Sexual Assault And Child Sexual Abuse

Anna Gekoski, Steve Broome

Sexual Assault And Child Sexual Abuse:

Sexual Assault and Child Sexual Abuse Linda Webster, 1989 Includes approximately 2 700 local agencies organizations and 100 national organizations concerned with sexual assault and child sexual abuse Main section contains agency profiles geographically arranged Entries give such information as type of agency clients and services and languages used Miscellaneous appendixes *The Epidemic of Rape and Child Sexual Abuse in the United States* Diana .E H. Russell, Rebecca M. Bolen, 2000-07-06 The authors clearly document the need for special techniques when interviewing about sensitive sexual issues and their defense of Russell's prevalence rates is convincing Readers will gain an understanding of the impact of research methods on results and the interplay of political agendas and research interests Extensive references as well as clear tables and figures Highly recommended for academic collections Choice This is a fascinating book which will have wide appeal to academicians and scholars in the field Dr Russell's outstanding reputation in the field should sell any book and this book is another example of her excellent work I offer my highest praises for this book and believe it will become an instant classic Helen M Eigenberg Ph D Professor and Director of the School of Social and Community Services This long awaited follow up to Diana Russell's landmark 1984 book *Sexual Exploitation* examines the many and often conflicting findings of studies that have since been conducted on the incidence and prevalence of rape and child sexual abuse in the United States The wide variation in prevalence rates obtained by these studies for example rape rates ranging from 2 6% to 44% has led many hostile critics to attack the high rates as misleading and alarmist Diana E H Russell and Rebecca M Bolen's careful evaluation of 14 government and privately funded studies including Russell's own provides a definitive statement on the realities concerning the prevalence of rape and child sexual abuse Their evaluations consider the various definitions researchers have used for rape and child sexual assault as well as their methodologies for collecting data The authors also address in particular the sexual victimization statistics reported by two important U S government agencies the FBI and the Bureau of Justice Statistics both of which have reported relatively low incidence rates This book also addresses the widely publicized backlash criticism from both anti feminists and a new breed of feminist critics claiming that high sexual assault rates are greatly exaggerated Armed with the belief that accurate information about the magnitude of sexual assault in society is vital to the theory prevention and treatment of these crimes the authors have produced a ground breaking resource that is a must read book for those who study educate about and help the women and girls who are victims of sexual assault **The Sexual Abuse of Children** William T. O'Donohue, 2013-12-16 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and

engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention

Child Sexual Abuse Beverly Gomes-Schwartz, Jonathan M. Horowitz, Albert P. Cardarelli, 1990 When a child has been sexually abused where should a parent or guardian turn for treatment What legal issues are involved when sexual abuse occurs What impact does child sexual abuse have on family functioning These are questions all parents guardians or counselors encounter during the initial stages of child sexual abuse Child Sexual Abuse offers a wealth of information on available treatment programs the impact of sexual abuse on the family and other factors associated with abuse and treatment outcomes This volume is based on the results of the Tufts study that until now have not been readily available describing the background of the study the research framework and the selection of the treatment sample The authors then examine the nature of child sexual abuse its initial effects the myth of the mother as accomplice and the affects of abuse 18 months after disclosure A final section presents conclusions and recommendations associated with the research and appendixes detail the statistical test results Researchers and practitioners will benefit from the important issues and information contained in Child Sexual Abuse This study was a pathbreaking one on the road to understanding the immediate impact of sexual abuse It is a great welcome to have it available It is indispensable to any researcher wishing to understand how sexual abuse affects children David Finkelhor University of New Hampshire The research described in the book is outstanding in its breadth and accessibility Readers will find this book to be immensely interesting and useful whether they are researchers or clinicians Kathleen A Kendall Tackett University of New Hampshire This book is worth reading Issues in Child Abuse Accusations Offers a concise description of the development of child abuse theory as well as interesting data on the kinds of children who are sexually abused the nature and effects of the abuse and the effects of crisis intervention There is a wealth of information succinctly presented Readings A Journal of Reviews and Commentary in Mental Health An impressive initial study in the field of child sexual abuse Archives of Sexual Behavior The research in this book addresses the information needs of practitioners Topics covered include whether to remove a sexually abused child from the home where the abuse took place whether intense psychotherapeutic treatment is needed for the victim or family and whether to intervene at all for the best interest of a child The authors of this book referred to many experts in the field to compile the empirical research This book is arranged in a manner which makes these findings easily accessible to the reader whether the individual creates policies of frequently treats child sexual abuse cases for readers interested the appendix gives complete statistical test results Child Sexual Abuse is excellent for anyone working in this field or who is interested in gathering information about child sexual abuse The trauma and impact sexual abuse has upon a child and the family is well addressed Family Violence Sexual Assault Bulletin It contains a wealth of information about the nature and effects of abuse This book is a useful data base Child Abuse Review

