772 1852 James Caughey 1810 1891 and William Booth 1860 1932 He concludes by examining the more catholic and irenic theology of Samuel Chadwick 1860 1932 the leading Methodist revivalist of the early twentieth century who became a strong advocate of Methodist Union Pedlar shows that these theological differences must be considered alongside social and political factors in any well rounded assessment of the division and eventual reunification of British Methodism **John Wesley's Pneumatology** Joseph W.

Cunningham, 2016-05-06 Perceptible inspiration a term used by John Wesley to describe the complicated relationship between Holy Spirit religious knowledge and the nature of spiritual being is not unlike the term Methodist which was also coined by critics of Methodism during the eighteenth century in Britain John Wesley s adversaries especially the pseudonymous John Smith with whom Wesley exchanged letters for a period of three years frequently challenged the plausibility of direct spiritual sensation which Wesley defended What does Wesley mean by perceptible inspiration What does the teaching reveal about the nature and existence of God in Wesley s thinking What does it suggest about the spiritual

nature of humankind In John Wesley's Pneumatology it is argued that perceptible inspiration more than a sidebar of Methodist thought offers a useful model for considering the various features of Wesley's views on the work of the Spirit in relation to human existence participatory religious knowledge and moral theology Whose Sacrifice is the Eucharist? Stephen B Sours, 2024-07-26 This book explores what Catholics and Methodists believe about eucharistic sacrifice Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord's Supper It is therefore both a Christian doctrine and a church practice The sacrificial dimension of the sacrament comes both from Christ's sacrifice on the cross and from his self offering at the Last Supper in which Christ gives himself to the Father on behalf of his people This is my body which is given for you Luke 22:19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus' salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26:28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine **John Wesley** Charles Yrigoyen, 2010-10-01 John Wesley Holiness of Heart and Life is a six week study on John Wesley the major themes of his theology the spread of Wesleyanism to North America and renewal in the Wesleyan tradition Chapters include reflection questions The Study Guide offers step by step plans for each session **Doctrinal Standards in the Wesleyan Tradition** Thomas C. Oden, 2008 The history of Wesleyan family of churches doctrines What are our core beliefs Doctrinal Standards in the Wesleyan Tradition Revised Edition narrates the history of the formation of Wesleyan doctrines describing how they were transplanted from the British Isles to North America how they became constitutionally protected in Wesleyan rooted churches The first edition of this book affected the outcome of the 1988 General Conference of The United Methodist Church as the delegates decided many then disputed doctrinal issues This revised edition addresses the continuing hunger for more precise and useful information on the doctrinal traditions of mainline Protestantism Hence the arguments have been updated with more than 400 changes Included are doctrinal statements for the Evangelical United Brethren Free Methodist Methodist Protestant Wesleyan Nazarene African Methodist Episcopal Zion Christian Methodist Episcopal and African Methodist

Episcopal Churches as well as an outline syllabus of a Course on the Articles of Religion Wesley's Wars (Theological) J. Robert Ewbank, 2012-05 Wesley's Wars discusses the theological wars that John Wesley waged on behalf of true religion a religion of the heart They were fought to protect the people in his society who trusted him with their spiritual health and he took that seriously He waged war on incorrect ideas of original sin predestination the church and Christian perfection

Rewired Paul N. Markham, 2007-07-01 *Rewired* begins with the claim that contemporary views of Christian spirituality particularly in the American evangelical tradition concentrate too exclusively on the interior and individual nature of spiritual experience Paul Markham argues that a reexamination of the doctrine of religious conversion is needed within American evangelicalism and finds resources for such a model in the Wesleyan theological tradition and from philosophical and scientific insights into a nonreductive physicalist view of human nature In considering data from theology and science this book represents an integrated work in science and religion **T&T Clark Handbook of Ecclesiology** Kimlyn J. Bender, D. Stephen Long, 2020-10-15 Divided into 3 parts this handbook provides a wide ranging survey and analysis of the Christian Church The first section addresses the scriptural foundations of ecclesiology the second section outlines the historical and confessional aspects of the topic and the final part discusses a variety of contemporary and topical themes in ecclesiology Compiled and written by leading scholars in the field the T T Clark Handbook of Ecclesiology covers a range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions The contributors cover traditional matters such as creedal notes but also tackle questions of ordination orders of ministry and sacraments This handbook is extensive enough to provide a true overview of the field but the essays are also concise enough to be read as reference selections A Heart Strangely Warmed Jonathan Dean, 2014-10-01 John and Charles Wesley

generated a heritage that reaches well beyond the worldwide Methodist movement which they founded This collection of their essential writings shows how they harnessed resources from across the breadth of Anglicanism and beyond to forge a distinctive dynamic and influential approach to religious experience **British Methodist Hymnody** Martin V. Clarke, 2017-07-06 Hymnody is widely recognised as a central tenet of Methodism's theological doctrinal spiritual and liturgical identity Theologically and doctrinally the content of the hymns has traditionally been a primary vehicle for expressing Methodism's emphasis on salvation for all social holiness and personal commitment while particular hymns and the communal act of participating in hymn singing have been key elements in the spiritual lives of Methodists An important contribution to the history of Methodism British Methodist Hymnody argues that the significance of hymnody in British Methodism is best understood as a combination of its official status spiritual expression popular appeal and practical application Seeking to consider what when how and why Methodists sing British Methodist Hymnody examines the history perception and practice of hymnody from Methodism's small scale eighteenth century origins to its place as a worldwide denomination today *The Ashgate Research Companion to World Methodism* William Gibson, Peter Forsaith, Martin

Wellings,2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism s emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America
