# Sexual Chemistry A History Of The Contraceptive Pill

**Catherine Kevin**

## **Sexual Chemistry A History Of The Contraceptive Pill:**

**Sexual Chemistry** Lara Marks,2001-01-01 Traces the scientific origins of birth control pills and discusses how they contributed to the sexual revolution and how they have helped curb global over population *Sexual Chemistry* ,2001

## **The Family Planning Association and Contraceptive Science and Technology in Mid-Twentieth-Century Britain**

Natasha Szuhán,2022-08-18 This book offers the first in depth investigation into the relationship between the National Birth Control Association later the Family Planning Association and contraceptive science and technology in the pre Pill era It explores the Association s role in designing and supporting scientific research employment of scientists engagement with manufacturers and pharmaceutical companies and use of its facilities patients staff medical scientific and political networks to standardise and guarantee contraceptive technology it prescribed and produced By taking a micro history approach to the archives of the Association this book highlights the importance of this organisation to the history of science technology and medicine in twentieth century Britain It examines the Association s participation within Western family planning networks working particularly closely with its American counterparts to develop chemical and biological means of testing contraception for efficacy quality and safety ,

**Genius Unmasked** Roberta Ness,2013-05-17 Genius can seem incomprehensible even to seasoned researchers Einstein s theory of special relativity Rutherford s glimpse into the invisible heart of the atom such astonishing breakthroughs seem almost magical like bolts of insight arising from nowhere **Genius Unmasked** reveals the true nature of genius taking the reader on a journey through the lives and minds of more than a dozen brilliant scientists ranging from Darwin Einstein Edison and Pasteur to such lesser known but important innovators as Maria Montessori Their stories are truly compelling and at time inspiring but more important Roberta Ness uses these stories to highlight a cognitive tool box that anyone can employ Ness an authority on innovation outlines eleven basic strategies including finding the right question observation analogy changing point of view dissection reorganization the power of groups and frame shifting Beginning with Charles Darwin who left behind a voluminous trail of writing that preserved his thinking process Ness illuminates his use of all eleven tools Indeed for each genius she combines a fascinating narrative of their creative work with an astute analysis of how they used particular tools to achieve their breakthroughs We see how Ansel Keys the father of the Mediterranean diet used the power of groups enlisting a team of statisticians nutritionists physiologists and physicians to track the health benefits of exercise and diet How Paul Baran conceived packet switching the idea that made the internet possible through analogy with the neurological networks of the brain And how Maria Montessori overturned the conventional frame of thinking about the role of children in education **Genius Unmasked** shows how the most creative minds in science used tools that can help us improve our creative abilities Geniuses are not omnipotent They are just very skilled at employing the creativity toolbox highlighted in this book **The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 1, Structures, Spaces, and Boundary Making** J. R.

McNeill, Kenneth Pomeranz, 2015-04-30 Since 1750 the world has become ever more connected with processes of production and destruction no longer limited by land or water based modes of transport and communication Volume 7 of the Cambridge World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The first book examines structures spaces and processes within which and through which the modern world was created including the environment energy technology population disease law industrialization imperialism decolonization nationalism and socialism along with key world regions **Becoming Female And Male** Ramon Piñon Jr., 2018-08-31

**Becoming Female and Male** Our Extraordinary and Perilous Journey focuses on critical aspects in the development and biology of our reproductive system A wealth of information not readily available to the general reader is complemented with a rich assortment of historical perspectives and commentaries It begins with the amazingly complex seemingly miraculous processes that lead to the formation of the eggs and sperm follows the fetal development of the genital tissues the post pubertal reproductive functions of females and males the pubertal transition and finally our reproductive twilight The next section focuses on fertilization and implantation birth and lactation and exciting new studies relating the origins of chronic adult diseases to our pre birth environment in the womb The third section covers pregnancy loss and birth defects while the final section reviews birth control methods the causes of infertility and the new growth industry assisted reproduction In addition three appendices supplement the main text and provide more detailed information about sex chromosomes mutations hormonal integration of the reproductive system and disorders of sexual development

