**Natives and Exotics** Judith A. Bennett, 2009-07-15 Ambitious in its scope and scale this environmental history of World War II ranges over rear bases and operational fronts from Bora Bora to New Guinea providing a lucid analysis of resource exploitation entangled wartime politics and human perceptions of the vast Oceanic environment Although the war's physical impact proved significant and oftentimes enduring this study shows that the tropical environment offered its own challenges Unfamiliar tides left landing craft stranded unseen microbes carrying endemic diseases disabled thousands of troops Weather terrain plants animals all played an active role as enemy or ally At the heart of *Natives and Exotics* is the author's analysis of the changing visions and perceptions of the environment not only among the millions of combatants but also among the Islands peoples and their colonial administrations in wartime and beyond Judith Bennett reveals how prewar notions of a paradisiacal Pacific set up millions of Americans Australians New Zealanders and Japanese for grave disappointment when they encountered the reality She shows that objects usually considered distinct from environmental concerns souvenirs cemeteries war memorials warrant further examination as the emotional quintessence of events in a particular place Among native people wartime experiences and resource utilization induced a shift in environmental perceptions just as the postwar colonial agenda demanded increased diversification of the resource base Bennett's ability to reappraise such human perceptions and productions with an environmental lens is one of the unique qualities of this study Impeccably researched *Natives and Exotics* is essential reading for those interested in environmental history Pacific studies and a different kind of war story that has surprising relevance for today's concerns with global warming

**RAF Wings Over Florida** Willard Largent, 2000 They fondly remember the times when they buzzed over the homes of their Florida families to let them know to expect them for Sunday dinner More than fifty years later their stories still resonate with universal emotions fear of failure love of country camaraderie romantic love and the pain of tragic deaths Their stories also remind the American reader of a unique time in our history when poised on the brink of war the United States reached out to help a country in distress

**BOOK JACKET A Story for All Americans** Frank L. Grzyb, 2000 *A Story for All Americans* Vietnam Victims and Veterans formerly titled *Touched by the Dragon* details wartime accounts of average servicemen and women some heroic some frightening some amusing some nearly unbelievable The work is a historical compendium of fascinating and compelling stories woven together in a theme format What makes this book truly unique however is its absence of literary pretentiousness Relating oral accounts the veterans speak in a no nonsense matter of fact way As seen through the eyes of the veterans the stories include first person experiences of infantry soldiers a flight officer a medic a nurse a combat engineer an intelligence soldier and various support personnel Personalities emerge gradually as the

veterans discuss their pre war days their training and preparation for Vietnam and their actual in country experiences The stories speak of fear and survival the paranoia of not knowing who or where the enemy was the bullets rockets and mortars that could mangle a body or snuff out a life in an instant and going home with a CMH not the Congressional Medal of Honor but a Casket with Metal Handles The veterans also speak of friendships and simple acts of kindness But more importantly they speak of healing both physical and mental

**Touched by the Dragon** Frank L. Grzyb,1998 Touched by the Dragon is a collection of gripping narratives of Vietnam veterans from Newport County Rhode Island We learn of the experiences of men and women the enlisted and officers those in combat and those behind the lines in a way that resonates far beyond Rhode Island What makes this book truly unique is its absence of literary pretensions These oral accounts speak in a no nonsense matter of fact way Personalities emerge as the veterans discuss their prewar days their training and preparation for Vietnam their in country experiences some heroic some frightening some amusing some nearly unbelievable and their return to a country that didn t value their sacrifice
