Sex Time And Power:

Sex, Time, and Power Leonard Shlain, 2004-08-03 As in the bestselling *The Alphabet Versus the Goddess* Leonard Shlain's provocative new book promises to change the way readers view themselves and where they came from *Sex Time and Power* offers a tantalizing answer to an age old question Why did big brained *Homo sapiens* suddenly emerge some 150 000 years ago The key according to Shlain is female sexuality Drawing on an awesome breadth of research he shows how long ago the narrowness of the newly bipedal human female's pelvis and the increasing size of infants heads precipitated a crisis for the species Natural selection allowed for the adaptation of the human female to this environmental stress by reconfiguring her hormonal cycles entraining them with the periodicity of the moon The results however did much more than ensure our existence they imbued women with the concept of time and gave them control over sex a power that males sought to reclaim And the possibility of achieving immortality through heirs drove men to construct patriarchal cultures that went on to dominate so much of human history From the nature of courtship to the evolution of language Shlain's brilliant and wide ranging exploration stimulates new thinking about very old matters **Sexy, Spirited and Strong** Meloney

Hudson, 2009-02-03 *Sexy Spirited and Strong* Becoming a Positive Energy Woman focuses on revitalizing the three energetic centers in a woman's body sex spirit and strength called the Energetic Triangle through sharing various physical spiritual and energetic techniques of Eastern and Western origin that ultimately help increase a woman's overall energy and self esteem Meloney Hudson is a teacher of women's empowerment workshops based on Tantric and Western principles and has made it her personal mission to empower women to change themselves and popular perceptions of women for the betterment of the planet She compiles simple yet powerful exercises designed to restore each of the three energetic areas She also includes many resources that women can explore to deepen self growth and learn more about women's history While centering on the methods needed to achieve a healthy Energy Triangle Hudson also teaches how to Build sexual and spiritual energy Discover a connection to spirit Increase self esteem Nurture and express the feminine soul Achieve life changing goals Through the techniques offered in this insightful guidebook women everywhere will be inspired to feel loving joyful healthy and capable of attracting and creating a beautiful destiny **Passion and Power** Kathy Lee Peiss, Christina

Simmons, Robert A. Padgug, 1989 *Passion and Power* brings together some of the most recent and innovative writings on the history of sexuality and explores the experiences ideas and conflicts that have shaped the emergence of modern sexual identities Arguing that sexuality is not an unchanging biological reality or a universal natural force the essays in this volume discuss sexuality as an integral part of the history of human experience Articles on sexual assault homosexuality birth control venereal disease sexual repression pornography and the AIDS epidemic examine the ways that sexuality has become a core element of modern social identity in the nineteenth and twentieth century United States It is only in recent years that historians have begun to examine the social construction of sexuality This is the first anthology that addresses this issue from

a radical historical perspective examining sexuality as a field of contention in itself and as part of other struggles rooted in divisions of gender class and race Author note Kathy Peiss is Associate Professor of History and Women s Studies at the University of Massachusetts at Amherst and author of Cheap Amusements Working Women and Leisure in Turn of the century New York Temple P Christina Simmons is Assistant Professor of History at the University of Cincinnati Raymond Walters College

Sex in Cyberspace Sarah Earle,Keith Sharp,2016-04-01 Sex in Cyberspace offers a bold and provocative yet sensitively written account of an under investigated area of sociological enquiry While there is a considerable amount of research documenting the experiences of sex workers very little data exists on their male clientele The first empirically based volume on the experiences of men who pay for sex this work presents a significant new source of data The book is based upon an extensive study of on line forums in which both the purchasers of sexual services and the workers themselves can exchange information and views information which is otherwise extremely difficult to obtain Sarah Earle and Keith Sharp argue that such sites represent a significant change in the social organization of sex work and those who seek and use the services of sex workers Shedding new light on men s sexual identity Sex in Cyberspace makes a major contribution to the study of sexuality

