Sex Without Consent Shireen J Jejeebhoy, Iqbal Shah, Shyam Thapa, 2013-07-04 The pressing need to break the silence on non consensual sex among young people an issue shrouded by denial underreporting and stigma is self evident Despite the growing body of research regarding young people s sexual behaviours the study of coercive sexual experiences has generally been overlooked by both researchers and national programmes Available evidence has been scattered and unrepresentative and despite this evidence non consensual sex among young people is perceived to be a rare occurrence This volume dispels any such misconception It presents a disturbing picture of non consensual sex among girls as well as boys and among married as well as unmarried young women in a variety of settings This volume documents moreover the expanse of non consensual experiences that young people face from unwanted touch to forced penetrative sex and gang rape Although the focus is on young females the volume also sheds light on the experience of young males as both victims and perpetrators This pioneering volume highlights key factors placing young people at risk whilst outlining the significant distinctive health and social implications they face Sex Without Consent also documents the unsupportive and sometimes abusive or negligent roles of families teachers health care providers and law enforcement agents outlines promising efforts intended to prevent non consensual sex or support survivors and argues for profound changes in norms and values that tolerate or encourage non consensual sex The editors based at the Population Council New Delhi the World Health Organization Geneva and Family Health International Virginia argue compellingly for a radical review and reform of existing programmes designed to prevent this kind of abuse and to support young survivors of sexual trauma in the developing world Addressing the magnitude determinants and consequences of sex without consent this volume provides evidence based directions for programming

**Sex without Consent** Merrill D. Smith, 2002-02-01 A group of men rape an intoxicated fifteen year old girl to make a woman of her An immigrant woman is raped after accepting a ride from a stranger A young mother is accosted after a neighbor escorts her home In another case a college frat party is the scene of the crime Although these incidents appear similar to accounts one can read in the newspapers almost any day in the United States only the last one occurred in this century Each however involved a woman or girl compelled to have sex against her will Sex without Consent explores the experience prosecution and meaning of rape in American history from the time of the early contact between Europeans and Native Americans to the present By exploring what rape meant in particular times and places in American history from interracial encounters due to colonization and slavery to rape on contemporary college campuses the contributors add to our understanding of crime and punishment as well as to gender relations gender roles and sexual politics Sex Without Consent Toby B. Simon, Cathy A. Harris, 1993 Sexual assault in the high school community is now at epidemic proportions This manual provides information as to how educators and trainers can raise awareness about sexual violence and how they can educate boys and girls in high school about this epidemic The guide draws on the Sexual Assault Peer Education SAPE

program it is believed that peer educators afford one of the more appropriate ways to inform students The SAPE program outlines every step of the peer process from recruiting students to actual workshops The training program serves two purposes 1 It prepares peer educators for their workshops and 2 It opens dialogue among peers about sexual assault The manual is presented in two parts Part 1 A Peer Education Program presents ways to start and sustain a peer program Included is information on organizational meetings the logical presentation of peer sessions post training workshops and some parting thoughts The second part Activities for Classroom Teachers presents five different activities that teachers can use to heighten students awareness of sexual assault Fifteen appendices provide bibliographic information policy statements sample recruiting and radio ads rape statistics worksheets tips on facilitating meetings and other helpful information RJM