Unclean Lips Josh Lambert, 2013-11-25 Winner of the 2014 Jordan Schnitzer Book Award presented by the Association for Jewish Studies Jews have played an integral role in the history of obscenity in America For most of the 20th century Jewish entrepreneurs and editors led the charge against obscenity laws Jewish lawyers battled literary censorship even when their non Jewish counterparts refused to do so and they won court decisions in favor of texts including Ulysses A Howl Lady Chatterley s Lover and Tropic of Cancer Jewish literary critics have provided some of the most influential courtroom testimony on behalf of freedom of expression The anti Semitic stereotype of the lascivious Jew has made many historians hesitant to draw a direct link between Jewishness and obscenity In Unclean Lips Josh Lambert addresses the Jewishness of participants in obscenity controversies in the U S directly exploring the transformative roles played by a host of neglected figures in the development of modern and postmodern American culture The diversity of American Jewry means that there is no single explanation for Jews interventions in this field Rejecting generalizations this book offers case studies that pair cultural histories with close readings of both contested texts and trial transcripts to reveal the ways in which specific engagements with obscenity mattered to particular American Jews at discrete historical moments Reading American culture from Theodore Dreiser and Henry Miller to Curb Your Enthusiasm and FCC v Fox Unclean Lips analyzes the variable historical and cultural factors that account for the central role Jews have played in the struggles over obscenity and censorship in the modern United States

**Feminism and the Body** Catherine Kevin, 2009-12-14 By definition feminism is concerned with the historical social and political meanings of sexual difference in the human body and the spectrum of experiences those meanings produce At the beginning of the twenty first century gendered forms of violence persist abortion remains a political issue reproductive and cosmetic technologies and their concomitant ethical questions are proliferating and the presence of women s bodies in public spaces and for public consumption produces a range of anxieties about women s well being and the common good Feminist scholars from across the disciplines grapple with these issues in *Feminism and the Body* In so doing they continue a history of intellectual endeavor that for centuries has striven to identify the interplay between corporeal differences and relationships of power This collection will take the reader on a journey into myriad domains in which a variety of discursive effects come to life in the embodied subject from the theatres of medical surgery and law to the discussion fora of sex therapy and marriage guidance experts from Peruvian villages of the late twentieth century to African American plays of the 1920s and 1930s from explicitly feminist novels and films to the mainstream press and right into feminist scholarship that theorises the female body In so doing this collection restates and reinvigorates feminism s long standing necessary and emphatic engagement with the female body

**The Selected Papers of Margaret Sanger, Volume 4** Margaret Sanger, 2016-10-01 When Margaret Sanger returned to Europe in 1920 World War I had altered the social landscape as dramatically as it had the map of Europe Population concerns sexuality venereal disease and contraceptive use had entered public discussion and Sanger s birth control message found receptive audiences around the world This volume focuses on Sanger from her groundbreaking overseas advocacy during the interwar years through her postwar role in creating the International Planned Parenthood Federation The documents reconstruct Sanger s dramatic birth control advocacy tours through early 1920s Germany Japan and China in the midst of significant government and religious opposition to her ideas They also trace her tireless efforts to build a global movement through international conferences and tours Letters journal entries writings and other records reveal Sanger s contentious dealings with other activists her correspondence with the likes of Albert Einstein and Eleanor Roosevelt and Sanger s own dramatic evolution from gritty grassroots activist to postwar power broker and diplomat A powerful documentary history of a transformative twentieth century figure *The Selected Papers of Margaret Sanger Volume 4* is a primer for the debates on individual choice sex education and planned parenthood that remain all too pertinent in our own time

