Sexual Understanding Before Marriage:

Sexual Understanding Before Marriage Herbert J. Miles, 1981 *Sexual Understanding Before Marriage* Herbert Jackson Miles, 1972 *Sexual Understanding Before Marriage... Introd. Y... Paul Popenoe,* Herbert J. Miles, 1972 *A Christian Guide to Sexual Counseling* Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information, both physiological and psychological, and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. *A Christian Guide to Sexual Counseling* offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed, and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not or should not be disjoined from treatment of sexual problems. So Mayo brings body, mind, and spirit together in her assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: attitudes of the church toward sexuality; the responsibility of Christian leaders to offer positive teaching; normal sexual functioning; common sexual problems in a marriage; the role and possible outcomes of sexual counseling; female problems; male problems; special concerns for singles; premarital education.

Walker-Jackson,2014-11-15 Each of us has a journey to go through in life For some that path seems easy and everything in the lives of these blessed ones seems to fall into place effortlessly For others the path to a happy successful life is paved with struggle and hardship I am one of those who have had to struggle I wrote this book not simply to gain your sympathy or to draw attention to my pain but

to encourage others who've had to walk the same difficult roads in their lives. God, our Creator, did not design us to suffer through lives of pain and hurt but has a much more joyful and important purpose for each of us. Discovering this fact helped me turn the path of my life around 180 degrees. Through reading along with my personal journey, I want others to discover the pursuit of hope. We can all use hope in our lives. Even the most affluent need hope because there is always something inside that makes us feel bad, and we can all identify with feeling bad. The good news is that in taking this journey with me, you've already begun the healing process. Together with healed hearts and a newfound sense of purpose, we can go on to inspire and motivate others. Our lives can and do make a difference. With the help of our loving God, we can decrease the struggle and hardship in our own lives and the lives of others and increase the joy.

A Reader in Sociology; Christian Perspectives Charles P. De Santo, Calvin Redekop, William L. Smith-Hinds, 2001-03-07 National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1972 First multi-year cumulation covers six years 1965-70 Human Sexuality in the Catholic Tradition Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality, and often sex education that is offered often does not promote a mature, integrated understanding of sexuality. Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today. Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality, explore the integration of our sexuality and our spirituality, and develop life-affirming and life-sustaining ways of approaching contemporary sexual issues. This book explores sexuality from spiritual, psychological, moral, and ministerial perspectives and addresses specific issues such as sex and marriage, celibacy, homosexuality, and cohabitation.
