motion roll down to your hands while you keep receiving collecting and keeping what is yours Sow it invest it let it grow out of proportion then harvest your riches when they are ripe not prematurely Your goal should be to reach out to more customers and to retain old customers so they devote to your monthly subscription or pay you higher than your expected monthly target of profits The more money your customers pay the less people you will need to reach out to in order to make your million The lesser the amount you charge the more people you will need to buy your products or services If your product calls for a lesser amount of money then you need to target a wider geographic area Targeting the whole globe like Mark Zuckerberg and Bill Gates did is nothing but a genius thought To conquer the world financially get almost everyone but at least 75% of the people in the world to buy your products or services This strategy is not about ending ways to ask for a pay raise from your boss but to raise the bar you created for yourself in sales in order to create the million dollars you desire THE HIDDEN SECRETS OF MILLIONAIRES will further teach you to follow steps that below to help the reader to achieve their millionaire status
