Human Rights in Children's Literature Jonathan Todres,Sarah Higinbotham,2015-12-01 How can children grow to realize their inherent rights and respect the rights of others In this book authors Jonathan Todres and Sarah Higinbotham explore this question through both human rights law and children s literature Both international and domestic law affirm that children have rights but how are these norms disseminated so that they make a difference in children s lives Human rights education research demonstrates that when children learn about human rights they exhibit greater self esteem and respect the rights of others The Convention on the Rights of the Child the most widely ratified human

rights treaty not only ensures that children have rights it also requires that states make those rights widely known by appropriate and active means to adults and children alike This first of its kind requirement for a human rights treaty indicates that if rights are to be meaningful to the lives of children then government and civil society must engage with those rights in ways that are relevant to children Human Rights in Children's Literature investigates children's rights under international law identity and family rights the right to be heard the right to be free from discrimination and other civil political economic social and cultural rights and considers the way in which those rights are embedded in children's literature from Peter Rabbit to Horton Hears a Who to Harry Potter This book traverses children's rights law literary theory and human rights education to argue that in order for children to fully realize their human rights they first have to imagine and understand them Clinical Skills in Children's Nursing Imelda Coyne, Fiona Timmins, Freda Neill, 2010-04-29 Designed as a compelling text for students Clinical Skills in Children's Nursing offers evidence based and family centred practical guidance for procedures in all care settings Emphasis is placed on the development of decision making skills and sensitive care It is enhanced by illustrations online resources and regular updates to evidence *Documents of the Senate of the State of New York* New York (State). Legislature. Senate, 1915 **Children of the Land** Glen H. Elder Jr., Rand D. Conger, 2014-10-01 A century ago most Americans had ties to the land Now only one in fifty is engaged in farming and little more than a fourth live in rural communities Though not new this exodus from the land represents one of the great social movements of our age and is also symptomatic of an unparalleled transformation of our society In Children of the Land the authors ask whether traditional observations about farm families strong intergenerational ties productive roles for youth in work and social leadership dedicated parents and a network of positive engagement in church school and community life apply to three hundred Iowa children who have grown up with some tie to the land The answer as this study shows is a resounding yes In spite of the hardships they faced during the agricultural crisis of the 1980s these children whose lives we follow from the seventh grade to after high school graduation proved to be remarkably successful both academically and socially A moving testament to the distinctly positive lifestyle of Iowa families with connections to the land this uplifting book also suggests important routes to success for youths in other high risk settings Annual Report New York State Library, 1916 Reports for 1863 90 include accession lists for the year Beginning with 1893 the appendixes consist of the various bulletins issued by the Library Additions Bibliography History Legislation Library school Public libraries