**Pills, Power, and Policy** Dominique A. Tobbell, 2012 Tobbell analyzes the political and economic history of the alignment of the pharmaceutical industry academic institutions and their faculty and organized medicine This book is essential reading for policymakers and their staff as well as persons who study the history of health policy and those who contribute to it through medical research advocacy and journalism Daniel Fox author of *The Convergence of Science and Governance* Research Health Policy and American States Dominique Tobbell s vivid balanced and probing account of pharmaceutical politics is a significant needed analysis of the relationships between the

pharmaceutical industry university researchers the medical profession and government in the Cold War period More than this Pills Power and Policy shows why it continues to be difficult to agree in the United States on the relative roles of corporate enterprise government regulation technological innovation freedom to prescribe and consumer marketing and protection all played out against the rising costs of health care Timely and thought provoking Rosemary A Stevens DeWitt Wallace Distinguished Scholar Department of Psychiatry Weill Cornell Medical College A superb and compelling account of the creation of one of America s most reviled entities Big Pharma With clarity and subtlety Pills Power and Policy weaves together the political economic and the medical to reveal the entangled history behind our modern pharmaceutical predicament Andrea Tone Ph D Professor of History Canada Research Chair in the Social History of Medicine McGill University Pills Power and Policy provides an outstanding description and analysis of the evolution of drug policy It is an extremely important contribution to our understanding of the political scientific and economic nature of pharmaceutical regulation Daniel S Greenberg Washington journalist and author of Science Money and Politics Political Triumph and Ethical Erosion

**A Companion to the History of American Science** Georgina M. Montgomery, Mark A. Largent, 2019-09-23 A Companion to the History of American Science offers a collection of essays that give an authoritative overview of the most recent scholarship on the history of American science Covers topics including astronomy agriculture chemistry eugenics Big Science military technology and more Features contributions by the most accomplished scholars in the field of science history Covers pivotal events in U S history that shaped the development of science and science policy such as WWII the Cold War and the Women s Rights movement

*Sexual State* Roger Davidson, 2012-04-12 This important book fills a gap in the study of modern Scottish and British Society providing as it does a vital perspective on Scotland s sexual history and its political and social context It is unique in exploring the period from 1950 to 1980 covering the immediate post war and Scotland s sexual coming of age It charts a steady political growth from a deeply moralistic policy framework towards a less judgmental global and scientific context Davidson and Davis lead us through the Scottish sexual landscape leading up to the global crisis of HIV AIDS analysing post war state policy towards issues such as abortion family planning homosexuality pornography prostitution sex education and sexual health Policy makers social historians teachers and students alike will find this an invaluable resource on the study of sexuality and policy making in modern society

**Artifacts from Modern America** Helen Sheumaker, 2017-11-03 This intriguing book examines how material objects of the 20th century ranging from articles of clothing to tools and weapons communication devices and toys and games reflect dominant ideas and testify to the ways social change happens Objects of everyday life tell stories about the ways everyday Americans lived Some are private or personal things such as Maidenform brassiere or a pair of patched blue jeans Some are public by definition such as the bus Rosa Parks boarded and refused to move back for a white passenger Some material things or inventions reflect the ways public policy affected the lives of Americans such as the Enovid birth control pill An invention like the electric wheelchair

benefited both the private and public spheres it eased the lives of physically disabled individuals and it played a role in assisting those with disabilities to campaign successfully for broader civil rights Artifacts from Modern America demonstrates how dozens of the material objects items technologies or inventions of the 20th century serve as a window into a period of history After an introductory discussion of how to approach material culture the world of things to better understand the American past essays describe objects from the previous century that made a wide ranging or long lasting impact The chapters reflect the ways that communication devices objects of religious life household appliances vehicles and tools and weapons changed the lives of everyday Americans Readers will learn how to use material culture in their own research through the book s detailed examples of how interpreting the historical cultural and social context of objects can provide a better understanding of the 20th century experience **The Country Music Reader** Travis D.

