Straight Sex Lynne Segal, 2015-01-27 Is heterosexual sex inherently damaging to women This is the central question of *Straight Sex* Lynne Segal's account of twentyfive years of feminist thinking on sexuality Covering the thought of sixties era sexual liberationists alongside the ensuing passionate debates over sex and love within feminist and lesbian communities Segal covers certain shifts toward greater sexual conservatism in the eighties *Straight Sex* examines an array of issues including sex as a subversive activity the liberated orgasm sex advice literature gender uncertainties queer politics anti pornography campaigns and the rise of the moral right *Straight* Hanne Blank, 2012-01-31 It's surprising that the term heterosexuality is less than 150 years old and that heterosexuality's history has never before been written given how obsessed we are with it In *Straight* independent scholar Hanne Blank delves deep into the contemporary psyche as well as the historical record to chronicle the realm of heterosexual relations a subject that is anything but straight and narrow Consider how Catholic monasticism the reading of novels the abolition of slavery leisure time divorce and constipation of the bowels have all at some time been labeled enemies of the heterosexual state With an extensive historical scope and plenty of juicy details and examples *Straight* provides a fascinating look at the vagaries schisms and contradictions of what has so often been perceived as an irreducible fact of nature **Gay Affirmative Therapy for the Straight Clinician: The**

Essential Guide Joe Kort, 2011-05-02 All the answers straight clinicians need to work effectively with gay and lesbian clients It has been over three decades since the American Psychiatric Association removed homosexuality as a category of deviant behavior from the DSM Same sex marriage is recognized in certain states gay straight alliances are springing up in high schools across the country and major religious denominations are embracing gay clergy Yet despite the sea change of attitudes toward homosexuality many well meaning straight therapists are still at a loss as to how to effectively counsel their gay and lesbian clients This book will offer straight therapists the tools they need to counsel gay and lesbian clients effectively

Policing Sex Paul Johnson, Derek Dalton, 2012-05-31 This collection focuses attention on an important but academically neglected area of contemporary operational policing the regulation of consensual sexual practices Despite the high level public visibility of and debate about policing in relation to violent and abusive sexual crimes from child sexual abuse to adult rape very little public or scholarly attention is paid to the policing of consensual sexual practices in contemporary societies Whilst sexual life is commonly understood to be a matter of private life that is beyond formal social control this book shows that policing is implicated in the regulation of a wide range of consensual sexual practices This book brings together a well known and respected group of academics from a range of disciplines to explore the role of the police in shaping the boundaries of that aspect of our lives that we imagine to be most intimate and most our own The volume presents a snap shot of policing in respect of a number of diverse areas such as public sex pornography and sex work and considers how sexual orientation structures police responses to them The authors critically examine how policing is implicated in the social moral and political landscape of sex and contrary to the established rhetoric of politicians and criminal justice practitioners continues to intervene in the private lives of citizens It is essential supplementary reading for courses in criminology law policing sociology of deviance gender and sexuality and cultural studies

Is My Husband Gay, Straight, or Bi? Joe Kort, 2014-09-11 Jennifer can t believe it Just married and pregnant she discovers that her husband has been meeting Brad for sex When confronted Tom doesn t deny it but he insists it s just a thing and he isn t gay Elsewhere John s wife Karen discovers that her husband likes to watch gay porn John doesn t understand his wife s reaction Why does she care what he

watches if he is not unfaithful In couple's therapy Karen and Jennifer raise the same questions Does this mean my husband is gay Can my marriage survive These and other stories illustrate the difficulties inherent when a wife or girlfriend finds out her man has had or wants to have sexual contact with other men But many times the man is not gay or even bisexual Of course some men with gay sexual interests are gay men in a process of self discovery they are coming out These desires may only reflect a different side of a man's sexuality or some response to childhood trauma or experiences they have not fully processed Here Joe Kort and Alexander P Morgan make the distinction between gay men and straight men with gay interests clearer to women who want to know how they can overcome these revelations The authors explain the many reasons why straight men may be drawn to gay sex how to tell whether a man is gay straight or bisexual and what the various options are for these couples who can often go on to have very fulfilling marriages Is My Husband Gay Straight or Bi is intended to help couples understand how male sexuality can express itself in ways that may be difficult to understand Many marriages have been hurriedly terminated when couples and their therapists have lacked the information they needed to understand their current situations This book provides the clarity describes the choices and in many cases offers hope for relationships and marriages that have been brushed off as doomed

