Sexual Fulfillment Herbert W. Chilstrom, Lowell O. Erdahl, This book approaches some of the more difficult to discuss areas of human sexuality singles and sexual fulfillment unmarried persons and sexual fulfillment same sex relationships and sexual fulfillment in the elder years The authors distinguish between life giving sex and life degrading sex They then discuss healthy sexuality in a variety of life stages and relationships With a pastoral and compassionate tone the authors explore the issues Christian people face with respect to the experience and expression of their sexuality Questions for discussion are intended both to elicit personal reflection and to move congregations to become safe places

Routledge Library Editions: Literature and Sexuality Various Authors, 2021-02-25 This set brings together a collection of classic out of print works that offer some surprising new takes on the theme of sexuality in literature Whether examining new spaces by unrepresented women writers of colour or looking afresh at gay writings of the early twentieth century this set presents a thought provoking take on the subject and as such is an essential reference source

Adolescent Gynecology Alfred Bongiovanni, 2013-11-11 ABOUT THE SUBJECT MATTER Adolescence is a time of significant change The adolescent era spans the interval between childhood and adulthood It is a time of physical social and even emotional upheaval During this relatively brief period of time not only does physical growth accelerate but of more significance in the biology of any species the individual attains reproductive maturity Within this time frame the human being acquires the capacity to procreate and perpetuate our species From a reproductive standpoint throughout adolescence the individual is being prepared for perhaps what might be considered the most important function an organism has during his her brief sojourn on earth namely to endow successor s with a minute quantity of DNA to enable continuation of its form of life The interlude between childhood and adulthood is not always socially or emotionally simple The anatomic and physiologic modifications that come to pass during adolescence are not necessarily paralleled by a capacity to assume the societal responsibilities associated with reproductive maturity Although the physiologic changes normally proceed in a predetermined fashion adaptation to a changing role is a far more trying process Accustomed to living in a child s world the subject of adolescent change requires considerable time and understanding to facilitate existence in the adult world The early stages of sexual awareness for example are generally extremely confusing and as evidenced by the inordinately high frequency of teenage pregnancy and sexually transmitted diseases can be extraordinarily dangerous

Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In *Representing the Rainbow in Young Adult Literature* LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of *The Heart Has Its Reasons* this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives

Extravagant Expectations Paul Hollander, 2011-05-16 The proliferation of dating websites printed personals and self help relationship books reflect the new ways Americans seek close personal relationships Exposed to changing and often conflicting values trends and fashions disseminated by popular culture advertising and assorted experts Americans face uncertainties about the best ways to meet important emotional and social needs How do we establish lasting and intimate personal relationships including marriage In *Extravagant Expectations* Paul Hollander investigates how Americans today pursue romantic relationships with special reference to the advantages and drawbacks of Internet dating compared to connections made in school college and the workplace By analyzing printed personals dating websites and advice offered by pop psychology books he examines the qualities that people seek in a partner and also assesses the influence of the remaining conventional ideas of romantic love Hollander suggests that notions of romantic love have changed due to conflicting values and expectations and the impact of pragmatic considerations Individualism high expectations social and geographic mobility changing sex roles and the American national character all play a part in this fascinating and finally sobering exploration of men and women to find love and meaning in life

Dating and Love Michael Theisen, 1996 The older teens in your parish want a youth ministry program that exposes them to relevant real world topics in an active engaging way *Horizons* is an innovative comprehensive approach to religious education Its foundation is teacher led creative learning strategies that give students ample opportunities for discussion reflection and fun Designed for grades 9-12 *Horizons* utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish

Seven core courses set the stage for discussing central and foundational themes Then choose from a wide selection of age appropriate minicourses to round out your curriculum and craft summer courses retreats and youth group activities The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum And on top of all that Horizons includes outstanding training resources You ll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere *The Birth Control Review* Margaret Sanger,1921 **Teaching America about Sex** M. E. Melody,Linda M. Peterson,1999-05 This witty and provocative study of sex and marriage manuals reveals the patterns of permissiveness and prohibition and tellingly the mechanisms of suasion and enforcement from sermons and hellfire to mutilation and electroshock that have informed popular sex education over the past hundred and twenty years From the roaring 20s to the 1960s sexual revolution and after Teaching America about Sex reveals that even as sexual behavior changed during periods of upheaval the prescriptive literature on sex has remained traditional at its core promoting primarily sex within marriage for the purpose of reproduction
