New and Selected Poems of Anna Wickham Anna Wickham, 2017 Anna Wickham 1883-1947 was one of the most important female poets writing in English during the first half of the twentieth century A pioneer of Modernist poetry she was also a fierce feminist social activist and friend of many significant writers including D H Lawrence George Bernard Shaw Dylan Thomas Katherine Mansfield Natalie Clifford Barney Kate O'Brien and Lawrence Durrell She produced a daring and influential body of work while living an often tragic life which ended with her suicide Wickham's unconventional life provided her with a unique worldview she drew heavily on her own experiences in her poetry while interrogating conceptions of

gender roles marriage motherhood sexuality and class While Wickham s poetry earned her a major reputation during her lifetime and her most famous poems continue to be anthologized most of her published work is out of print and the majority of her poems have never been published New and Selected Poems of Anna Wickham is the first collection of Wickham s poetry to be published in over three decades This collection republishes one hundred of Wickham s poems selected from the collections published during her lifetime as well as poems from Selected Poems 1971 and The Writings of Anna Wickham 1984 In addition to bringing many of Wickham s greatest poems back into print this collection publishes one hundred and fifty of her remarkable poems for the first time significantly expanding her body of published work and demonstrating her significant poetic achievement The publication of Anna Wickham s New and Selected Poems is a landmark event for poets and readers and will allow us to properly celebrate this vocational passionate and important voice for the first time Carol Ann Duffy Series UWAP Poetry Subject Poetry Essays Philosophical, Sentimental, and Historical Sketches Robert Chambers, 1847 Rebuilding the Temple Robert P. Vande Kappelle, 2022-04-21 As the Bible indicates our lives are a construction zone for our bodies are temples of the divine Spirit Formed initially in the image of God human beings lost intimacy with God through corruption rebellion or neglect In response the divine Creator loves us back into relationship providing means of grace to help restore us to wholeness beginning with our body and continuing through our mind soul and spirit As buildings need cleaning maintenance and ongoing care so our inner temple needs spiritual stimulus cleaning and care Rebuilding the Temple is the fourth book in Vande Kappelle s series on spirituality and the arts Books in this series reinforce the essential principle underlying all authentic spirituality Go deep in any one place and you will meet the infinite aliveness that is God for God is everywhere Whereas earlier books consider the connection of spirituality with creative arts such as poetry film music theater drama dance and modern literature this volume takes readers on a journey through classic Christian literature beginning with the Bible and continuing through inspirational works written by diverse spiritual mentors such as Augustine Dante Luther Calvin Teresa of vila George Fox Blaise Pascal Henri Nouwen A W Tozer John McLaren John Shelby Spong Richard Rohr and Marcus Borg Reading their works reminds us that Christian literature is most practical and inspirational when it takes a narrative approach to theology interpreting the spiritual journey through the ongoing stories of people and communities rather than trying to capture timeless truths analytically or through rational argumentation Like its companion texts Wading on Water Deep Splendor and Deeper Splendor this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection
