Seeing The Unspeakable The Art Of Kara Walker:

Seeing the Unspeakable Gwendolyn DuBois Shaw, 2004-12-06 One of the youngest recipients of a MacArthur genius grant Kara Walker an African American artist is best known for her iconic often life size black and white silhouetted figures arranged in unsettling scenes on gallery walls These visually arresting narratives draw viewers into a dialogue about the dynamics of race sexuality and violence in both the antebellum South and contemporary culture Walker s work has been featured in exhibits around the world and in American museums including the Museum of Modern Art the Guggenheim and the Whitney At the same time her ideologically provocative images have drawn vociferous criticism from several senior African American artists and a number of her pieces have been pulled from exhibits amid protests against their disturbing representations *Seeing the Unspeakable* provides a sustained consideration of the controversial art of Kara Walker Examining Walker s striking silhouettes evocative gouache drawings and dynamic prints Gwendolyn DuBois Shaw analyzes the inspiration for and reception of four of Walker s pieces *The End of Uncle Tom* and *the Grand Allegorical Tableau of Eva in Heaven* *John Brown A Means to an End* and *Cut* She offers an overview of Walker s life and career and contextualizes her art within the history of African American visual culture and in relation to the work of contemporary artists including Faith Ringgold Carrie Mae Weems and Michael Ray Charles Shaw describes how Walker deliberately challenges viewers sensibilities with radically de sentimentalized images of slavery and racial stereotypes This book reveals a powerful artist who is questioning rather than accepting the ideas and strategies of social responsibility that her parents generation fought to establish during the civil rights era By exploiting the racist icons of the past Walker forces viewers to see the unspeakable aspects of America s racist past and conflicted present

Kara Walker Vanina Gere, 2022-11-22 Selected texts that survey the full range of Kara Walker s artistic practice emphasizing the work itself rather than the debates and controversies around it Kara Walker s work and its borrowings from an iconography linked to the fantasized and travestied history of American chattel slavery has been theorized and critiqued in countless texts throughout her career Exegeses of her work have been shaped by the numerous debates on the very debates it generated How then do we approach a work that has been covered by such thick theoretical layers This collection is unique in emphasizing Walker s work itself rather than the controversies surrounding it These essays and interviews survey Walker s artistic practice from her early works in the 1990s through her most recent ones from her famous silhouette projects to her lesser known drawings and lantern shows The texts by art historians curators critics scholars and writers engage scrupulously with Walker s pieces as material works of art putting them in the context of the sociopolitical and cultural environments that shape but never determine them They include an interview of the artist by Thelma Golden of the Studio Museum in Harlem an essay in the form of a lexicon cataloguing key elements in Walker s art by curator Yasmin Raymond and an essay by volume editor Vanina G r on Walker s use of historical archives Finally novelist Zadie Smith considers Walker s public art as counter propositions to colonial monuments and as a

Laughing Fit to Kill Glenda Carpio, 2008-07-01 Reassessing the meanings of black humor and dark satire *Laughing Fit to Kill* illustrates how black comedians writers and artists have deftly deployed various modes of comedic conjuring the absurd the grotesque and the strategic expression of racial stereotypes to redress not only the past injustices of slavery and racism in America but also their legacy in the present Focusing on representations of slavery in the post civil rights era Carpio explores stereotypes in Richard Pryor s groundbreaking stand up act and the outrageous comedy of Chappelle s Show to demonstrate how deeply indebted they are to the sly social criticism embedded in the profoundly ironic nineteenth century fiction of William Wells Brown and Charles W Chesnutt Similarly she reveals how the iconoclastic literary works of Ishmael Reed and Suzan Lori Parks use satire hyperbole and burlesque humor to represent a violent history and to take on issues of racial injustice With an abundance of illustrations Carpio also extends her discussion of radical black comedy to the visual arts as she reveals how the use of subversive appropriation by Kara Walker and Robert Colescott cleverly lampoons the iconography of slavery Ultimately *Laughing Fit to Kill* offers a unique look at the bold complex and just plain funny ways that African American artists have used laughter to critique slavery s dark legacy

Understanding Blackness through Performance Anne Cremieux, 2013-10-31 How does the performance of blackness reframe issues of race class gender and sexuality Here the contributors look into representational practices in film literature fashion and theatre and explore how they have fleshed out political struggles while recognizing that they have sometimes maintained the mechanisms of violence against blacks

