with modern sexuality has a more complex and interesting history What was the meaning of sexual purity Why did eugenics matter to Catholicism How did the Society of Jesus interpret the idea of overpopulation Why did Pius XI decide to issue the notorious encyclical *Casti connubii* on Christian marriage the first modern papal pronouncement on birth control abortion and eugenics In answering these questions Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge showing the Catholic church at times resisting but also often welcoming scientific modernity
