Sexual Magic Witchcraft And Asceticism:

Sexual Magic, Witchcraft and Asceticism Iwan Bloch, Keene Wallis, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

Anthropological Studies on the Strange Sexual Practices of All Races and All Ages Iwan Bloch, 2001-06 The celebrated compendium of sexual oddities, a no-holds-barred treatment of sexual practices throughout the world and throughout time. The work makes excellent reading, though it may be criticized for lacking any substantial synthesis of its components and for being unsympathetic to homosexuals and masturbators. Iwan Bloch, 1872-1922, the father of sexual science, took his medical degree from Würzburg in 1896 and soon published his *Ursprung der Syphilis* (1901), which made him the foremost exponent of the so-called Morbus Americanus theory that syphilis originated in America. His *Beiträge zur Ätiologie der Psychopathia Sexualis* was an important follow-up of Krafft-Ebing, and several other works brought him recognition as a pioneer sexologist. Book jacket: *The Sexual Life of Our Time in Its Relations to Modern Civilization* Iwan Bloch, 1909

The Sexual Life of Our Time in Its Relations to Modern Civilization Ivan Bloch, 2021-04-22 The author's aim in writing this book was to write a complete Encyclopedia on the sexual sciences, and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended. The subject is no doubt one which appeals to and affects the interests of all adult persons, but the publishers have, after very serious and careful consideration, come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions. To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormalities should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings. It is the first time that the subject has been so carefully and fully gone into in the English language, and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi-criminal matters and probably in matrimonial disputes and cases of insanity.

Routledge Library Editions: Witchcraft Various,2021-12-02 Routledge Library Editions Witchcraft re issues eight volumes originally published between 1929 and 1977 and sheds fascinating light on the history anthropological religious and

mythological contexts of witchcraft in the UK and Europe including several volumes which focus specifically on the witch hunts and trials of Early Modern Europe Daughters of Hecate Kimberly B. Stratton, Dayna S. Kalleres, 2014-10-01

Daughters of Hecate unites for the first time research on the problem of gender and magic in three ancient Mediterranean societies early Judaism Christianity and Graeco Roman culture The book illuminates the gendering of ancient magic by approaching the topic from three distinct disciplinary perspectives literary stereotyping the social application of magic discourse and material culture The authors probe the foundations of processes and motivations behind gendered stereotypes beginning with Western culture's earliest associations of women and magic in the Bible and Homer's Odyssey Daughters of Hecate provides a nuanced exploration of the topic while avoiding reductive approaches In fact the essays in this volume uncover complexities and counter discourses that challenge rather than reaffirm many gendered stereotypes taken for granted and reified by most modern scholarship By combining critical theoretical methods with research into literary and material evidence Daughters of Hecate interrogates a false association that has persisted from antiquity to early modern witch hunts to the present day *Heresy, Magic and Witchcraft in Early Modern Europe* Gary K Waite, 2019-10-10 In the fifteenth century many authorities did not believe Inquisitors stories of a supposed Satanic witch sect However the religious conflict of the sixteenth century Reformation especially popular movements of reform and revolt helped to create an atmosphere in which diabolical conspiracies which swept up religious dissidents Jews and magicians into their nets were believed to pose a very real threat Fear of the Devil and his followers inspired horrific incidents of judicially approved terror in early modern Europe leading after 1560 to the infamous witch hunts Bringing together the fields of Reformation and witchcraft studies this fascinating book reveals how the early modern period's religious conflicts led to widespread confusion and uncertainty Gary K Waite examines in depth how church leaders dispelled rising religious doubt by persecuting heretics and how alleged infernal plots and witches who confessed to making a pact with the Devil helped the authorities to reaffirm orthodoxy Waite argues that it was only when the authorities came to terms with pluralism that there was a corresponding decline in witch panics Sexual Life in Ancient India Johann Jakob Meyer, 1971 **Sexuality and New Religious Movements** J. Lewis, 2016-01-12 Issues relating to sexuality eroticism and gender are often connected to religious beliefs and practices but also to prejudices against and fear of religious groups that adopt alternative approaches to sexuality This is especially apparent in connection with new religious movements which many times find themselves accused by the media and anti cultists of promoting illicit and controversial views on sexuality This anthology aims to critically investigate the role of sexuality in a number of new religious movements including Mormon fundamentalist communities the Branch Davidians the Osho movement the Ra l movement contemporary Wicca and Satanism in addition to the teachings of Adidam and Gurdjieff on sexuality **The Riddle of Woman** Joseph Tenenbaum, 1936 **Sex in China** Fang Fu Ruan, 2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the

earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China
