*Textual Analysis* Alan McKee, 2003-04-03 Textual analysis is a methodology a way of gathering data for researchers who are interested in the ways in which people make sense of the world

Writing the Voice of Pleasure A. Callahan, 2001-11-09 The Voice of Pleasure makes a persuasive and fascinating argument that the romantic couple of Western representation is not heterosexual Nor is it homosexual With insightful new readings of landmarks of Western

culture from Tristan and Yseult to Seinfeld Callahan demonstrates that the illusion of heterosexuality is created by a male artist's assumption of a feminine voice to express desire Named the troubadour effect for the first time here this tradition of male femininity in romantic writing results in a cultural model of desire best described as heterosexuality without women The most compelling aspect of the book is its attention to the effect of this paradox on women writers Illuminating her argument with striking examples from the troubadour to Toni Morrison the author shows how women writers inscribe their vagabondage a term she coins to name the consequences of the troubadour effect for women's agency as both writers and lovers

**Coming Out Jewish** Jon Stratton, 2003-09-02 Like many Jews of our generation Jon Stratton grew up in a family more concerned about assimilation than about preserving Jewish tradition While he could easily pass among non Jews he found himself increasingly torn between his fear of not belonging and a deeply felt commitment to his family's past **Coming Out Jewish** examines the unique challenge of constructing an identity amid the clash between ethnicity and conformity For many Jews the idea of full assimilation ended with the Holocaust But the pressure to adapt to the mainstream Stratton eloquently argues remains powerful especially for those with Anglicized names assimilationist parents a history of recent immigration or ambivalent experiences of themselves as Jews With reference to the work of Daniel Boyarin Ien Ang and Homi Bhabha among others Stratton offers fresh analysis on a wide range of topics including the Jewish origins of pluralism in the US anti-Semitism in Germany the Jewishness of sitcoms like Seinfeld and the Yiddishization of American culture since World War II More than a book about Jews and Jewishness **Coming Out Jewish** smartly and accurately mines the Jewish experience in the West to give voice to the issues of migration Diaspora assimilation and identity that affect those displaced and othered around the world

**Ernie Kovacs & Early TV Comedy** Andrew Horton, 2022-02-24 Exploring the pioneering career of the man whose quirky comic experiments influenced decades of television from *Laugh In* to *Late Night* A true pioneer of television Ernie Kovacs entertained audiences throughout the 1950s and early 1960s with his zany irreverent and surprising humor and also inspired a host of later comedies and comedians including Monty Python David Letterman much of *Saturday Night Live* Rowan and Martin's *Laugh In* *Captain Kangaroo* and even *Sesame Street* Kovacs created laughter through wildly creative comic jokes playful characterizations hilarious insights and wacky experiments Nothing in moderation his motto and epitaph sums up well Kovacs's wholehearted approach to comedy and life In this book Andrew Horton offers the first sustained look at Ernie Kovacs's wide ranging and lasting contributions to the development of TV comedy He discusses in detail Kovacs's work in New York which included *The Ernie Kovacs Show* CBS prime time 1952-1953 *The Ernie Kovacs Show* NBC daytime variety 1956-1957 *Tonight* NBC late night comedy variety 1956-1957 and a number of quiz shows Horton also looks at Kovacs's work in Los Angeles and in feature film comedy He vividly describes how Kovacs and his comic co-conspirators created offbeat characters and situations that subverted expectations and upended the status quo Most of all Horton demonstrates that Kovacs grasped the possibility for creating a fresh genre of comedy through the new medium of
