wisdom for how to live our lives in abundance producing fruit for God's harvest. As you read this book you will discover God's love, his plan, and his purpose for you as you compare yourself to the seed, sprout, leaves, flowers, fruit, and harvest. You will also learn from God's divine design as we study the storms and pests that may hinder growth and stall or completely stop a potential harvest. How can we be prepared to weather the storms in our life? Is there something to be learned from the plants that have survived through drought, storms, and pests? You do not have to be a farmer or gardener to enjoy this book because everything we discuss is all around you. If your thumb isn't even the faintest bit of green, you can still gain great wisdom from this book. God does not call the qualified but qualifies the called, and that is you. Believe it or not, you are valuable. You are important in God's massive design, and he wants your help with the harvest. This book dives deep into the promises of God and how he planted you specifically with a purpose to enact change in this world, whether big or small, it's all impactful, and so are you. 2      *Sustainable Market Farming, Second Edition* Pam Dawling, 2025-04-15
