**Sexual Life Between Blacks and Whites** Beth Day Romulo, 1972      Sexual Life Between Blacks and Whites ,1974

Sexual Life Between Blacks and Whites ,1974      **Sexual life between blacks and whites** Beth Day, 1972      Rape and

Race in the Nineteenth-Century South Diane Miller Sommerville, 2005-10-12 Challenging notions of race and sexuality presumed to have originated and flourished in the slave South Diane Miller Sommerville traces the evolution of white southerners fears of black rape by examining actual cases of black on white rape throughout the nineteenth century Sommerville demonstrates that despite draconian statutes accused black rapists frequently avoided execution or castration largely due to intervention by members of the white community This leniency belies claims that antebellum white southerners were overcome with anxiety about black rape In fact Sommerville argues there was great fluidity across racial and sexual lines as well as a greater tolerance among whites for intimacy between black males and white females According to Sommerville pervasive misogyny fused with class prejudices to shape white responses to accusations of black rape even during the Civil War and Reconstruction periods a testament to the staying power of ideas about poor women s innate depravity Based predominantly on court records and supporting legal documentation Sommerville s examination forces a reassessment of long held assumptions about the South and race relations as she remaps the social and racial terrain on which southerners black and white rich and poor related to one another over the long nineteenth century      **Sex, Love, Race** Martha Hodes, 1999 Since the colonial era North America has been defined and continually redefined by the intersections of sex violence and love across racial boundaries Motivated by conquest economics desire and romance such crossings have profoundly affected American society by disturbing dominant ideas about race and sexuality Sex Love Race provides a historical foundation for contemporary discussions of sex across racial lines which despite the numbers of interracial marriages and multi racial children remains a controversial issue today The first historical anthology to focus solely and widely on the subject Sex Love Race gathers new essays by both younger and well known scholars which probe why and how sex across racial boundaries has so threatened Americans of all colors and classes Traversing the whole of American history from liaisons among Indians Europeans and Africans to twentieth century social scientists fascination with sex between Asian Americans and whites the essays cover a range of regions and of racial ethnic and sexual identities in North America Back cover      **The Specter of Sex** Sally L. Kitch, 2009-08-06 Top Three Finalist for the 2010 John Hope Franklin Publication Prize presented by the American Studies Association Theories of intersectionality have fundamentally transformed how feminists and critical race scholars understand the relationship between race and gender but are often limited in their focus on contemporary experiences of interlocking oppressions In The Specter of Sex Sally L Kitch explores the backstory of intersectionality theory the historical formation of the racial and gendered hierarchies that continue to structure U S culture today Kitch uses a genealogical approach to explore how a world already divided by gender ideology

became one simultaneously obsessed with judgmental ideas about race starting in Europe and the English colonies in the late seventeenth century Through an examination of religious political and scientific narratives public policies and testimonies laws court cases and newspaper accounts *The Specter of Sex* provides a rare comparative study of the racial formation of five groups American Indians African Americans Latinos Asian Americans and European whites and reveals gendered patterns that have served white racial dominance and repeated themselves with variations over a two hundred year period **Sexual**

**Life Between Blacks and Whites** Beth Day,1972 **Empire and sexuality** Ronald Hyam,2017-03-01 Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies the *Studies in Imperialism* series seeks to develop the new socio cultural approach which has emerged through cross disciplinary work on popular culture media studies art history the study of education and religion sports history and children s literature The cultural emphasis embraces studies of migration and race while the older political and constitutional economic and military concerns are never far away It incorporates comparative work on European and American empire building with the chronological focus primarily though not exclusively on the 19th and 20th centuries when these cultural exchanges were most powerfully at work This work explores the sexual attitudes and activities of those who ran the British Empire The study explains the pervasive importance of sexuality in the Victorian Empire both for individuals and as a general dynamic in the working of the system Among the topics included in the book are prostitution the manners and mores of missionaries and aspects of race in sexual behaviour **Virginia Hasn't Always Been for Lovers** Phyl

