**Zillah R. Eisenstein**

## **Sexual Suicide:**

*Sexual Suicide* George F. Gilder, 1973      *Sexual Suicide* George F. Gilder, 1974      Nostalgia and Sexual Difference (RLE Feminist Theory) Janice Doane, DEVON HODGES, 2013-05-20 Dissatisfaction with the present can cause people to gaze nostalgically back to an idealized past that nostalgia pervades contemporary rhetoric In lamenting the degeneracy of present day America social and literary critics as well as contemporary novelists often choose as their scapegoat the women s movement and its increasing influence Doane and Hodges show us how these social observers seek to reinstate America and American values in ways that overtly or covertly do battle with the feminist movement for control of rhetoric the power of language      **Sexuality and Serious Mental Illness** Peter F Buckley, 2013-05-13 Reflecting current understanding of the complexities of sexual activity among persons with chronic mental illness the text draws upon the collective wisdom and experience of experts from a variety of settings Clinicians advocates consumers researchers legal experts and administrators all contribute to document the concerns about sexual behavior and the consequent health risks for this at risk population The research presented here is particularly timely in view of recent emphases on patient choice recovery and advocacy and can be used to provide guidance to clinicians mental health administrators policymakers advocates and researchers      **The Female Body and the Law** Zillah R. Eisenstein, 2024-07-26 The Female Body and the Law provides an original and incisive reexamination of the dynamics of sexual equality Eisenstein contends that sexual inequality is fostered both by the law and by the insistence that men and women are biologically different Through a fascinating discussion of a series of issues including affirmative action AIDS Baby M pornography and abortion Eisenstein shows how the law operates as a political language that establishes and curtails choices and actions This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990      *Sex Role Attitudes and Cultural Change* I. Gross, J. Downing, A. D'Heurle, 2012-12-06 The initial impetus for this volume was the occasion of the World Congress for Mental Health held in Vancouver British Columbia in 1977 The theme of that congress was priorities in mental health The keynote speaker Mrs Rosalynn Carter wife of the then President of the United States focused attention on the necessity for an international perspective in understanding priorities for mental health Without exception subsequent speakers echoed the sentiments Mrs Carter expressed that the first priority for mental health was that of children For many participants the concern for children was translated not only into techniques for treatment but more importantly into broadening the approaches to prevention One theme emerged which has begun to be addressed around the world that of the cultural and developmental implications of sex role stereotyping for mental health This topic proved to be the touchstone for many issues related both directly and indirectly to mental health Among the most prominent concerns expressed were those

for the effects on careers the learning environment and relations between the sexes which stem from stereotyped attitudes concerning appropriate sex role behavior The consensus of the participants was to urge the directorate of the congress to continue this topic at the next World Congress This was a particularly appropriate content for the next World Congress since 1979 was the International Year of the Child Impotence Angus McLaren,2008-09-15 As anyone who has watched television in recent years can attest we live in the age of Viagra From Bob Dole to Mike Ditka to late night comedians our culture has been engaged in one long frank and very public talk about impotence and our newfound pharmaceutical solutions But as Angus McLaren shows us in *Impotence* the first cultural history of the subject the failure of men to rise to the occasion has been a recurrent topic since the dawn of human culture Drawing on a dazzling range of sources from across centuries McLaren demonstrates how male sexuality was constructed around the idea of potency from times past when it was essential for the purpose of siring children to today when successful sex is viewed as a component of a healthy emotional life Along the way *Impotence* enlightens and fascinates with tales of sexual failure and its remedies for example had Ditka lived in ancient Mesopotamia he might have recited spells while eating roots and plants rather than pills and explanations which over the years have included witchcraft shell shock masturbation feminism and the Oedipal complex McLaren also explores the surprising political and social effects of impotence from the revolutionary unrest fueled by Louis XVI's failure to consummate his marriage to the boost given the fledgling American republic by George Washington's failure to found a dynasty Each age McLaren shows turns impotence to its own purposes using it to help define what is normal and healthy for men their relationships and society From marriage manuals to metrosexuals from Renaissance Italy to Hollywood movies *Impotence* is a serious but highly entertaining examination of a problem that humanity has simultaneously regarded as life's greatest tragedy and its greatest joke **Pornography, Sex Work, and Hate Speech** Karen Maschke,2024-11-01 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women's studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women's legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women Kiss and Tell Julia A. Ericksen,Sally A.