Sex and Civilization Paul Bousfield,1928

Legalizing Sex Chaitanya Lakkimsetti,2020-01-14 How the

rise of HIV in India resulted in government protections for gay groups transgender people and sex workers This original ethnographic research explores the relationship between the HIV AIDS epidemic and the rights based struggles of sexual minorities in contemporary India Sex workers gay men and transgender people became visible in the Indian public sphere in the mid 1980s when the rise of HIV AIDS became a frightening issue The Indian state started to fold these groups into national HIV AIDS policies as high risk groups in an attempt to create an effective response to the epidemic Lakkimsetti argues that over time the crisis of HIV AIDS effectively transformed the relationship between sexual minorities and the state from one that was focused on juridical exclusion to one of inclusion The new relationship then enabled affected groups to demand rights and citizenship from the Indian state that had been previously unimaginable By illuminating such tactics as mobilizing against a colonial era anti sodomy law petitioning the courts for the recognition of gender identity and stalling attempts to criminalize sexual labor this book uniquely brings together the struggles of sex workers transgender people and gay groups previously studied separately A closely observed look at the machinations behind recent victories for sexual minorities this book is essential reading across several fields

Making Sense of Sex Michael F. Duffy, 2011-02-01 Having sex can be a loving and delightful experience but it can also be emotionally physically and spiritually devastating Many singles struggle to sort out how to make their own sexual experiences physically and emotionally healthy ones This book can help Duffy offers a thoughtful guide to sexual decision making for single twentysomethings exploring ten issues readers should consider when deciding whether and when to have sex Appropriate for non Christians and Christians alike Duffy s work is as relevant to those who have already had sex as it is to those who are considering it for the first time

The Anthropology of Sex Hastings Donnan, Fiona Magowan, 2020-05-31 Sex scholarship has a long history in anthropology from the studies of voyeuristic Victorian gentlemen ethnographers to more recent analyses of gay sex transsexualism and the newly visible forms of contemporary sexuality in the West The Anthropology of Sex draws on the comparative field research of anthropologists to examine the relationship between sex as identity practice and experience Sexual cultures vary enormously and while often the topic of tabloid titillation they are more rarely subjected to strict cultural analysis The Anthropology of Sex is the first work to critically synthesise over a century of

comparative expertise knowledge and understanding of diverse sexual forms Explores sexuality from diversity to perversity and asks how diverse sexual practices are linked Probes the cultural and comparative context of contemporary sexual practice and belief Examines the shaping of sex by global and globalizing forces The Anthropology of Sex will be key reading for undergraduate and postgraduate courses in anthropology and related disciplines **Grey Sex** Alexandra

Kogl,2024-10-15 Grey sex is saying yes but thinking no It s feeling invisible like you re not even in the room It s wondering afterwards is that really what I wanted or did I just let that happen Many people have sexual experiences that fall into a grey area between assault and normal sex Looking at heterosexuality and everyday domination this book shows that in doing so we are neither simply victims nor failing to assert ourselves We are caught in relations of gendered power that may be hard to name or that may in a world filled with violence not seem worth mentioning Tempting as it is to blame individuals for grey sexual experiences Kogl argues that we can t make sense of the power at work if we remain stuck in self blame or point the finger at perpetrators The personal is still political the most intimate activities are both shaped by and shapers of unjust sexual hierarchies Grey Sex walks us through the shadowy places between good and bad sex With compelling insight into power relations that shape ambiguous sexual experiences and our sense of freedom it is a valuable read for people interested in sexual intimacy and relationships gender based violence and inequality **Why Men Buy Sex** Philip Birch,2015-02-20 Sex

work has been a contentious issue in a variety of ways throughout history socially morally ethically religiously and politically Traditionally noted as one of the oldest professions in the world sex work has commonly been demonised and is often viewed as a social disgrace While sex work involves both providers of sexual services most commonly women and purchasers of sexual services most commonly men providers have attracted the most social commentary Recent research shows that a limited number of studies have been conducted since 1990 concerning men who procure sexual services This book aims to help reset this balance In this book Philip Birch examines the procurement of female sexual services with a focus on the personal and social aspects of men who procure such exchanges and offers insight into the demographics amongst men who purchase sexual services alongside an analysis of the reasons why they purchase sex This book brings together existing literature with analyses of new data to develop a multi factor model reflecting men s procurement of sexual services and demonstrates the complexities surrounding the procurement of these sexual services in exchange for money The book considers what contribution the understanding of the personal and social aspects of men who procure sexual services has on re theorising the purchasing of sex in the 21st Century and will be of interest to academics and students involved in the study of criminology criminal justice social policy law sociology sexuality and gender studies **Sex to Kundalini Awakening**

