Sexology Uncensored The Documents Of Sexual Science:

Sexology Uncensored Lucy Bland, Laura Doan, 1999 In the late 19th century early pioneers of the new field of sexology examined and classified sexual behaviors identities and relations data long restricted from public access Extracts dating from the 1880s to the 1940s compiled in one volume for the first time form an invaluable record for all those interested in how we have come to think about sex and sexuality over the last 100 years **The Sexual Question** Paulo Drinot, 2020-03-12

Exploring the links between sexuality society and state formation this is the first history of prostitution and its regulation in Peru Scholars and students interested in Latin American history the history of gender and sexuality and the history of medicine and public health will find Drinot's study engaging and thoroughly researched *The Routledge Handbook of Disability and Sexuality* Russell Shuttleworth, Linda Mona, 2020-12-29 This handbook provides a much needed holistic overview of disability and sexuality research and scholarship With authors from a wide range of disciplines and representing a diversity of nationalities it provides a multi perspectival view that fully captures the diversity of issues and outlooks Organised into six parts the contributors explore long standing issues such as the psychological interpersonal social political and cultural barriers to sexual access that disabled people face and their struggle for sexual rights and participation The volume also engages issues that have been on the periphery of the discourse such as sexual accommodations and support aimed at facilitating disabled people's sexual well being the socio sexual tensions confronting disabled people with intersecting stigmatised identities such as LGBTBI or asexual and the sexual concerns of disabled people in the Global South It interrogates disability and sexuality from diverse perspectives from more traditional psychological and sociological models to various subversive and post theoretical perspectives and queer theory This handbook examines the cutting edge and sometimes ethically contentious concerns that have been repressed in the field With current international and comprehensive content this book is essential reading for students academics and researchers in the areas of disability gender and sexuality as well as applied disciplines such as healthcare practitioners counsellors psychology trainees and social workers

Re-presenting the Past Ann-Marie Gallagher, Cathy Lubelska, Louise Ryan, 2014-06-11 Feminist history continues to change the way history is written and in doing so changes our view of the past The authors of this collection explore how issues of sexuality class nationalism and colonialism informed the ways in which women were represented and continue to be represented in history They show the ways in which women have been excluded silenced and misrepresented in stories of the past and how women's lives have been distorted or simplified in conventional historical accounts Together they suggest fresh ways of approaching women's history and use examples of work in new areas of research such as women's health and leisure in order to demonstrate the effectiveness of the various methodologies being proposed **A Critical Introduction to Queer Theory** Nikki Sullivan, 2003-10 A Critical Introduction to Queer Theory explores the ways in which sexuality subjectivity and sociality have been discursively produced in various historical and cultural contexts The book begins by

