A Cycle of Outrage James Gilbert, 1988-10-13 The youth culture is on everyone s lips today as pressures build to ban controversial song lyrics reintroduce school prayer and prohibit teenagers access to contraceptives It s not the first time Americans have been outraged over the seuction of the innocent When James Dean and Marlon Brando donned their motorcycle jackets and adopted alienated poses in Rebel Without a Cause East of Eden and The Wild One in the 1950 s so did countless numbers of American teenagers Or so it seemed to their parents American teenagers were looking and acting like juvenile delinquents By mid decade the nation had reached a pitch of near obsession with the harmful effects of film radio comic books and television on American youth Experts across the land denounced mass culture as depriving young people of their innocence and weakening their parents hold on them By the end of the decade the obsession had ended although the actual numbers of juvenile delinquents had apparently risen A Cycle of Outrage explores the 1950 s debate over the media and juvenile delinquency among parents professionals and the creators of mass culture themselves In this groundbreaking study James Gilbert sees the attempt to blame the media as part of a larger reaction of discomfort echoed in recent debates over censorship The book examines how the central phenomena of the 1950 s the development of youth culture and the rise of a mass media society became intertwined and confused and argues that young people ceased to be a threat as they were recognized to be a market Spinal Cord Injuries Roberta B. Trieschmann, 2013-10-22 Spinal Cord Injuries Psychological Social and Vocational Adjustment focuses on the process of adjustment to spinal cord injuries including rehabilitation medical intervention and examination of the daily life of persons with this kind of injury The book first discusses the consequences of spinal cord injury and rehabilitation as a behavior change process including physical symptoms of spinal cord injury rehabilitation process and treatment systems approach to the concept of adjustment and suicide and self neglect The manuscript also deals with the psychological factors in the adjustment to spinal cord injury Topics include emotional reactions at onset of spinal cord injury personality characteristics of persons with spinal cord injury and factors associated with adjustment to spinal cord injury The publication takes a look at the social factors in the adjustment to spinal cord injury as well as the social implications of disability family relationships recreation aging and task of socialization The book also reviews the variables related with productivity following spinal cord injury and sexuality and spinal cord injury The effect of the treatment environment on adjustment to spinal cord injury and therapeutics techniques are discussed The manuscript is

a dependable reference for readers interested in the psychological social and productivity implications of spinal cord injuries Ensuring Inequality Donna L. Franklin, Angela D. James, 2015 Conservatives and liberals alike will find things in Ensuring Inequality with which to agree and disagree Franklin brings a provocative new perspective to America's pressing debates about poverty fatherlessness and how to really reform welfare Theda Skocpol Harvard University Offering an in depth account of the history and development of the African American family Franklin debunks the many myths that surround race in America
