Helping Victims of Sexual Abuse Lynn Heitritter, Jeanette Vought, 2006-06-01 How do we minister to victims of sexual abuse It's a difficult problem for Christian communities This solidly biblical and sensitive guide is packed full of helpful information that provides a valuable perspective on how abuse affects children and the family dynamics that play into its development As well readers will also discover practical tools that can lead adult victims into full recovery in Christ Required reading for everyone who wants to bring meaningful ministry to those affected by sexual abuse

The Use of the Creative Therapies with Sexual Abuse Survivors Stephanie L. Brooke, 2007 This book is a useful reference for anyone seeking to provide therapy to survivors of sexual abuse The approach represented here is a holistic one that utilizes various approaches to heal the various manifestations of sexual abuse trauma Since the acts associated with such abuse are often so difficult to discuss this book presents several methods of communicating these unspeakable horrors nonverbally allowing the survivor to express their trauma with less difficulty This approach seeks to use the actions of the body to heal the mind This text contains information relevant to treatment for children adolescents and adults as well as male or female and in group or individual settings Many useful activities are outlined and illustrations are provided as examples

Gay Men and Childhood Sexual Trauma James Cassese, 2016-01-20 Learn powerful techniques for healing the scars of early sexual abuse in gay men The first book of its kind *Gay Men and Childhood Sexual Trauma Integrating the Shattered Self* addresses the specific therapeutic needs of gay men in recovery All too often gay men hide their childhood memories of being sexually victimized because of fear shame and the stigma of stereotypes which equate homosexuality with child abuse Some gay men may view these histories as rites of passage and dismiss other perspectives as betrayals of their community or inadvertent support for the anti gay agenda of the religious right Certain therapists and so called support groups ridicule them as hysterics with false memories Groups like the North American Man Boy Love Association or the Rene Guyon Society dismiss the source of their anguish as wishful thinking or a healthy consensual intergenerational romance Finally here is a

book that addresses the unique emotional and psychological needs of gay male survivors of sexual abuse **Gay Men and Childhood Sexual Trauma** offers new hope by separating the crime of pedophilia from the consensual intimacy of an adult male same sex relationship It provides specific guidance for therapists working with gay men either in individual or group therapy settings and offers practical treatment suggestions as well as moving insights into the painful conflicts gay men may have in accepting their own sexuality and revealing their status as child survivor of an adult sexual predator **Gay Men and Childhood Sexual Trauma** discusses practical ways to help the survivor heal including adopting eye movement desensitization and reprocessing techniques to treat traumatized gay men helping gay men to break the old arousal patterns associated with their abusers handling survivors formidable issues of trust addictions depression and low self esteem leading survivor groups of mixed sexual orientation discerning the special meaning of HIV to traumatized gay men respecting cross cultural differences in treating the gay male sexual trauma survivor finding new directions for research This powerful volume offers sufficient technical detail to be useful for the therapist working with gay men yet it is written with enough clarity and compassion to be used as bibliotherapy for men just coming out as gay as survivor or as both **Gay Men and Childhood Sexual Trauma** is an essential resource for mental health professionals as well as for gay men who have themselves survived sexual abuse or who love someone who did