Child Sexual Abuse Megan J. Smith, 2008 Accurate statistics on the prevalence of child and adolescent sexual abuse are difficult to collect

because of problems of underreporting and the lack of one definition of what constitutes such abuse However there is general agreement among mental health and child protection professionals that child sexual abuse is not uncommon and is a serious problem which has become more widely spread with the internet This new book presents recent and significant research from around the globe

Childhood Sexual Abuse David M. Fergusson,Paul E. Mullen,1999-02-02 This book critically reviews research into child sexual abuse CSA and provides a concise and clear guide to current knowledge The topics covered include the prevalence of CSA who molests children the effects of such abuse both immediate and long term the risk factors for abuse and the influences and interventions that may amplify or ameliorate the impact of CSA on the victim Areas of debate such as the false memory syndrome are approached in terms of the research data relevant to their resolution

Social Work and Child Sexual Abuse Jon R. Conte,David A. Shore,1982 Here is an indispensable book highlighting information on the problem of child sexual abuse for anyone concerned with the welfare of young children Focusing on the social worker s role in responding to the abuse of children this highly practical volume assesses the state of knowledge about sexual abuse It includes reviews of the historical context in which sexual abuse takes place and sheds light on issues surrounding the professional s responses to sexual abuse alternative models of sexual abuse treatment programs and practice knowledge developments The contributors have also addressed a number of clinical issues including family treatment and social work treatment at a juvenile court as well as the role of the courts and the problem of sexual abuse and sexual education in child caring institutions

Sexual Abuse of Children Roger J. R. Levesque,1999 This book considers how human rights law can help define what could and should be done to protect children from sexual maltreatment The volume explores diverse forms of sexual maltreatment compares societal responses to existing research and policies uncovers basic themes and proposes directions for future action Roger Levesque places particular emphasis on the ways abusive activities in different countries and societies are linked with one another and the way diverse societal views of children place them at risk

Sexual Abuse - Child Sexual Abuse True Stories Robyn MacBridge,2013 Sexual Abuse Child Sexual Abuse True Stories What You Need to Know things that are hard to fathom and so many You ll also find out why mothers who know about it many times do nothing about it and what that does to the child on into adulthood If you ve wondered what child sexual abuse is about not only the stories but its prevalence statistics psychological and emotional impact things that can be done to help prevent it and available resources on a worldwide basis including current phone numbers support groups and websites all of that information is contained in this book Collectively with just a little awareness about that dark world I feel we can make a difference in protecting the innocence of children adolescence teens from molestation and sexual abuse

Child Sexual Abuse: Empirical Research on Understanding and Helping Victims and Offenders Noora Ellonen,Robert Horselenberg,Cristina Izura,Taina Laajasalo,Nadia Marie Wager,2022-03-11

Group Work with Sexually Abused Children Lynn Grotzky,Carel Camerer,Lynn Damiano,1999-12-15 This is a well written and nicely

organized book that can be both a helpful handbook for clinicians just starting to do group treatment for young victims of sexual abuse as well as a terrific resource for useful group treatment activities for the more experienced clinicians. It addresses important issues in the treatment of sexual abuse and offers suggestions and hints when using different activities as well as discusses potential problems for each activity. The book is full of examples taken from actual groups and includes materials to use for both support and therapy groups for boys and girls ages four to eighteen. As someone who has provided group treatment for many years, I found this to be a comprehensive book that successfully incorporates treatment issues for both children and their parents with great new and practical ideas for group treatment. Kerry J Todd MSW, Children's Response Center, Bellevue, Washington. Group work is particularly effective with child sexual assault victims because it breaks down their feelings of isolation, builds social skills, teaches appropriate boundary settings, and helps them realize they are normal. This easy-to-follow manual presents techniques for working with groups of children who have been sexually abused. It begins with an overview of the theory and literature of group therapy with children and then offers seven sections of psychosocial skill building techniques: trust building, self-esteem, identifying and expressing feelings, healing the inner child, relationships, boundary setting, and prevention skills. It concludes with sample outlines for conducting 10-week groups and a bibliography of information on sexual assault. It is directed to mental health professionals who work with sexually abused children, school counselors, and psychologists, workers in group homes, and advanced students in the mental health fields. It will also be helpful to early childhood educators and therapists working with any children, since many of the techniques can be utilized with children of divorce or in bereavement and general self-esteem groups. *Victims and Survivors: (TM) Own Stories of Intrafamilial Child Sexual Abuse* Anna Gekoski, Steve Broome, 2019-12. In the UK today, it is estimated that nearly one in twenty children are subjected to sexual abuse, with the overwhelming majority being abused within the family environment. However, despite its prevalence, intrafamilial child sexual abuse remains largely shrouded in silence, shame, and stigma. Taking a phenomenological approach, this book presents ten retrospective first-person accounts from adult victims and survivors exploring the impact of such abuse throughout the life course. These stories illustrate how child sexual abuse can cause trauma affecting almost every aspect of life: emotionally, psychologically, interpersonally, behaviourally, and cognitively. However, they also demonstrate the remarkable resilience of the human spirit and how adverse experiences can be lived with, processed, and assimilated. These accounts address a gap in what academics, practitioners, and policy makers know about child sexual abuse, give victims and survivors a voice, and open up a conversation about one of the most enduring societal and cultural problems. *True And False Allegations Of Child Sexual Abuse* Tara Ney, 2013-06-20. It is important for society that the backlash does not result in the reburial of the problem of child sexual abuse. *True and False Allegations of Child Sexual Abuse* represents an important contribution to that effort. This book is about conducting evaluations of allegations of child sexual abuse that take into account research knowledge and practice wisdom. It is not a cookbook about

