**Soul Connection with Horses** Suzanne E. Court, 2024-07-26

Working with horses as equal partners in the equine assisted space while respecting their intuitive wisdom leads to life changing psycho spiritual understandings

learning and healing Soul Connection with Horses Healing the Mind and Awakening the Spirit through Equine Assisted Practice introduces concepts of awakening and spaciousness as understood in many spiritual traditions and demonstrates that horses effectively model awakening for humans Through this approach horses help re establish natural bonds and intuitive ways of knowing that have become obscured by conditioned thought and ineffective individual narratives Horses show us that we can trust our intuition and learn how to live from the soul while making meaningful connection with ourselves other people animals and the natural environment By considering how horses experience the world through their senses how they process emotion and how they express their needs we see that they live through the same social psychological and spiritual paradigms as humans Following equine assisted therapy and learning practices through to their logical conclusions horses naturally lead us to questions of who am I and what is life They help us transcend non functioning personal stories as we step out of ineffective ways of thinking and being and discover connection and wholeness This book invites equestrians equine assisted practitioners and seekers of spiritual connection to walk in the hooves of the horse to experience the horses worldview and to access your own soulful wisdom
