*Sex toys: good or evil?* Gabriel Agbo, 2019-04-20 Dealers of sex toys rake in billions of dollars every year Their products are so diversified and today are available in every part of the world Now it looks like this business of artificially or technologically satisfying sexual desires is in vogue The single married old young today patronise sex toy shops and the manufacturers wisely too are steadily churning out more alluring and sophisticated ones It seems like there will be no end to their innovative ingenuity to inventing these new instruments of sexual pleasure Today some of these toys act and behave exactly like opposite sex partners in the act True But here we want to look at the origin intentions and effects of these toys on the users especially the spiritual and psychological implications Sex toys are not new They have a long history that started with the use of carved objects that represented the penis The ancient Roman Greek Chinese Asian Indian had these objects carved out of stones iron gold wood and other materials that were used to drive masturbation Some of them like the Greek also had worship of sex gods and goddesses where these objects are displayed used and other sexually immoral acts were extensively promoted including sex with demons and spirits

So we can rightly say that the foundation of sex toys was that of the desire for unlimited pleasure and the worship of demonic gods. This invention metamorphosed into other objects and in the 20th century we saw the first electric vibrator invented. Since then it has been a deluge of these manual and later sophisticated instruments of sexual pleasure. Some of them winking and talking. Wow, now is sex toy in the original plan of God. And since sexual relationship is a physical, emotional, and spiritual connection, does it have any spiritual and emotional side effect? First, sex toys were not in the original plan of God. What is the connection between using these toys and encounters with sex demons, Incubus and Succubus, spirit wives and husbands, demonic and dream sex attacks, problems in relationship and life, etc. This book will open your eyes to all these. Translator Gabriel Agbo, PUBLISHER TEKTIME. [The Adventurous Couple's Guide to Sex Toys](#) Violet Blue, 2006-09-01. Feeling adventurous.
