**The Living Church** ,2000-07 *Shame, the Church and the Regulation of Female Sexuality* Miryam Clough, 2017-07-14 Shame strikes at the heart of human individuals rupturing relationships extinguishing joy and at times provoking conflict and violence This book explores the idea that shame has historically been and continues to be used by an oftentimes patriarchal Christian Church as a mechanism to control and regulate female sexuality and to displace men s ambivalence about sex Using a study of Ireland s Magdalen laundries as a historical example contemporary feminist theological and theoretical scholarship are utilised to examine why the Church as an institution has routinely colluded with the shaming of individuals and moreover why women are consistently and overtly shamed on account of and indeed take the blame for sex In addition the text asks whether the avoidance of shame is in fact functional in men s efforts to adhere to patriarchal gender norms and religious ideals and whether women end up paying the price for the maintenance of this system This book is a fresh take on the issue of shame and gender in the context of religious belief and practice As such it will be of significant interest to academics in the fields of Religious Studies but also History Psychology and Gender Studies

experienced physical violence in an intimate relationship Dating violence intimate partner violence and child abuse rank as some of our nation s largest problems Men are also being abused by intimate partners parents or care providers at increasing rates The statistic is even more alarming worldwide Unfortunately these statistics represent only reported incidents The rates of verbal emotional and spiritual abuse are even higher In addition countless women are encouraged by clergy to return to their abusive spouses The faith community while called by God to free the oppressed has been slow to respond to this sin against humanity Few seminaries offer quality domestic violence prevention training for clergy However clergy still continue to be sought for help from the community and as advocates for victims of domestic violence A partnership between the church and community locally and abroad is necessary if we wish to transform humans caught in this form of oppression In *Setting the Captives Free* Ron Clark proposed a theology of addressing domestic violence and its application for clergy *Freeing the Oppressed* is a book that seeks to condense Clark s previous work into a readable form for those seeking spiritual answers concerning abuse and batterer intervention and for helpers of those caught in the cycle of family violence It is also designed as an outreach for those seeking help from the faith community
