Sex Work And Professionalism:

Sex, Work and Professionalism Katie Deverell, 2013-01-11 *Sex Work and Professionalism* examines what happens when professional concern is defined in terms of sex. Based on original fieldwork with outreach workers in HIV prevention it addresses issues of professionalism, emotion work and boundaries, integrating empirical insights with sociological theory. In most professional relationships sex is not defined as part of the relationship; in fact it is explicitly excluded in guidelines and codes of ethics. HIV prevention outreach workers work in sexual environments with a sexually defined target group and are often employed on the basis of their sexuality. They have to learn how to balance their work and professional lives, overcoming conflicts such as professional role v community role, sexual skills v sexual boundaries, personal experiences v professional understanding, professional identity v worldviews. Many of the questions being raised in this book about the meaning of professionalism, the pain and pleasure in emotion work and the management of boundaries between home, sex and work are being asked more generally by workers in a range of organisations. *Sex Work and Professionalism* argues for a new understanding of professionalism more appropriate to the human services.

Professionalism, Boundaries and the Workplace Nigel Malin, 2002-01-04 *Professionalism, Boundaries and the Workplace* is a practical text that examines a range of sensitive issues concerned with managing and maintaining professional boundaries between worker and client. It uses experiences from probation, social work, the NHS, small business and church settings. A number of issues are addressed, including the relationship between personal and professional values, changing professional-client relationships, definitions of being professional, conflicts arising from different understandings of professionalism.

Sex Work and Human Dignity Stewart Cunningham, 2020-11-02 The notion of human dignity is frequently yet enigmatically invoked in legal and political debates on sex work, where many people use it without much elaboration on exactly what they mean by it. *Sex Work and Human Dignity: Law, Politics and Discourse* sheds light on this enigma by exploring how dignity-based discourses are used by those who write and talk about prostitution and also what role these discourses may play in shaping wider cultural understandings of sex work and sex workers. The book draws on political discourse theory and is international in its scope, with analysis of legal cases, textual sources and empirical data gathered through interviews with activists from several different countries in the Global North and South. The book traces how the concept of dignity is used in a range of legal and political discourses on sex work and ultimately asks to what extent dignity-based discourses help to advance or hinder sex workers' social inclusion. This book will appeal to students and researchers interested in sex work and feminism as well as those who study human dignity. Its interdisciplinary nature means it will appeal to those working in a range of disciplines including law, sociology, philosophy and political theory.

Sex Work, Immigration and Social Difference Julie Ham, 2016-08-25 Public discourses around migrant sex workers are often more confident about what migrant sex workers signify morally but are less clear about who the migrant is. Based on interviews with immigrant, migrant and racialized sex

workers in Vancouver Canada and Melbourne Australia Sex Work Immigration and Social Difference challenges the migrant sex worker category by investigating the experiences of women who are often assumed to be migrant sex workers in Australia and Canada Many migrant sex workers in Melbourne and Vancouver are in fact naturalized citizens or permanent residents whose involvement in the sex industry intersects with diverse ideas and experiences of citizenship in Australia and Canada This book examines how immigrant migrant and racialized sex workers in Vancouver and Melbourne wield or negotiate ideas of illegality and legality to obtain desired outcomes in their day to day work Sex work continues to be the subject of fierce debate in the public sphere at the policy level and within research discourses This study interrogates these perceptions of the migrant sex worker by presenting the lived realities of women who embody or experience dimensions of this category This book is interdisciplinary and will appeal to those engaged in criminology sociology law and women s studies

Sex Work and Female Self-Empowerment Stephanie Hunter Jones,2016-03-31 Prior research has tended to mirror popular representations of the female sex worker as a morally flawed individual and a victim of circumstances beyond her control Sex Work and Female Self Empowerment presents a fresh perspective on the world s oldest profession by considering the relationship between sex work and female self empowerment from a variety of disciplinary and practical perspectives and presenting new data derived from the author s study of six self employed indoor female sex workers IFSWs Informed by the author s training in clinical psychology and human sexuality studies and her more than fifteen years of involvement in the sex work profession this book extends beyond social stereotyping and stigmatization and presents a more balanced view of the identities and aspirations of sex workers in contemporary society

[Histories of Sex Work Around the World](#) Catherine Phipps,2024-08-07 This book offers snapshots of sex work in global history examining how it has differed in different places around the world at different points in time Focusing on certain moments in certain places and examinations of historical lives it offers a diverse approach with a heavy focus on lived experience to see what selling sex was like instead of what it meant Therefore this book aims to argue that selling sex has been different at different times and present the diversity of experience in sex work throughout history through case studies and comparisons Aimed for students scholars and general readers alike Histories of Sex Work Around the World provides an introduction to the history of sex work within a global perspective The case studies cover a wide range of topics and geographical regions from North America to Mexico City to Vietnam spanning across 12 different countries and over 400 years of history before considering the future of sex work in the internet age Furthermore this book features chapters with personal accounts from writers with experience selling sex managing a brothel or working as a dancer It also includes a foreword from renowned writer and historian Julia Laite author of bestselling book The Disappearance of Lydia Harvey

