Dobson, John

# Reticent Expansionism The Foreign Policy Of William Mckinley

**David M. Pletcher**

## **Reticent Expansionism The Foreign Policy Of William Mckinley:**

**Reticent Expansionism** John M. Dobson, 1988      *The Diplomacy of Involvement* David M. Pletcher, 2001 Annotation  
Like its predecessor this important new work is focused on the connection between trade and investment on the one hand and U S foreign policy on the other David Pletcher describes the trade of the United States with the Far East the islands of the Pacific and the northwest coast of North America from 1784 the year of the first American trading expedition to China to 1844 the year of the first trade treaty with China followed immediately by the U S acquisition of Oregon and California He then traces the growth of trade and investment in Alaska Hawaii and the South Pacific from 1844 to 1890 and proceeds to do the same for China Japan and Korea In the ensuing chapters Pletcher covers the 1890s including the annexation of Hawaii the Sino Japanese War the acquisition of the Philippines and the Open Door policy in China He concludes that the American expansion across the Pacific and into the Far East was not a deliberate consistent drive for economic hegemony but a halting experimental improvised movement carried out against determined opposition and indifference and dotted with setbacks and failures Providing his own judgments about the wisdom and effectiveness of America s new endeavors Pletcher summarizes the problems and handicaps involved demonstrating that errors of the twentieth century were at least partly the result of poor preparation in the 1880s and 1890s Touching on every place where Americans undertook significant economic activity *The Diplomacy of Involvement* will be an important aid for seasoned scholars as well as an excellent introduction for the novice

Preponderance in U.S. Foreign Policy Graham Slater, 2018-12-12 *Preponderance in U S Foreign Policy* Monster in the Closet identifies and explains the factors contributing to the presence and severity of blunders or gross errors in strategic judgment resulting in significant harm to the national interest in U S foreign policy since 1945 It contends that when U S policymakers overestimate the capacity of American power to transform the politics of other states the likelihood of a foreign policy resulting in a blunder increases It concomitantly contends that the prevailing grand strategy of American preponderance since the Second World War precipitates the frequency and severity of foreign policy blunders The dissertation pursues four original lines of research 1 the presentation of a sui generis framework for foreign policy evaluation 2 the new delineation of the concept and classification of the foreign policy blunder 3 the gathering of empirical data with regard to the decision making of policymakers and the results of two corresponding foreign policy blunders the Vietnam War and the Iraq War and 4 the demonstration of the two contentions within the overarching research question of what factors contribute to the presence and severity of blunders in modern U S foreign policy The book presents a theoretical model examining and explaining the cultural and ideational connections between the pursuit of the grand strategy of American preponderance decision making in U S foreign policy and blunders in modern U S foreign policy

A Handbook Of American Diplomacy Jerry K. Sweeney, 2020-07-09 This work is concerned with the diplomatic history of the United States since the first settlers set foot on the shores of the continent It is a handbook to serve a general public interested in American

diplomacy as well as students engaged in course work in that area

### **Encyclopedia of the Age of Imperialism,**

**1800-1914** Carl C. Hodge, 2007-11-30 In 1800 Europeans governed about one third of the world's land surface by the start of World War I in 1914 Europeans had imposed some form of political or economic ascendancy on over 80 percent of the globe The basic structure of global and European politics in the twentieth century was fashioned in the previous century out of the clash of competing imperial interests and the effects both beneficial and harmful of the imperial powers on the societies they dominated This encyclopedia offers current detailed information on the major world powers and their global empires as well as on the people events ideas and movements both European and non European that shaped the Age of Imperialism