Incomplete Alix Beeston, Stefan Solomon, 2023-06-06 This field defining collection establishes unfinished film projects abandoned interrupted lost or open ended as rich and underappreciated resources for feminist film and media studies In deeply researched and creatively conceived chapters scholars join with film practitioners in approaching the unfinished film as an ideal site for revealing the lived experiences practical conditions and institutional realities of women s film production across historical periods and national borders *Incomplete* recovers projects and practices marginalized in film industries and scholarship alike while also showing how feminist filmmakers have cultivated incompleteness as an aesthetic strategy Objects of loss and of possibility incomplete films raise profound historiographical and ethical questions about the always unfinished project of film history film spectatorship and film studies

Kitsch Monica Kjellman-Chapin, 2020-05-15 Kitsch the mere word evokes mental images of cutesy collectibles treacly trinkets sweetly sentimental scenes thematically trite tabletop tchotchkes or perhaps anemic appropriations of canonical works of art Frequently dismissed as facile lowbrow or one off throwaway aesthetics kitsch elicits responses that range from the sardonic smirk laced with derision to the grin glimmering with the indulgence in a guilty pleasure Kitsch however is surprisingly

mobile and complex as evidenced by its recent renewal as kitschy cool This ambiguity not only allows it to gesture towards a disparate array of artifacts and ideations but also to be pushed and pulled in various applicatory directions The contributors to this collection address the problem of how and what kitsch might signify and approach the kitsch question as a complex nuanced interrogative They consider kitsch in relation to its historical association with pseudo art its theoretical underpinnings and connections to class the deliberate mobilization of kitsch in the work of specific artists kitsch as a form of practice as well as kitsch s traffic with race patriotism and postmodernism The essays in this collection necessarily cut a wide interpretative path mapping the terrain of the phenomenon of kitsch historically conceptually practically in multivocal ways befitting the polysemous creature that is kitsch itself Drawing upon art history popular culture studies philosophy and visual culture the authors responses to the big question of kitsch move well beyond habitual artificial boundaries far beyond the simple binaries of good bad high low elite popular or art kitsch into far more complex challenging and ultimately rewarding territory

Black Frankenstein Elizabeth Young, 2008-08-10 For all the scholarship devoted to Mary Shelley s English novel Frankenstein there has been surprisingly little attention paid to its role in American culture and virtually none to its racial resonances in the United States In *Black Frankenstein* Elizabeth Young identifies and interprets the figure of a black American Frankenstein monster as it appears with surprising frequency throughout nineteenth and twentieth century U S culture in fiction film essays oratory painting and other media and in works by both whites and African Americans *Black Frankenstein* stories Young argues effect four kinds of racial critique they humanize the slave they explain if not justify black violence they condemn the slaveowner and they expose the instability of white power The black Frankenstein s monster has served as a powerful metaphor for reinforcing racial hierarchy and as an even more powerful metaphor for shaping anti racist critique Illuminating the power of parody and reappropriation *Black Frankenstein* tells the story of a metaphor that continues to matter to literature culture aesthetics and politics

Exploring the Black Venus Figure in Aesthetic Practices, 2019-07-15 *Exploring the Black Venus Figure in Aesthetic Practices* critically examines a longstanding colonial fascination with the black female body as an object of sexual desire envy and anxiety Since the 2002 repatriation of the remains of Sara Baartman to post apartheid South Africa the interest in the figure of Black Venus has skyrocketed making her a key symbol for the restoration of the racialized female body in feminist anti racist and postcolonial terms Edited by Jorunn Gjerden Kari Jegerstedt and eljka vrljuga this volume considers Black Venus as a product of art established and potentially refigured through aesthetic practices following her travels through different periods geographies and art forms from Baudelaire to Kara Walker and from the Caribbean to Scandinavia Contributors

Emily Westkaemper, 2017-01-09 Only in recent decades has the American academic profession taken women's history seriously But the very concept of women's history has a much longer past one that's intimately entwined with the development of American advertising and consumer culture Selling Women's History reveals how from the 1900s to the 1970s popular culture helped teach Americans about the accomplishments of their foremothers promoting an awareness of women's wide ranging capabilities On one hand Emily Westkaemper examines how this was a marketing ploy as Madison Avenue co-opted women's history to sell everything from Betsy Ross Red lipstick to Virginia Slims cigarettes But she also shows how pioneering adwomen and female historians used consumer culture to publicize histories that were ignored elsewhere Their feminist work challenged sexist assumptions about women's subordinate roles Assessing a dazzling array of media including soap operas advertisements films magazines calendars and greeting cards Selling Women's History offers a new perspective on how early and mid twentieth century women saw themselves Rather than presuming a drought of female agency between the first and second waves of American feminism it reveals the subtle messages about women's empowerment that flooded the marketplace