putting gay and lesbian sexuality and politics in historical context and demonstrates how and why queer theory emerged in the West in the late twentieth century Sullivan goes on to provide a detailed overview of the complex ways in which queer theory has been employed covering a diversity of key topics including race sadomasochism straight sex fetishism community popular culture transgender and performativity Each chapter focuses on a distinct issue or topic provides a critical analysis of the specific ways in which it has been responded to by critics including Freud Foucault Derrida Judith Butler Jean Luc Nancy Adrienne Rich and Laura Mulvey introduces key terms and uses contemporary cinematic texts as examples **Queer Presences and Absences** Yvette Taylor,Michelle Addison,2013-04-09 This book explores changes and continuations in lesbian gay bisexual transgender and queer lives identities and spatial practices in the 21st century from around the globe using a range of methods to connect pasts places and policies with contemporary times linking individual and social presences and absences affectively and materially Signs of Life Graeme Harper,Andrew Moor,2005 Signs of Life Medicine and Cinema is the first single volume to consider the cinematic representation of medicine medical science and the medical profession and explores the political implications of the representations of doctors nurses patients diseases and disabilities The essays in this collection from a wide range of film scholars and medical practitioners also consider how formal qualities of cinema such as empirical observation mise en scene propaganda and education melodrama documentary and narrative construction impact on our understanding of medical procedures and the public image of medicine **'Curing queers'** Tommy Dickinson,2015-01-31 Drawing on a rich array of source materials including previously unseen fascinating and often quite moving oral histories archival and news media sources Curing queers examines the plight of men who were institutionalised in British mental hospitals to receive treatment for homosexuality and transvestism and the perceptions and actions of the men and women who nursed them It examines why the majority of the nurses followed orders in administering the treatment in spite of the zero success rate in straightening out queer men but also why a small number surreptitiously defied their superiors by engaging in fascinating subversive behaviours Curing queers makes a significant and substantial contribution to the history of nursing and the history of sexuality bringing together two sub disciplines that combine only infrequently It will be of interest to general readers as well as scholars and students in nursing history gender studies and health care ethics and law *Eileen Gray and the Design of Sapphic Modernity* Jasmine Rault,2017-07-05 The first book length feminist analysis of Eileen Gray s work Eileen Gray and the Design of Sapphic Modernity Staying In argues that Gray s unusual architecture and design as well as its history of abuse and neglect emerged from her involvement with cultures of sapphic modernism Bringing together a range of theoretical and historical sources from architecture and design communication and media to gender and sexuality studies Jasmine Rault shows that Gray shared with many of her female contemporaries a commitment to designing spaces for sexually dissident modernity This volume examines Gray s early lacquer work and Romaine Brooks earliest nude paintings Gray s first built house E 1027 in relation to Radclyffe Hall and her

novel *The Well of Loneliness* and Gray's private house Tempe Pailla with Djuna Barnes *Nightwood* While both female sexual dissidence and modernist architecture were reduced to rigid identities through mass media women such as Gray Brooks Hall and Barnes resisted the clarity of such identities with opaque non communicative aesthetics Rault demonstrates that by defying the modern imperative to publicity clarity and identity Gray helped design a sapphic modernity that cultivated the dynamism of uncertain bodies and unfixed pleasures which depended on staying in rather than coming out

Engendering Emotions A. Petersen, 2004-10-11 *Engendering Emotions* examines the production and promotion of the idea of sex gender difference in emotional experience and expression in the contemporary West Focusing on the psychology of emotions and on the spheres of aggression and war and love intimacy and sex it explores how the idea of emotional difference serves to define and govern relations between men and women The book draws on diverse theoretical work and recent empirical data to chart new territory in the study of sex gender differences **Reconstructing the Body** Ana

Carden-Coyne, 2009-08-20 From the ashes of war rose beauty eroticism and the promise of utopia Ana Carden Coyne investigates the cultures of resilience and the institutions of reconstruction in Britain Australia and the United States

Encyclopedia of Feminist Theories Lorraine Code, 2002-06-01 The path breaking *Encyclopedia of Feminist Theories* is an accessible multidisciplinary insight into the complex field of feminist thought The *Encyclopedia* contains over 500 authoritative entries commissioned from an international team of contributors and includes clear concise and provocative explanations of key themes and ideas Each entry contains cross references and a bibliographic guide to further reading over 50 biographical entries provide readers with a sense of how the theories they encounter have developed out of the lives and situations of their authors **Archaeologies of Sexuality** Robert A. Schmidt, Barbara L. Voss, 2005-06-28 A timely and

pioneering work that demonstrates the challenges and rewards of integrating the study of sex and sexuality within archaeology It draws on locations as varied as the ancient Maya Kingdoms convict era Australia and prehistoric Europe

