Sex The Done Thing:

Sex Before the Sexual Revolution Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era s emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives Sex Under the Swastika Tim

Heath, 2023-02-16 Sex under the Swastika is a journey through the dark secretive corridors of the Third Reich s powerbase and it s near pathological sexual obsession with young women sex Satanism and the occult Based on interviews eyewitness accounts and using newly revealed material from the sons and daughters of former SS officers who were part of Adolf Hitler and Reinhard Heydrich s personal staff we learn about the sexual conduct affairs scandals and fetishes of some of Hitler s most trusted advocates who used their positions of trust to execute their warped fantasies It reveals how many leading Nazi s were actively involved in occult rituals and sexual practices and how the abuse suffered by many young men and women was only permissible through the filtering down from the highest echelons of the regime which was prepared to turn a blind eye Learn about the exotic sex and drug fuelled private cocktail parties of the Nazi political elite that spread far and wide into the society over which it presided An unapologetically provocative volume Sex Under the Swastika is an exploration of the Third Reich s darkest secrets which left blood on the crisp white sheets of a nation and caused many to remain silent for decades after the death of National Socialist Germany This unique work leaves the reader to make up his or her own mind as to the perverse warped nature and the guilt and complicity of one of history s most sexually exploitive and evil empires Love I.