premyogi vajra,2024-09-21 The human body a marvel of biological engineering houses within it a complex network of systems that govern our physical emotional and spiritual well being Among these systems the sexual system holds a unique place shrouded in both fascination and mystery From the intimate act of intercourse to the esoteric concept of Kundalini

awakening this system encompasses a vast spectrum of experiences each with profound implications for our lives This short book invites you on a journey of exploration into the depths of the sexual system delving into its psychological dimensions and unraveling the unsolved mysteries that surround it Through a blend of scientific research philosophical inquiry and personal narratives we will examine the intricate interplay between the physical emotional and spiritual aspects of sexuality We will begin by exploring the biological foundations of the sexual system examining the anatomy and physiology that underpin our sexual experiences But this is just the beginning We will then delve into the psychological dimensions of sexuality exploring the complex emotions desires and identities that shape our understanding of ourselves and our relationships As we journey deeper we will encounter the enigmatic concept of Kundalini awakening a spiritual experience that has captivated seekers for millennia We will examine the various interpretations of Kundalini and its potential role in personal transformation and spiritual growth Ultimately this book aims to provide a comprehensive and nuanced understanding of the sexual system one that goes beyond the superficial and explores the depths of its psychological and spiritual significance By unraveling the mysteries that surround this fascinating aspect of human experience we hope to empower individuals to embrace their sexuality with greater awareness authenticity and fulfillment All chapters in this book were originally part of our earlier work Kundalini Science series Spiritual Psychology books and also a sub book derived from this series Purana riddles If you enjoyed these you ll find more in the full compilation *Sankhya Sansar~ Sankhya, Yoga and Vedanta in an exciting union* Premyogi vajra,2024-09-22 In the vast tapestry of Indian philosophy three threads stand out for their profound insights and transformative potential Sankhya Yoga and Vedanta Each of these ancient systems offers a unique perspective on the nature of reality consciousness and the path to spiritual liberation When woven together they create a rich and vibrant narrative that speaks to the deepest aspects of the human experience Sankhya provides the metaphysical foundation delineating the dualistic interplay between Purusha pure consciousness and Prakriti the material universe It is within this framework that we understand the cosmic dance of creation preservation and dissolution Yoga with its practical approach offers the tools and techniques to harmonize the body mind and spirit Through disciplined practice one can transcend the limitations of the physical and mental realms experiencing the union of the individual self with the universal consciousness Vedanta the culmination of Vedic wisdom transcends duality revealing the ultimate truth of non dualism It teaches that the apparent separation between the self and the cosmos is an illusion and that in reality all is one In this short though summarized book we explore the exhilarating convergence of these three philosophies focusing on the transformative journey of Kundalini awakening This sacred process is likened to a divine marriage festival where Prakriti and Purusha unite in a blissful embrace As the dormant Kundalini energy rises through the chakras it awakens the latent potential within leading to profound spiritual realization and inner harmony Join us on this enchanting journey where ancient wisdom meets modern understanding and the timeless dance of Purusha and Prakriti unfolds in all its splendor Whether you