Steffen,2001-12-28 Learning the details of others sex lives is the most enticing of guilty pleasures We measure our own practices against the normalcy that sex surveys seek to capture Special interest groups use or attack survey findings such as the claim that 10% of Americans are gay for their own ends Indeed we all have some stake in these surveys be it self justification recrimination or curiosity and this testifies to their significance in our culture Kiss and Tell chronicles the history of sex surveys in the United States over a century of changing social and sexual mores Julia Ericksen and Sally Steffen reveal that the survey questions asked more than the answers elicited expose and shape the popular image of appropriate sexuality We can learn as much about the history and practice of sexuality by looking at surveyors changing concerns as we can by reading the results of their surveys The authors show how surveys have reflected societal anxieties about adolescent development teen sex and promiscuity and AIDS and have been employed in efforts to preserve marriage and to control women s sexuality Kiss and Tell is an important examination of the role of social science in shaping American sexual patterns Revealing how surveys of sexual behavior help create the issues they purport merely to describe it reminds us how malleable and imperfect our knowledge of sexual behavior is Women's Liberation! Alix Kates Shulman,Honor Moore,2021-02-16

Two pioneering feminists present a groundbreaking collection recovering a generation s revolutionary insights for today When Betty Friedan published The Feminine Mystique in 1963 the book exploded into women s consciousness Before the decade was out what had begun as a campaign for women s civil rights transformed into a diverse and revolutionary movement for freedom and social justice that challenged many aspects of everyday life long accepted as fixed work birth control and abortion childcare and housework gender class and race art and literature sexuality and identity rape and domestic violence sexual harassment pornography and more This was the women s liberation movement and writing powerful personal and prophetic was its beating heart Fifty years on in the age of MeToo and Black Lives Matter this visionary and radical writing is as relevant and urgently needed as ever ready to inspire a new generation of feminists Activists and writers Alix Kates Shulman and Honor Moore have gathered an unprecedented collection of works many long out of print and hard to find that catalyzed and propelled the women s liberation movement Ranging from Friedan s Feminine Mystique to Backlash Susan Faludi s Reagan era requiem and framed by Shulman and Moore with an introduction and headnotes that provide historical and personal context the anthology reveals the crucial role of Black feminists and other women of color in a decades long mass movement that not only brought about fundamental changes in American life changes too often taken for granted today but envisioned a thoroughgoing revolution in society and consciousness still to be achieved

Exploring the Dimensions of Human Sexuality Jerrold S. Greenberg,Clint E. Bruess,Sarah C. Conklin,2007 Exploring The Dimensions Of Human Sexuality Third Edition Has Been Extensively Updated To Include Information And Statistics About Recent Developments This Text Continues To Encourage Students To Explore The Varied Dimensions Of Sexuality And To See How Each Affects Their Personal Sexuality Sexual Health And Sexual Responsibility All Aspects Of Sexuality Biological

Spiritual Psychological And Sociocultural Are Presented Factually And Impartially      **The African-American Woman's Guide to Great Sex, Happiness & Martial Bliss** Jel D. Lewis Jones,2003 The author gives great relationship tips and advice in the more than 30 informative chapters such as Enhance Your Sex Appeal Communicating In Lovemaking Thirteen Secrets To Sizzling Passion and 72 Ways to Love Your Lover      States Without Nations Jacqueline Stevens,2009-11-17 As citizens we hold certain truths to be self evident that the rights to own land marry inherit property and especially to assume birthright citizenship should be guaranteed by the state The laws promoting these rights appear not only to preserve our liberty but to guarantee society remains just Yet considering how much violence and inequality results from these legal mandates Jacqueline Stevens asks whether we might be making the wrong assumptions Would a world without such laws be more just Arguing that the core laws of the nation state are more about a fear of death than a desire for freedom Jacqueline Stevens imagines a world in which birthright citizenship family inheritance state sanctioned marriage and private land ownership are eliminated Would chaos be the result Drawing on political theory and history and incorporating contemporary social and economic data she brilliantly critiques our sentimental attachments to birthright citizenship inheritance and marriage and highlights their harmful outcomes including war global apartheid destitution family misery and environmental damage It might be hard to imagine countries without the rules of membership and ownership that have come to define them but as Stevens shows conjuring new ways of reconciling our laws with the condition of mortality reveals the flaws of our present institutions and inspires hope for moving beyond them      **Routledge Library Editions: Feminist Theory** Various,2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from The Liberation of Women to Feminists and State Welfare from Married to the Job to Julia Kristeva this set provides in one place a wealth of important reference sources from the diverse field of gender studies      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1975      **Civilizing Sex** Patrick Riley,2016-10-06 A fascinating account of the role of sex as a civilizing force in the west this lucid and compelling book contends that keeping sex within marriage is essential for the well being of any society Riley explores the Judaeo Christian tradition on marriage and sexuality and shows how marriage came to contain the force of sexuality harnessing its energies to serve both the family and the wider community He argues that the idea that sex is entirely a private issue is an error with potentially disastrous consequences both for the individual and for society      **Disorders of Desire** Janice M. Irvine,2005 Disorders of Desire is the only book to tell the story of the development and impact of sexology the scientific study of sex in the United States In this era of sex scandals culture wars Sex in the City and new sexual enhancement technologies like erectile dysfunction drugs its critique of sexology is even more relevant than it was when the book was first published in 1990 This revised and expanded edition features new chapters addressing LI The diagnosis of sex addictionin the 1970s and its social and political implications LI UL LI New developments

within the field of sexology including the Viagra Revolution that began in the 1990s LI UL LI The pharmaceutical industry's role in the development of sexual enhancements and the search for the female equivalent of Viagra LI UL **Class Divide**

