Harald Jähner, 2024-09-03 The dramatic and consequential history of Germany's short lived experiment with democracy between the world wars when vibrant cultural experimentation collided with political and economic turmoil Out of the ashes of the First World War Germany launched an unprecedented political project its first democratic government The Weimar Republic named for the city where it was established endured for only fifteen years before it was toppled by the insurgent Nazi Party in 1933 In Vertigo prizewinning historian Harald Jähner tells the Republic's full story capturing a nation caught in a whirlwind of uncertainty and struggling toward a better future In the aftermath of World War I Germany was buffeted by political partisanship economic upheaval and the constant threat of revolutionary violence At the same time many Germans embraced newly liberated lifestyles They flouted gender norms flooded racetracks and dance halls and fostered a vibrant avant garde that encompassed groundbreaking artists like filmmaker Fritz Lang painter Wassily Kandinsky and architect Walter Gropius But this new Germany sparked a reactionary backlash that led to the Republic's fall to the Nazis and ultimately the conflagration of World War II Blending deeply researched political history with the firsthand experiences of everyday people Vertigo is a vital kaleidoscopic portrait of a pivotal moment in German history   **All the Night Long**

the divine With a powerful call for the place of beauty and aesthetics in the writing of history Shakeshaft uncovers the cultural dialogue between beauty and the gods in a variety of contexts in the Archaic Greek world in forms of divine worship in poetry music and dance in attitudes to the natural environment and in architecture and art This early chapter of Greek history he argues holds an unrecognised key to understanding some long running threads in the histories of religion art and aesthetics from Plato s aesthetic theories to beauty s status in contemporary discourse Beauty s deep past and divine connection in ancient Greece can help us see beauty now in sharper focus     [Benjamin on Fashion](#) Philipp
