Selected Anthems and Motet Recompositions Henry Aldrich, 1998-01-01 **Recent Researches in the Music of** A Good Ouire of Voices: The Provision of Choral Music at St.George's **the Baroque Era** William Lawes, 2002 Chapel, Windsor Castle and Eton College, c.1640-1733 Keri Dexter, 2019-09-25 This title was first published in 2002 Until relatively recently musicologists account of church music in post Restoration and early Georgian England has been substantially incomplete due to an almost exclusive preoccupation with the music and musicians of the Chapel Royal The balance is now being redressed and this book begins the task of filling one of the remaining gaps in our understanding of the field The volume represents a detailed examination of the practical workings of a choral foundation during the later 17th and early 18th centuries placing the musicians within their wider historical and social contexts and based on a comprehensive survey of extant archival material Words and Music J. G. Williamson, 2005-07-01 Word and music studies is a relatively young discipline that has nonetheless generated a substantial amount of work Recent studies in the field have embraced music in literature word music formal parallels to music in literature verbal music music and literarature vocal music and literature in music programme music Other positions have been defined in which song exists as an analysable category distinct from words and music and requiring its own grammar Much of the literature has tended to focus on readings of the literary text pushing theoretical and analytical concerns in music to one side a trend that is as apparent among musicologists as among literary historians The essays presented here from the third Liverpool Music Symposium seek accordingly to redress this situation Contributors tackle the study of words and music from a number of standpoints examining artists as diverse as Eminem Patti Smith and Arnold Schoenberg Music in North-east England, 1500-1800 Stephanie Carter, Kirsten Gibson, Roz Southey, 2020 This collection situates the North East within a developing nationwide account of British musical culture Journal of the American Musicological Society, American Musicological Society, 1998

Complete Sonatas, Part 1 Nicola Francesco Haym, 2002-01-01 Talking the Walk & Walking the Talk Marc Shell, 2015-09-01 This book argues that we should regard walking and talking in a single rhythmic vision In doing so it contributes to the theory of prosody our understanding of respiration and looking and in sum to the particular links across the board between the human characteristics of bipedal walking and meaningful talk The author first introduces the philosophical neurological anthropological and aesthetic aspects of the subject in historical perspective then focuses on rhetoric and introduces a tension between the small and large issues of rhythm He thereupon turns his attention to the roles of breathing in poetry as a life and death matter with attention to beats and walking poems This opens onto technical concepts from the classical traditions of rhetoric and philology Turning to the relationship between prosody and motion he considers both animals and human beings as both ostensibly able bodied creatures and presumptively disabled ones Finally he looks at dancing and writing as aspects of walking and talking with special attention to motion in Arabic and Chinese