how to do evaluations Rather it provides a great deal of food for thought and is aimed at child abuse professionals who can critically read and test the material against their experiences in the field It includes a wide spectrum of information approaches and opinions about child sexual abuse evaluation **Medical Evaluation of Child Sexual Abuse** Martin A. Finkel,Angelo P. Giardino,2002 This newly updated edition of the top selling reference manual for the medical evaluation of suspected child sexual abuse has been expanded to reflect the increasing importance of properly performed well documented examinations Not only does the book cover aspects of the physical examination and diagnosis for sexual abuse its additional coverage of interviewing children and collecting evidence for criminal investigations makes it an inclusive guidebook for all aspects of the child sexual abuse evaluation process **Counselling Adult Survivors of Child Sexual Abuse** Christiane Sanderson,2006 This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse CSA In a reasoned and thoughtful approach this book honestly addresses the complex issues in this important area of work providing practical strategies valuable and new insights for counsellors

Repair for Kids ,2008-01-01 McKinnon presents a six stage program to help children ages 6 to 12 recover from incest and childhood sexual abuse **Understanding Sexual Violence** Diana Scully,2013-10-18 Understanding Sexual Violence examines the structural supports for rape in sexually violent cultures and dispels a number of myths about sexual violence for example that childhood abuse alcohol and drugs are direct causes of rape *A Sourcebook on Child Sexual Abuse* David Finkelhor,Sharon Araji,1986-05 How widespread is child sexual abuse Which groups of children are at greatest risk Why do offenders offend What are the initial and long term effects of sexual abuse on victims How can child sexual abuse be prevented How should researchers approach the problem David Finkelhor is a leading researcher in the field of family violence and child sexual abuse He is the author of two previous books on the subject Sexually Victimized Children and Child Sexual Abuse New Theory and Research Finkelhor is also known for his work in other areas of family violence He is a co editor of Dark Side of Copyright Libri GmbH All rights reserved **Child Sexual Abuse** Aminabee Shaik,Suguna Leelavathi Thota,Lakshmana Rao Atmakuri,2024-06-25 This book is about child sexual abuse in India Child sexual abuse CSA is a serious and wide spread problem in India as it is in many parts of the world today The trauma associated with sexual abuse can contribute to arrested development as well as a host of psychological and emotional disorders that some children and adolescents may never overcome This edited book discusses the nature and incidence of the sexual abuse of minors in India and presents an overview of research findings to date Socio cultural and familial risk factors involved in CSA are discussed Common symptoms and disorders associated with sexual abuse are outlined The book also provides guidance on child protective services coordinated response in preventing child abuse mental health and law enforcement Finally it discusses cognitive behavioral interventions to overcome the trauma caused due to sexual abuse **Child Sexual Abuse** Christopher Bagley,Kathleen King,2003-09-02 A comprehensive overview of the causes treatment and prevention of child sexual abuse

which approaches the problem from the perspectives of the victims their families and the offenders themselves

Sexual Assault And Child Sexual Abuse Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Assault And Child Sexual Abuse has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Assault And Child Sexual Abuse has opened up a world of possibilities. Downloading Sexual Assault And Child Sexual Abuse provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Assault And Child Sexual Abuse has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Assault And Child Sexual Abuse. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Assault And Child Sexual Abuse. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Assault And Child Sexual Abuse, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Assault And Child Sexual Abuse has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexual Assault And Child Sexual Abuse Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