Newbeck,2008-03-14 This landmark volume chronicles the history of laws banning interracial marriage in the United States with particular emphasis on the case of Richard and Mildred Loving a white man and a black woman who were convicted by the state of Virginia of the crime of marrying across racial lines in the late 1950s The Lovings were not activists but their battle to live together as husband and wife in their home state instigated the 1967 U S Supreme Court ruling that antimiscegenation laws were unconstitutional which ultimately resulted in the overturning of laws against interracial marriage that were still in effect in sixteen states by the late 1960s **Uncle Tom's Cabin as Visual Culture** Jo-Ann

Morgan,2007 Examines the artwork of Hammatt Billings George Cruikshank Winslow Homer Eastman Johnson Henry Ossawa Tanner and Thomas Satterwhite Noble to show how as Uncle Tom s Cabin gained popularity visual strategies were used to coax the subversive potential of Stowe s work back within accepted boundaries that reinforced social hierarchies Provided by publisher **The Conclusion of the Sexual Revolution** Wylark Day,2004-05-18 This is a book about sexual morality Not a morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God s Plan for Sex but a minority who deviate from this Plan such as homosexuals are nonetheless necessary

for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God      **The Oxford Handbook of Evolution, Biology, and Society** Dr. Rosemary

Hopcroft,2018-03-09 Evolution biology and society is a catch all phrase encompassing any scholarly work that utilizes evolutionary theory and or biological or behavioral genetic methods in the study of the human social group and The Oxford Handbook of Evolution Biology and Society contains an much needed overview of research in the area by sociologists and other social scientists The examined topics cover a wide variety of issues including the origins of social solidarity religious beliefs sex differences gender inequality determinants of human happiness the nature of social stratification and inequality and its effects identity status and other group processes race ethnicity and race discrimination fertility and family processes crime and deviance and cultural and social change The scholars whose work is presented in this volume come from a variety of disciplines in addition to sociology including psychology political science and criminology Yet as the essays in this volume demonstrate the potential of theory and methods from biology for illuminating social phenomena is clear and sociologists stand to gain from learning more about them and using them in their own work The theory focuses on evolution by natural selection the primary paradigm of the biological sciences while the methods include the statistical analyses sociologists are familiar with as well as other methods that they may not be familiar with such as behavioral genetic methods methods for including genetic factors in statistical analyses gene wide association studies candidate gene studies and methods for testing levels of hormones and other biochemicals in blood and saliva and including these factors in analyses This work will be of interest to any sociologist with an interest in exploring the interaction of biological and sociological processes As an introduction to the field it is useful for teaching upper level or graduate students in sociology or a related social science

**Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R. Dynes,2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology      **Sex and the Bible** Wylark Day,2002-02-14 Where did the Sexual Revolution come from Why do we in the West believe in Equality for Women when so many older cultures do not What does God really think about Sex The answers to all these questions and more can be found in Sex and the Bible In this book you will learn what the Bible really teaches about Sex You will also discover how the influence of the Bible on attitudes towards human sexuality has led to the very creation of Modern Civilization and peer into the future to see how those same attitudes threaten to destroy it

Lynchings Walter Howard, 2005-12 Lynchings Extralegal Violence in Florida during the 1930s This study examines the 13 lynchings that occurred in the southern state of Florida during the decade of the 1930s It provides a lively and detailed narrative account of each lynching and concludes that there is no one single theory or explanation of these extralegal executions The author does however reveal several patterns common to these separate acts of vigilantism For example most Florida lynchings were not rural small town ceremonial hangings of black males accused of sexual offenses Rather the majority of lynch victims were forcibly seized from police and shot by small bands of carefully organized vigilantes rather than frenzied mobs Moreover one third of these lynchings occurred in urban areas The study finishes with a brief overview of the three Florida lynchings of the 1940s and the sudden end of this southern lynch law in modern America National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1973 First multi year cumulation covers six years 1965 70 **Eating the Black Body** Carlyle Van Thompson, 2006 Textbook *A Curriculum of Repression* Haroon Kharem, 2006 Textbook The Tragic Black Buck Carlyle Van Thompson, 2004 The new edition of The Tragic Black Buck Racial Masquerading in the American Literary Imagination offers a fresh perspective on this trail blazing scholarship and the singular importance of F Scott Fitzgerald s The Great Gatsby as a challenge to the racial hegemony of biological white supremacy Fitzgerald convincingly and boldly shows how racial passing by light skinned Black individuals becomes the most fascinating literary trope associated with democracy and the enduring desire for the American Dream