**Before the Rhetorical Presidency** Martin J. Medhurst, 2008-11-05 Since its identification in 1981 the rhetorical presidency has drawn both defenders and critics Chief among those critical of the practice is political theorist Jeffrey K Tulis whose 1987 book *The Rhetorical Presidency* helped popularize the construct and set forth a sustained analysis of the baleful effects that have allegedly accompanied the shift from a constitutional presidency to a rhetorical one Tulis locates this shift in the presidencies of Theodore Roosevelt and Woodrow Wilson arguing that the rhetorical presidency is a twentieth century phenomenon Yet not all scholars agree with this assessment *Before the Rhetorical Presidency* is an attempt to investigate how U S presidents in the nineteenth century communicated with their publics both congressional and popular In part 1 Martin J Medhurst Mel Laracey Jeffrey K Tulis and Stephen E Lucas set forth differing perspectives on how the rhetorical presidency ought to be understood and evaluated In part 2 eleven scholars of nineteenth century presidential rhetoric investigate the presidencies of Martin Van Buren John Tyler James K Polk Franklin Pierce James Buchanan Andrew Johnson Ulysses S Grant Rutherford B Hayes Benjamin Harrison Grover Cleveland and William McKinley As the first volume ever to focus on nineteenth century presidents from a rhetorical perspective *Before the Rhetorical Presidency* examines administrations policies and events that have never before been subjected to rhetorical analysis The sometimes startling outcomes of these investigations reveal the need for continuing debate over the nature practices and effects of the rhetorical presidency In a brief afterword Medhurst raises eight challenges to the original formulation of the rhetorical presidency and in so doing sets forth an agenda for future studies

*The Logic of Force* Christopher M. Gacek, 1994 This study examines the disparities between the two dominant American political military approaches to the use of force as an instrument of foreign policy The first approach argues that if force is employed it should be used at whatever level necessary to achieve decisive military objectives The second approach argues that certain limits to the use of force may be necessary and acceptable Case studies illustrate how the basic disagreements between the two approaches influence policy making and military decisions Included in the text is discussion of Vietnam Panama the Gulf War Somalia and the former Yugoslavia

Image - Object - Performance Astrid Windus, Eberhard Crailsheim, 2013 Images objects and performances represent essential forms of mediality which frequently escape our traditional understanding of historical communication This volume

discusses from an interdisciplinary perspective the varying structures and media of communication and representation in transcultural spaces of Latin America and the Philippines Based on different topics and methodological approaches of the contributors the articles reflect on the perspectives and problems of the integration of visibility materiality and performance as categories of cultural analysis in historical settings between the sixteenth and nineteenth centuries In that regard both the methodological and regional comparative approaches of this volume claim to contribute beyond the regional focus of the studies to the general debate about cultural theories and to make general statements about the mechanisms of cross cultural communication in cultural contact zones of the modern period      Uncle Sam's War of 1898 and the Origins of Globalization

Thomas D. Schoonover, 2013-07-24 The roots of American globalization can be found in the War of 1898 Then as today the United States actively engaged in globalizing its economic order its political institutions and its values Thomas Schoonover argues that this drive to expand political and cultural reach the quest for wealth missionary fulfillment security power and prestige was inherited by the United States from Europe especially Spain and Great Britain Uncle Sam's War of 1898 and the Origins of Globalization is a pathbreaking work of history that examines U S growth from its early nationhood to its first major military conflict on the world stage also known as the Spanish American War As the new nation's military industrial and economic strength developed the United States created policies designed to protect itself from challenges beyond its borders According to Schoonover a surge in U S activity in the Gulf Caribbean and in Central America in the late nineteenth and early twentieth centuries was catalyzed by the same avarice and competitiveness that motivated the European adventurers to seek a route to Asia centuries earlier Addressing the basic chronology and themes of the first century of the nation's expansion Schoonover locates the origins of the U S goal of globalization U S involvement in the War of 1898 reflects many of the fundamental patterns in our national history exploration and discovery labor exploitation violence racism class conflict and concern for security that many believe shaped America's course in the twentieth and twenty first century