Women Professional Workers Elizabeth Kemper Adams,1921

Sex Worker Unionization G. Gall,2016-04-08 Sex Worker Unionisation examines the challenges and opportunities offered by unionisation for Sex Workers Exploring unionisation projects undertaken by Sex Workers in most

major economies this ground breaking study shows how sex workers have collectively sought to control and organise their work and working lives by co determining the wage effort with their de facto employers It highlights the range of significant obstacles that have impeded their progress including owner hostility state regulation and the sway of radical feminism that is present in many unions Outlining a more efficacious model for sex worker unionisation based upon combining occupation unionism and social movement unionism this pioneering and controversial new book offers an important study of business organization in a unique industry

The Routledge Handbook of Male Sex Work, Culture, and Society John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work

HIV/AIDS: New Insights for the Healthcare Professional: 2012 Edition, 2012-12-10 HIV AIDS New Insights for the Healthcare Professional 2012 Edition is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about HIV AIDS The editors have built HIV AIDS New Insights for the Healthcare Professional 2012 Edition on the vast information databases of ScholarlyNews You can expect the information about HIV AIDS in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of HIV AIDS New Insights for the Healthcare Professional 2012 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com>

Social Work and Prostitution Martin Albert, Julia Wege, 2022-09-15 Prostitution is a taboo fringe area of society about which there is hardly any well founded information and scientific knowledge Women who work in prostitution have to struggle with social prejudices social discrimination and legal disadvantages and therefore need specific counseling and low threshold services Social work has a long tradition of helping this target group on a case by case basis and advocates for the rights and dignity of women From the perspective of professional social work this volume provides an overview of the complexity of the field of prostitution and presents theoretical and methodological approaches This book is a translation of the original German 1st edition *Soziale Arbeit und Prostitution* by Martin Albert and Julia Wege published by Springer Fachmedien Wiesbaden GmbH part of Springer Nature in 2015 The translation was done with the help of artificial intelligence machine translation by the service DeepL com A subsequent human revision was done primarily in terms of content so that the book will read stylistically differently from a conventional translation Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to support the authors

Realising Justice for Sex Workers , Sharron A. FitzGerald, Kathryn McGarry, 2018-08-16 In the past two decades feminist politics on prostitution has become more polarised and ideological On the one hand those on the radical spectrum of feminist politics have fought long and hard to criminalise sex purchase with the intention of ultimately abolishing prostitution Other feminists have lobbied the state to recognise and institutionalise sex workers human rights The collection is both a critical intervention in and a re orientation of the schism in contemporary feminist prostitution politics Contributors will use this schism as a platform from which to challenge current debates and think an alternative sex worker centred politics for social justice By placing sex workers lived experiences of prostitution at the centre of the conversation the book rejects the hegemony of neo abolitionism as the solution to the problem of sex work The book brings international trans disciplinary scholars together to address a rights based agenda for sex work law and policy and consequently for sex workers lives This collection offers an invaluable resource on the subject of how sex workers experience injustices and how we can mitigate this globally through a transformative vision of social justice

Cindy Patton,2005-07-12

Following a decade in which the focus on HIV and AIDS has been on specific social groups a shift in professional perceptions has resulted in a change in the images of women and HIV AIDS Last Served recognizes and analyzes the trend toward more openly acknowledging and planning for women in the pandemic Rather than enumerating the effects on women of confused or conflicting policies and representation the book details why and how this situation occurred The author suggests that new visibility of women cannot in itself quickly or easily change the underlying assumptions which made women simultaneously radiant figures of sexual purity and a magnet for blame during the pandemic s first decade Last Served makes clear how the different ways of posing and answering questions about women and HIV are grounded in already existing ways of thinking about gender and how these underlying preconceptions sometimes create situations whereby attempts to address the practical needs of women often result in reinforcement or introduction of new forms of male domination Combining detailed analysis with practical suggestions Last Served provides insights into the current debates about women and AIDS and suggests future directions for work to overcome discrimination faulty planning and misrepresentation **Trafficking and**

Sex Work Mathilde Darley,2022-12-30 Set in different national contexts Brazil Bulgaria France Germany Laos Norway Thailand and in different social science disciplines the chapters of this volume aim at questioning anti trafficking policies and their practical impact on sex work regulation Many actors from media to researchers from nonprofit organizations to law enforcement agencies from experts to reality tourists contribute to produce knowledge on trafficking and sexual exploitation and thus to institutionalize it as a category of thought and action by naming and framing perpetrators and victims they make trafficking come true as a public problem The book pays particular attention to the way the international expertise produced by these different actors and institutions on sexual exploitation and sex work impacts local control practices especially with regard to law enforcement The fight against trafficking as it gets institutionalized and put into practice then appears as a way to reaffirm a gendered and racialized public order Building analytical bridges between different national contexts and relying on contextualized fieldwork in different countries the book is of great interest for academics as well as for practitioners and or activists working on sex and gender issues and migration policies Also it resonates with a broader

Sex Work And Professionalism Introduction

In today's digital age, the availability of Sex Work And Professionalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex Work And Professionalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex Work And Professionalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex Work And Professionalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex Work And Professionalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex Work And Professionalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex Work And Professionalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex Work And Professionalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sex Work And Professionalism books and manuals for download and embark on your journey of knowledge?

FAQs About Sex Work And Professionalism Books

1. Where can I buy Sex Work And Professionalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
