Sedrah Study For Everybody A Guide To The Weekly Reading:

Sedrah Study for Everybody Leonard I. Wanetik,1995 *Sedrah Study for Everybody* Leonard I. Wanetik,2012-03-01
Sedrah Study For Everybody is a guide to the study of the weekly Torah reading Readers will discover the author s unparalleled perspective on understanding the message in the sedrah His writing style and approach are unique He shows a direct connection between the sedrah and how it relates to our lives today This book is a useful tool in preparation for further Torah study and as a stimulus for family Shabbat table discussions *Subject Guide to Books in Print* ,1996 *American Book Publishing Record* ,1996 *A Curious Student's Guide to the Book of Numbers* Reuven Travis,2021-10-28 As with both its predecessors this book of life lessons derived from the Bible is meant for elementary school students and their parents One arguably simplistic approach to looking at Numbers is to see it as a story of a sinful people and a wrathful God However the stories in Numbers are rarely black and white This book strives to examine Numbers in more nuanced depth while keeping the life lessons simple and easy to understand By doing so this book can serve as a valuable guide to parents and students alike as they learn the text of Numbers and gain new insights into it **Guide of Judaism** Simon Glazer,1917

A Curious Student's Guide to the Book of Leviticus Reuven Travis,2023-02-03 Judaism has always found meaning in the sacrificial rites called avodah or service in Hebrew For more than twelve hundred years beginning with the Mishkan the Tabernacle in the Sinai wilderness and continuing through both the First and Second Temple periods animal sacrifice was the principal form of communal service of God for the Jewish people This all came to an abrupt end with the destruction of the Second Temple by the Romans in 68 CE and the Jewish people turned to prayer as their primary mode of worship From this perspective it might seem that the study of Leviticus which is largely about the laws of sacrifice would seem unnecessary if not irrelevant for young children Nothing could be further from the truth Leviticus is replete with important life lessons for children ranging from not bearing grudges to being truthful in business From the responsibility to care for the poor to the obligation to strive to be holy we find everyday aspects of one s life as opposed to limiting this to rituals and religious celebrations Throughout the book Leviticus emphasizes the dignity of human beings and what this means for our personal interactions with one another It can and ought to be taught in an age appropriate manner to young children and that is what this book strives to do *A Curious Student's Guide to the Book of Deuteronomy* Reuven Travis,2022-06-13 One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah s commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses s book It is the record of Moses s final speech to the Jewish people before his death But this leads to a very basic and very fundamental question Why are the words of man even a man as great as Moses part of God s holy Torah A very good question a powerful one indeed And while we may not come up with a good or satisfying

answer this book examines and presents life lessons just as important as those found in any other biblical text **Every Person's Guide to Judaism** Stephen J.