**The Republican Party** Ronald Laone, Ronald Laone DBA, Jay Laone, 2012-03 When Ronald Laone's son was eleven he asked his father What does it mean to be a conservative From that simple question came a journey of political enlightenment for father and son one that culminated in The Republican Party a history of the Republican Party leaders and beliefs Beginning with a comprehensive overview of the origins of the Republican Party Laone examines the various political battles of the nineteenth century and how they shaped the party's establishment in 1854 and its core ideologies He then profiles each Republican president from Abraham Lincoln to George W Bush offering a short biography and major highlights of each one's presidency Laone also reveals the major political firsts of the Republican Party including the first African American US senator the first Hispanic US congressman and the first female US congresswoman recording their significant contributions to the conservative movement A comprehensive bibliography offers titles for further reading Thoroughly researched and educational The Republican Party offers information for those seeking to understand the origins of conservative thinking

values and beliefs within the American political system

**The Ghost at the Feast** Robert Kagan, 2024-01-16 A comprehensive sweeping history of America's rise to global superpower from the Spanish American War to World War II by the acclaimed author of *Dangerous Nation* With extraordinary range and research Robert Kagan has illuminated America's quest to reconcile its new power with its historical purpose in world order in the early twentieth century Dr Henry Kissinger At the dawn of the twentieth century the United States was one of the world's richest most populous most technologically advanced nations It was also a nation divided along numerous fault lines with conflicting aspirations and concerns pulling it in different directions And it was a nation unsure about the role it wanted to play in the world if any Americans were the beneficiaries of a global order they had no responsibility for maintaining Many preferred to avoid being drawn into what seemed an ever more competitive conflictual and militarized international environment However many also were eager to see the United States taking a share of international responsibility working with others to preserve peace and advance civilization The story of American foreign policy in the first four decades of the twentieth century is about the effort to do both to adjust the nation to its new position without sacrificing the principles developed in the past as one contemporary put it This would prove a difficult task The collapse of British naval power combined with the rise of Germany and Japan suddenly placed the United States in a pivotal position American military power helped defeat Germany in the First World War and the peace that followed was significantly shaped by a U S president But Americans recoiled from their deep involvement in world affairs and for the next two decades they sat by as fascism and tyranny spread unchecked ultimately causing the liberal world order to fall apart America's resulting intervention in the Second World War marked the beginning of a new era for the United States and for the world Brilliant and insightful *The Ghost at the Feast* shows both the perils of American withdrawal from the world and the price of international responsibility

**Colonialism** Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

*The Political Economy of Grand Strategy* Kevin Narizny, 2007 A nation's grand strategy rarely serves the best interests of all its citizens Instead every strategic choice benefits some domestic groups at the expense

of others When groups with different interests separate into opposing coalitions societal debates over foreign policy become polarized along party lines Parties then select leaders who share the priorities of their principal electoral and financial backers As a result the overarching goals and guiding principles of grand strategy as formulated at the highest levels of government derive from domestic coalitional interests In *The Political Economy of Grand Strategy* Kevin Narizny develops these insights into a comprehensive theoretical framework for understanding the dynamics of security policy The focus of this analysis is the puzzle of partisanship The conventional view of grand strategy in which state leaders act as neutral arbiters of the national interest cannot explain why political turnover in the executive office often leads to dramatic shifts in state behavior Narizny in contrast shows how domestic politics structured foreign policymaking in the United States and Great Britain from 1865 to 1941 In so doing he sheds light on long standing debates over the revival of British imperialism the rise of American expansionism the creation of the League of Nations American isolationism in the interwar period British appeasement in the 1930s and both countries decisions to enter World War I and World War II

**Paths to Power** Michael J. Hogan, 2000-02-13 *Paths to Power* includes essays on US foreign relations from the founding of the nation through the outbreak of World War II Essays by leading historians review the literature on American diplomacy in the early Republic and in the age of Manifest Destiny on American imperialism in the late nineteenth century and in the age of Roosevelt and Taft on war and peace in the Wilsonian era on foreign policy in the Republican ascendancy of the 1920s and on the origins of World War II in Europe and the Pacific The result is a comprehensive assessment of the current literature helpful suggestions for further research and a useful primer for students and scholars of American foreign relations

