**Higher Ground** David L. Stanbrough,2003 Have you ever wondered if there was more to being a Christian than what you have experienced in your Christian life Is the average Christian in the average Christian church being all that he or she can and should be for Christ What more should you be than you are now being for God Can you really know Him better follow Him more closely and be a happier more content Christian than you are now Is it possible to be a genuine disciple of Jesus in this day and time What is spiritual maturity Am I spiritual If you have pondered questions such as these then this book is probably for you The author establishes the five progressive levels of spiritual maturity for the Christian straight from the pages of Scripture You will confront the Biblical terms and descriptions of these five levels of spiritual maturity and see where you are on the spiritual spectrum The author postulates that there is no secret or mystery concerning spiritual maturity All you need is the knowledge of it the will to do what God has called you to do the dedication

to do it and most of all God's promised and powerful help in doing it You can be a disciple of Jesus in today's world But it takes a trust and obey attitude a prayerful desire and a purposeful yielding to God to do it This book will help point you in that way     *Cumulated Index to the Books* ,1999     Paperbound Books in Print ,1992