Sex Beyond "Yes" Quill R. Kukla, 2025-09-02 Philosopher Quill R Kukla questions traditional notions of consent in this honest humanistic reimagining of what it means to have pleasurable ethical and respectful sex Every discussion of sexual ethics revolves around consent but is this notion enough to help us understand good sex How does the dominance of consent help or prevent us from negotiating the complexities of intimacy and pleasure Georgetown professor Quill R Kukla argues that the idea that consent is the gatekeeper between the realms of good and bad sex does not give us the tools we need to navigate pleasure and intimacy They claim that traditional discussions of consent make no room for the reality that we can have good sex even though we may get drunk or high or become forgetful with age or be limited by social pressures and power relationships Kukla explores the ambiguous realms in which sexual agency requires much more than the ability to just say yes or no to sex They confront moments of discomfort How does consent work for people with dementia a condition that is also associated with increased libido Or in sex work where sexual contracts challenge our traditional conceptions of ethical sex How can we express our agency when exploring new kinks where our hesitations and ambivalence are part of the thrill Or even in everyday sex where partners inevitably differ in enthusiasm power dynamics and experience Combining rigorous research and universal lessons that apply both in and out of the bedroom Kukla approaches the concepts of sexual agency sexual pleasure and consent with unapologetic verve Challenging readers to think beyond reductive concepts of consent gender and freedom *Sex Beyond Yes* reframes the communication and social support we need to establish sexual relationships founded on genuine respect open discourse and unhindered joy

The End of Straight Supremacy Shannon Gilreath, 2011-09-19 Rooted in the politics and theories of early gay liberation and radical feminism Shannon Gilreath's *The End of Straight Supremacy* presents a cohesive theory of gay life under straight

domination Beginning with a critique of formal equality law centering on the like straight demands of liberal equality theory as highlighted in *Lawrence v Texas* Gilreath moves to criticize the gay movement itself challenging the assimilation politics behind the movement's blithe acceptance of discrimination in the guise of free speech and pornography in the name of sexual liberation as well as same sex marriage and transsexuality as tools of straight hegemony Ultimately Gilreath rejects both the liberal demand for gay erasure in exchange for meager legal progress and the gay establishment agenda In *The End of Straight Supremacy* Gilreath calls gays and their allies to the difficult task of rethinking what liberation and equality really mean **The Advocate**, 2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine

Established in 1967 it is the oldest continuing LGBT publication in the United States **Queer/Adaptation** Pamela Demory, 2019-02-15 This collection of essays illuminates the intersection of queer and adaptation Both adaptation and queerness suffer from the stereotype of being secondary to identify something as an adaptation is to recognize it in relation to something else that seems more original more authentic Similarly to identify something as queer is to place it in relation to what is assumed to be normal or straight This ground breaking volume brings together fifteen original essays that critically challenge these assumptions about originality authenticity and value The volume is organized in three parts The essays in Part I examine what happens when an adaptation queers its source text and explore the role of the author screenwriter director in making those choices The essays in Part II look at what happens when filmmakers push against boundaries of various kinds time and space texts and bodies genres and formats And the essays in Part III explore adaptations whose source texts cannot be easily pinned down where there are multiple adaptations and where the adaptation process itself is queer The book includes discussion of a wide variety of texts including opera classic film genre fiction documentary musicals literary fiction low budget horror camp classics and experimental texts providing a comprehensive and interdisciplinary introduction to the myriad ways in which queer and adaptation overlap **Straight from Your Gay Best Friend**