Howard Gillette, Jr., 2015-05-21 Members of the Yale College class of 1964 the first class to matriculate in the 1960s were poised to take up the positions of leadership that typically followed an Ivy League education Their mission gained special urgency from the inspiration of John F Kennedy's presidency and the civil rights movement as it moved north Ultimately these men proved successful in traditional terms in the professions in politics and in philanthropy and yet something was different Challenged by the issues that would define a new era their lives took a number of unexpected turns Instead of confirming the triumphal perspective they grew up with in the years after World War II they embraced new and often conflicting ideas In the process the group splintered In **Class Divide** Howard Gillette Jr draws particularly on more than one hundred interviews with representative members of the Yale class of 64 to examine how they were challenged by the issues that would define the 1960s civil rights the power of the state at home and abroad sexual mores and personal liberty religious faith and social responsibility Among those whose life courses Gillette follows from their formative years in college through the years after graduation are the politicians Joe Lieberman and John Ashcroft the Harvard humanities professor Stephen Greenblatt the environmental leader Gus Speth and the civil rights activist Stephen Bingham Although their Ivy League education gave them access to positions in the national elite the members of Yale 64 nonetheless were too divided to be part of a unified leadership class Try as they might they found it impossible to shape a new consensus to replace the one that was undone in their college years and early adulthood **Reaction to the Modern Women's Movement, 1963 to the Present**

Angela Howard, Sasha Ranae Adams Tarrant, 2018-10-24 Antifeminism in cultural context To give today's readers an understanding of the social and political forces that actively fought against any changes in women's status in the United States the editors selected these original examples from the writings of the time that appeared in popular books and magazines Opponents of women's equality frequently voiced their opinions about 19th century issues of women's suffrage dress reform self expression independence and other topics that touched upon the perceived roles and duties of women Such public diatribes continued into the 10th century as determined antifeminists argued against increased opportunities for women in employment and education denied the propriety of family planning and admonished against women's involvement in politics Arguments based on ridicule natural law and false claims Some opponents merely dismissed or ridiculed calls for changes in women's status without specifying particular flaws in the feminist position Others cited divine ordination applied to natural law and fanned public fears of familial and social disintegration Frequently these critics resorted to charges of presumed lesbianism communism and socialism against advocates of women's rights and against the movement itself This adamant opposition to equality for women was a manifestation of common apprehension about ongoing social economic and political changes beyond antifeminist control Antifeminists in their own words Today few people have even an inkling of the

vehemence theatrical posturing and convoluted reasoning of the antifeminist forces This varied selection of original sources puts an illuminating spotlight on the arguments presented by opponents of women s equality that is drawn from an extensive body of writings ranging from the elegant pronouncements of a popular politician to sincere endorsements of the status quo by female apologists for those opposed to the women s movement to purveyors of low satire in the popular press For modern readers this collection provides the opportunity to encounter directly the reasoning opinions and perceptions of those that resisted and criticized the goals and achievements of feminism A valuable resource for many disciplines A particularly valuable feature of this set is its wealth of primary source material from the 19th and early 20th centuries including material from books and newspapers Very few libraries have collected these sources and chances are no single collection has them all These volumes are of great interest to women s studies women s history gender studies cultural studies as well as history political science sociology and literature Many of the examples of antifeminist writing found in the set can enrich classroom discussions and assignments that involve communication writing and rhetoric Available individually by volume 1 Opposition to the Women s Movement in the United States 1848 1929 0 8153 2713 7 400 pages 2 Redefining the New Woman 1920 1963 0 8153 2714 5 344 pages 3 Reaction to the Modern Women s Movement 1963 to the Present 0 8153 2715 3 352 pages

Antifeminism in America Gillian Swanson, 2013-09-13 The documents in this paperback inform the reader s understanding and appreciation of the social and political context of opposition in which the advocates of women s rights labored from 1848 to 1996 Arranged in six parts by historical periods these original articles from mainstream magazines specialized and academic journals and books display the tone and substance of opposition to women s rights as it appeared in popular literature The selections reflect the public campaign fought in the popular press of opponents to the fundamental goal of all aspects of movement for women s rights to challenge the gender system by advocating equality for women

Thank you definitely much for downloading **Sexual Suicide**. Most likely you have knowledge that, people have seen numerous periods for their favorite books similar to this Sexual Suicide, but end stirring in harmful downloads.

Rather than enjoying a fine ebook taking into consideration a mug of coffee in the afternoon, otherwise they juggled in the same way as some harmful virus inside their computer. **Sexual Suicide** is welcoming in our digital library an online access to it is set as public so you can download it instantly. ### **Sexual Suicide Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sexual Suicide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sexual Suicide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sexual Suicide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Sexual Suicide Books**

1. Where can I buy Sexual Suicide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sexual Suicide book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sexual Suicide books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Sexual Suicide audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
