The Lord's Prayer J. Warren Smith,2015-03-10 We have all had the experience of being at church and hearing the pastor say And now with the confidence

of children we are bold to pray Our Father but before we know it we are saying for Thine is the kingdom and the power and the glory forever Amen In the very moment of intimacy when we are given the privilege of entering the presence of our heavenly Father our minds have drifted off We speak the words of the prayer not from our hearts but from the autopilot of memory This is mere recitation not prayer If in relationships familiarity breeds contempt in the case of the Lord s Prayer familiarity breeds thoughtlessness The Lord s Prayer Confessing the New Covenant is not a Bible study in the traditional sense It challenges us to think about the Lord s Prayer anew by understanding it as a confession of the New Covenant that Christ makes with us when we are made children of God in baptism In hearing these familiar words afresh we learn to remember our baptismal covenant so that we might live more fully into that new relationship with God and with one another