are a seasoned practitioner or a curious seeker this book offers insights and inspiration to guide you on your path to self discovery and enlightenment All chapters in this book were originally part of our earlier work Kundalini Science series Spiritual Psychology books If you enjoyed these you ll find more in the full compilation *Rethinking Celibacy, Reclaiming the Church* Michael H. Crosby, 2003-07-02 In this courageous work Michael Crosby offers a trenchant analysis of mandatory celibacy in the Roman Catholic Church He shows how the imposition of celibacy has now revealed a deeper issue the abuse of power as well as the abuse of women and homosexuals in the Church Crosby asserts that to argue that the present discipline of mandatory celibacy is based on the New Testament is a misuse of scripture imposed celibacy continues to be used as a means of maintaining clerical control through fear and intimidation a religious system demanding celibacy exposes a deeper control the abuse of power endemic throughout the system while difficult to live out even when freely chosen enforced celibacy can result in dysfunctional behaviors at all levels Integrating his personal experience as a celibate and cleric with biblical exegesis historical study and the behavioral sciences Crosby believes that healthy celibacy demands intimacy with God and others a healthy church will reorder its current power dynamics in a way that mitigates sexual abuse this will once again reveal Roman Catholicism to be a religion with an inspiring model of evangelical life and witness This updated revision of Crosby s award winning *Celibacy Means of Control or Mandate of the Heart* also addresses the abuse of power in the Catholic Church by those male clerical celibates who control it He convincingly points the way to a Church that will be with all its ministers healthier and holier *Sexual Harassment and Misconduct* Gina Robertiello, 2021-08-09 This authoritative reference work informs readers about the scope nature and prevalence of sexual harassment and misconduct in all walks of American life and how changes in policy law and traditional gender dynamics can address the problem As revelations of sexual harassment and misconduct roil Hollywood Washington D C and workplaces across the country these problems are being examined more closely than ever before This encyclopedia provides interested readers with a comprehensive and authoritative resource to help them understand not only the specific scandals that have erupted across U S society but the historical factors and events that have led to this moment in American history The book features entries that illuminate various types of sexual harassment and misconduct e g quid pro quo hostile environment explain different classifications of harassers e g territorial predatory survey how sexual harassment and misconduct manifest themselves in different settings e g workplace school military politics home detail the major cases that have been publicized since the MeToo Movement gained momentum and explain various reforms and responses that are being crafted to address deeply entrenched problems of sexism and harassment in American culture **Sexuality and Spirituality, Pursuing Integration** William F. Kraft, 2005-04-21 This book is a response to such questions as What is sexuality Spirituality How are they interrelated What is healthy sex and how can we achieve it Are there different kinds of sexuality What are female male similarities and differences What is the sense and nonsense of marital and nonmarital sex heterosexuality homosexuality

masturbation sexual addictions and abstinence My goal is to construct a model of sexuality and spirituality that engenders more health and satisfaction My method is phenomenological Theological truths are not explicitly included I am a psychologist not a theologian Nevertheless theologians and religious leaders across a broad spectrum have assured me that my vision is not incongruent with theirs and that it can serve as an infrastructure for their studies My hope is that what follows will help married single and vowed celibate people to cope with grow from and enjoy their sexuality from the Preface

Same Sex, Different Cultures Gilbert H Herdt, 2018-05-15 Because homoerotic relations can be found in so many cultures Gilbert Herdt argues that we should think of these relations as part of the human condition This new cross cultural study of gays lesbians and bisexuals around the world Same Sex Different Cultures provides a unique perspective on maturing and living within societies both historical and contemporary that not only acknowledge but also incorporate same gender desires and relations Examining what it means to organize sex in a society that lacks a category for sex or to love someone of the same gender when society does not have a homosexual or gay lesbian role Herdt provides provocative new insights in our understanding of gay and lesbians lives Accurate in both its scientific conceptions and wealth of cultural and historical material examples range from the ancient Greeks and feudal China and Japan to the developing countries of Africa India Mexico Brazil and Thailand from a New Guinea society to contemporary U S culture including Native Americans For all of these peoples homoerotic relations emerge as part of culture and not separate from history or society In many of these groups loving or engaging in sexual relations is found to be the very basis of the local cultural theory of human nature and the mythological basis for the cosmos and the creation of society The mistake of modern Western culture Gilbert contends is to continue the legalization of prejudice against lesbians and gays In this light the book addresses the issue of universal versus particular practices and reveals positive role models that embrace all aspects of human sexuality Finally it offers knowledge of the existence of persons who have loved and have been intimate sexually and romantically with the same gender in other lands through divergent cultural practices and social roles The most important lesson to learn from this cross cultural and historical study of homosexuality is that there is room for many at the table of humankind On the Nature of Human Sexual Difference: A Symposium Timothy Paul Fortin, 2024-11-05 This work offers a symposium on the nature of human sexual difference drawing on Plato's masterpiece having explored the observed phenomena of sexual difference four stories are told of the origins essence and ends of the human male and female First the evolutionists and then Simone de Beauvoir and Judith Butler present their accounts Next a fourth and unique vision for our age is added the thought of Thomas Aquinas is placed in dialogue with the evolutionists Beauvoir and Butler thereby introducing into contemporary discourse a voice that is both ancient and new The work seeks to trace each protagonist's account to its fonts so providing a perspective from which various streams of thought might be understood both in their divergence and common origins It thus hopes to offer a common language and an interpretive key in a realm where confusion and misunderstanding too often reign