*Belligerents, Brinkmanship, and the Big Stick* John M. Dobson, 2009-07-14 This encyclopedia offers authoritative coverage of the concepts traditions events and individuals that shaped United States foreign relations from the American Revolution to the present *Belligerents Brinkmanship and the Big Stick* A Historical Encyclopedia of American Diplomatic Concepts is the first comprehensive encyclopedic work to focus specifically on America's extraordinary history of political engagement with the world With hundreds of alphabetically organized entries and a rich collection of primary sources it offers a unique way of understanding the centrality of diplomacy and the role of foreign relations throughout U S history The encyclopedia is divided into five chronological sections each containing a brief introduction topical entries biographical portraits and representative documents It is designed to help readers gain a deeper understanding of both general ideas as well as specific policies like the Monroe Doctrine the Open Door Policy and Shuttle Diplomacy By examining seminal events important ideas and individual contributions in the context of U S history the encyclopedia reveals the underlying traditions and motivations of American foreign policy as it has evolved over time

*America's Transatlantic Turn* H. Krabbendam, J. Thompson, 2012-12-05 This collection uses Theodore Roosevelt to form a fresh approach to the history of US and European relations arguing that the best place to look for the origins of the modern transatlantic relationship is in Roosevelt's life and

career     *The Presidency and the Middle Kingdom* Michael P. Riccards, 2000-01-01 In this book Michael Riccards renowned scholar of the American presidency focuses his study on the vagaries of presidential leadership between nations Tracing the history of the often difficult and contentious diplomatic relations between the United States and China Riccards describes and analyzes various meetings and interactions He concludes that war and trade necessities intimately bound the histories of both nations often in spite of their individual rhetoric and initiatives Students and scholars whose focus is the points of contact between U S and Asian history will find this book essential reading     *McKinley, Murder and the Pan-American Exposition* Roger Pickenpaugh, 2016-07-21 On September 6 1901 President William McKinley held a public reception at the Pan American Exposition in Buffalo New York In the receiving line holding a gun concealed by a handkerchief was Leon Czolgosz a young man with anarchist leanings When he reached McKinley Czolgosz fired two shots one of which would prove fatal The backdrop of the assassination was among the largest of many world s fairs held in the late 19th and early 20th centuries The Exposition celebrated American progress highlighting the new technology electricity Over 100 000 light bulbs outlined the Exposition s building on display inside were the latest inventions utilizing the new power source This new treatment of the McKinley assassination is the first to focus on the compelling story of the Exposition its labor and construction challenges the garish Midway the fight for inclusion of an accurate African American display to offset racist elements of the Midway and the impressive exhibit halls     **Reticent Expansionism** John M. Dobson, 1988     **The Cross of War** Matthew McCullough, 2014-08-20 Recovers a forgotten history of how U S Christian leaders in the era of Spanish American War began using Christian ideas to promote an American responsibility for extending freedom around the world by force if necessary

### **Reticent Expansionism The Foreign Policy Of William Mckinley Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Reticent Expansionism The Foreign Policy Of William Mckinley has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reticent Expansionism The Foreign Policy Of William Mckinley has opened up a world of possibilities. Downloading Reticent Expansionism The Foreign Policy Of William Mckinley provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reticent Expansionism The Foreign Policy Of William Mckinley has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reticent Expansionism The Foreign Policy Of William Mckinley. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reticent Expansionism The Foreign Policy Of William Mckinley. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reticent Expansionism The Foreign Policy Of William Mckinley, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Reticent Expansionism The Foreign Policy Of William Mckinley has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Reticent Expansionism The Foreign Policy Of William Mckinley Books**

1. Where can I buy Reticent Expansionism The Foreign Policy Of William Mckinley books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