Stimeling,2015-01-02 In The Country Music Reader Travis D Stimeling provides an anthology of primary source readings from newspapers magazines and fan ephemera encompassing the history of country music from circa 1900 to the present Presenting conversations that have shaped historical understandings of country music it brings the voices of country artists and songwriters music industry insiders critics and fans together in a vibrant conversation about a widely loved yet seldom studied genre of American popular music Situating each source chronologically within its specific musical or cultural context Stimeling traces the history of country music from the fiddle contests and ballad collections of the late nineteenth and early twentieth centuries through the most recent developments in contemporary country music Drawing from a vast array of sources including popular magazines fan newsletters trade publications and artist biographies The Country Music Reader offers firsthand insight into the changing role of country music within both the music industry and American musical culture and presents a rich resource for university students popular music scholars and country music fans alike **The Risks of**

**Medical Innovation** Thomas Schlich,Ulrich Tröhler,2006 Presenting a new way of thinking about the risks of medical innovation this volume considers the issues from a social historical perspective and studies specific cases in their respective contexts **Marriage and Divorce in America** Jaimee L. Hartenstein,2023-08-24 This wide ranging resource will help readers understand the history and current state of marriage and divorce in the United States including their many cultural economic political legal and religious facets Coverage includes information and insights on broad trends in relationships that are changing the landscape of American society such as childcare delayed marriages blended families and prevalence of marriage and divorce among various socioeconomic groups In addition the encyclopedia features in depth entries covering high interest issues that are shaping the character of marriage divorce relationships and family life in the 21st century including economic legal topics child support prenups divisions of assets in divorce the wedding industry no fault divorce legal representation in divorce and economic independence as a factor in separations divorce other divorce factors infidelity parenthood illness domestic abuse and child abuse and a host of other legal cultural issues factors and phenomena both

current and historical      *The Routledge History of Sex and the Body* Sarah Toulalan, Kate Fisher, 2013-03-20 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body      Sexuality and Consumption Mario Keller, Johann Karl Kirchknopf, Oliver Kühschelm, Karin Moser, Stefan Ossmann, 2022-08-01 In western societies today it goes almost without saying that sex and consumption are closely related On the one hand there is a plethora of commercial goods and services that shape sexual desires and practices On the other there are scarcely any products or services that do not lend themselves to sexually charged advertising and mass media communication This volume focuses on forms of hybridization of these equally suggestive notions      Gendered Drugs and Medicine Teresa Ortiz-Gomez, María Jesús Santesmases, 2016-04-22 Drugs are considered to be healers and harmers wonder substances and knowledge makers objects that impact on social hierarchies health practices and public policies As a collective endeavour this book focuses on the ways that gender along with race ethnicity and class influence the design standardisation and circulation of drugs throughout several highly medicalised countries throughout the twentieth century and until the twenty first Fourteen authors from different European and non European countries analyse the extent to which the dominant ideas and values surrounding masculinity and femininity have contributed to shape the research prescription and use of drugs by women and men within particular social and cultural contexts New and lesser known gender specific issues in lifestyles and social practices associated with pharmaceutical technologies are analysed as is the manner in which they intervene in life experiences such as reproduction sexual desire childbirth depression and happiness The processes of prescribing selling marketing and accepting or forbidding drugs is also examined as is the contribution of gendered medical practices to the medicalisation and growing consumption of drugs by women Gender relations and other hierarchies are involved as both causes and consequences of drug cultures and of the history and social life of gender in contemporary drug production use and consumption A network of agents emerges from this book s research contributing to a better understanding of both gender and drugs within our society

## Enjoying the Tune of Phrase: An Emotional Symphony within **Sexual Chemistry A History Of The Contraceptive Pill**

In some sort of consumed by displays and the ceaseless chatter of instantaneous transmission, the melodic beauty and emotional symphony created by the written term frequently fade into the back ground, eclipsed by the constant sound and disturbances that permeate our lives. But, nestled within the pages of **Sexual Chemistry A History Of The Contraceptive Pill** an enchanting fictional treasure filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this charming masterpiece conducts viewers on a psychological journey, skillfully unraveling the concealed melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of the emotional analysis, we will examine the book is central harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
