Korea English Classics B PREFATORY He was I remember short but by no means conspicuously short and of a bright almost
juvenile complexion very active in his movements and garrulous or at least very talkative His judgments were copious and
frequent in the old days and some at least I found entertaining At times his fluency was really remarkable He had a low
opinion of eminent people a thing I have been careful to suppress and his dissertations had ever an irresponsible gaiety of
manner that may have blinded me to their true want of merit OF CONVERSATION AND THE ANATOMY OF FASHION This
uncle of mine you must understand having attained by the purest accident some trifles of distinction and a certain affluence
in South Africa came over at the earliest opportunity to London to be photographed and lionised He took to fame easily as
one who had long prepared in secret He lurked in my chambers for a week while the new dress suit was a making his old one
I really had to remonstrate against and then we went out to be admired THE USE OF IDEALS Ideals said my uncle certainly
Ideals Of course one must have ideals else life would be bare materialism Bare fact alone naked necessity is impossible
barren rock for a soul to root upon Life indeed is an unfurnished house an empty glass in a thirsty land good and necessary
for foundation but insufficient for any satisfaction unless we have ideals Or again ideals are the flesh upon the skeleton of
reality and it cannot live without them ON A TRICYCLE I sat on the parapet of the bridge and swung my feet over the water
that frothed and fretted at the central pier below Above the bridge the stream broadened into a cress bespangled pool over
which the sapphire dragon flies hovered and its earlier course was hidden by the big oak trees that bent towards each other
from either bank Through their speckled tracery of green one saw the hazy blue depths of the further forest I was watching
the proceedings of some quick moving brown bird amid the rushes and marsh marigolds of the opposite bank A
MISUNDERSTOOD ARTIST The gentleman with the Jovian coiffure began to speak as the train moved Tis the utmost
degradation of art he said He had apparently fallen into conversation with his companion upon the platform I don t see it said
this companion a prosperous looking gentleman with a gold watch chain This art for art s sake I don t believe in it I tell you
Art should have an aim If it don t do you good if it ain t moral I d as soon not have it What good is it I believe in Ruskin I tell