Archaeologies of Sexuality Robert A. Schmidt, Barbara L. Voss, 2005-06-28 Status age and gender have long been accepted aspects of archaeological enquiry yet it is only recently that archaeologists have started seriously to consider the role of sex and sexuality in their studies *Archaeologies of Sexuality* is a timely and pioneering work It presents a strong diverse body of scholarship which draws on locations as varied as medieval England the ancient Maya kingdoms New Kingdom Egypt prehistoric Europe and convict era Australia demonstrating the challenges and rewards of integrating the study of sex and sexuality within archaeology This volume with contributions by many leading archaeologists will serve both as an essential introduction and a valuable reference tool for students and academics *The Invention of Telepathy, 1870-1901* Roger Luckhurst, 2002 *The Invention of Telepathy* explores one of the enduring concepts to emerge from the late nineteenth century Telepathy was coined by Frederic Myers in 1882 He defined it as the communication of any kind from one mind to another independently of the recognised channels of sense By 1901 it had become a disputed phenomenon amongst

physical scientists yet was the royal road to the unconscious mind Telepathy was discussed by eminent men and women of the day including Sigmund Freud Thomas Huxley Henry and William James Mary Kingsley Andrew Lang Vernon Lee W T Stead and Oscar Wilde Did telepathy signal evolutionary advance or possible decline Could it be a means of binding the Empire closer together or was it used by natives to subvert imperial communications Were women more sensitive than men and if so why Roger Luckhurst investigates these questions in an exciting and accessible study that mixes history of science with cultural history and literary analysis

The Oxford Handbook of Victorian Literary Culture Juliet John, 2016 The Oxford Handbook of Victorian Literary Culture is a major contribution to the dynamic field of Victorian studies This collection of 37 original chapters by leading international Victorian scholars offers new approaches to familiar themes including science religion and gender and gives space to newer and emerging topics including old age fair play and economics Structured around three broad sections on Ways of Being Identity and Ideology Ways of Understanding Knowledge and Belief and Ways of Communicating Print and Other Cultures the volume is sub divided into nine sub sections each with its own lead essay on subjectivity politics gender and sexuality place and race religion science material and mass culture aesthetics and visual culture and theatrical culture The collection like today s Victorian studies is thoroughly interdisciplinary and yet its substantial Introduction explores a concern which is evident both implicitly and explicitly in the volume s essays that is the nature and status of literary culture and the literary from the Victorian period to the present The diverse and wide ranging essays present original scholarship framed accessibly for a mixed readership of advanced undergraduates graduate students and established scholars

The Body in Question Alan Petersen, 2007-01-24 Why is there currently such strong academic and popular interest in the body in contemporary societies What factors shape our conceptions of the body its naturalness health and normality What is the mind body dualism and why should it matter This book examines these and other body questions from a critical socio cultural perspective In particular it shows how conceptions of the body are affected by processes of individualization medicalization and commodification Chapters discuss the impact of new biomedical technologies on the notion of the natural body efforts to reshape and perfect the body the role of the media in framing body issues processes of body classification the impact of consumerism on concepts of health healing and self care and the implications of theoretical and practical efforts to integrate mind and body This book will be an invaluable source for those seeking to understand the social cultural and political significance of the body in contemporary society

Participant Observers Dr. Freddy Foks, 2023-02-14 Social anthropology was at the forefront of debates about culture society and economic development in the British Empire This book explores the discipline s rise in the interwar period crisis amid decolonization and ironic reemergence in the postwar metropole Across the humanities and social sciences activists and scholars used anthropological concepts forged in empire to rethink British society at midcentury Participant Observers shows how colonial anthropology helped define the social imagination of postimperial Britain Part institutional history of the

discipline's formation part cultural history of its impact this is the first account of social anthropology's pivotal role in Britain's intellectual culture Discourse Theory in European Politics D. Howarth, J. Torfing, 2004-11-30 This volume of essays employs discourse theory to analyze mainstream topics in contemporary European politics Inspired by developments in post structuralist psychoanalytic and post Marxist theory each contributor problematizes a central issue in European governance including European security Third Way politics constitutional and administrative reform new forms of nationalism and populism the shift from welfare to workfare environmental politics and local government Alongside these substantive issues the book tackles questions raised by the difficulties of applying discourse theory to empirical cases **Encyclopedia of American Social Movements** Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice
